Allen Fellowship Nominations Now Under Way For Eligible Faculty Members

The Office of the Provost is now accepting nominations for the Walker and Doris Allen Fellowship for Faculty Excellence. The Allens established the Fellowship in 2000 with a \$250,000 contribution, one of the largest gifts ever made to the Truman State University Foundation.

The \$10,000 Walker and Doris Allen Fellowships recognize outstanding faculty members who have made exemplary contributions to the success of the University and its students. Up to three faculty members are selected each year. The Fellowships are open to all tenured or tenure-track faculty who have completed at least four years of full-time service at Truman. Eligible faculty may be nominated for the Fellowship by Truman faculty colleagues or academic

departments. Previous recipients are not eligible.

To date, the program has completed seven years of a scheduled eight-year program, with 21 faculty members being recognized with awards. Due to favorable investment returns, the fellowships are expected to continue until at least 2011.

To nominate an eligible faculty member, send a letter of nomination to the Office of the Provost addressed to the Allen Fellowship Selection Committee. The letter of nomination should be no longer than one page and should address how you believe the faculty member fulfills the selection criteria. Please deliver a signed hardcopy of the letter to McClain Hall 203, send it through campus mail, or by fax to 785.7460. Visit <http://www.truman.edu/pages/131.asp> for details.

Voter Registration Available At Activities Fair

Staff members from the Adair County Clerk's Office will be at the Student Activities Fair from 12-4 p.m. Sept. 4. Truman students, faculty and staff will have the opportunity to register to vote in Adair County or give a change of address if needed. Those wanting to register to vote in Adair County will need to bring some form of ID. It takes about two minutes to get registered. For those who are registering for the first time, you will receive a card from the clerk's office with your voting location a few weeks after registering.

If you are registered to vote in your hometown and would like to vote in your home district, you must request an absentee ballot from your hometown clerk's office. They will send you a ballot and then you must send a notarized ballot

back to your home clerk.

The business office in McClain Hall can notarize ballots for students. If you are not sure where you are registered to vote, you can call the Adair County Clerk's Office as they have the ability to look up all Missouri voters through a statewide registry. If you have moved since you last voted in Adair County you need to update your address so they can let you know your new polling location. The last day to register to vote in the Nov. 4 election is Oct. 8. The clerk's office is located downtown on the second floor of the courthouse. Their hours are 8:30 a.m. - 4:30 p.m. and they are closed for lunch from 12 - 1 p.m.

Anyone with questions about voter registration or where they are to vote can call 665.3350.

WELCOME BACK BARBECUE

The University Club will host a Welcome Back Barbecue at 6:30 p.m. Sept. 5. New faculty members are the special guests. Attendees are encouraged to bring a side dish to share. Barbecue from Western's Meat Market and beverages will be provided. Music will be performed by Deadwood. Children are welcome.

Air Force Staff Sergeant Ryan Lee (second from right) presents President Barbara Dixon with an American flag previously flown in Afghanistan. Lee, the brother of Residence Life Director Andrea O'Brien, presented the flag as a token of appreciation after Truman students organized a food drive and sent care packages to Lee and other soldiers stationed in Afghanistan last year. Pictured from left to right are Master Sergeant Jack Glasscock, who assisted in getting the packages to Afghanistan, President Dixon, Lee and O'Brien.

Student Union Building To Celebrate Completion

The Student Union Building will host an open house from 3-10 p.m. Sept. 9 to celebrate its early completion. This event will showcase the Student Union's new facilities, as well as highlight many of the student service offices within the building.

The open house will feature several special events, including free pizza and soda, a nicknaming contest, live music and door prize raffles. The pizza and soda will be available from 7-9 p.m. in the TV lounge located on the first floor.

Students can enter the contest to rename the former "Quiet Lounge" until Sept. 5 by visiting <http://sub.truman.edu>. The Student Advisory Board will narrow the names down to five finalists, and students can vote for their choice during the open house from 3-8 p.m., with the announcement of the new name and contest winner at 8:30 p.m. The winning student will receive

a \$50 gift card to the Truman State University Bookstore.

Live music will begin in the Down Under (first floor) at 7 p.m. Door prize raffles will be in the main Lounge beginning at 5 p.m.

Many of the student service office staff will be available for students with questions about the new facilities and services offered during the open house. These new offices include the new Information Center and Main Street Market on the main causeway; Student ID, Student Union Administrative and Food Service Offices in Suite 2000; Student Affairs Office on the third floor and Center for Student Involvement on the first floor.

Faculty, staff and students are all welcome to come. Questions about the event should be directed to Damon Ferlazzo, programs coordinator for the Student Union at damonf@truman.edu or 785.4186.

Truman's Chapter of Sigma Delta Pi Earns Top Honor

Truman State University's chapter of Sigma Delta Pi, a National Collegiate Hispanic Honor Society, has been chosen for the prestigious Ignacio and Sophie Galbis Award, a recognition the chapter also received in 2006.

This award is presented annually to the most outstanding chapter nationwide for activities realized during the school year.

This recognition is based upon the caliber of chapter projects that reflect the Sigma Delta Pi mission of honoring excellence in the study of the Spanish language, contributing

to cultural understanding and upholding the goals of the Society.

Lucy F. Lee, professor of Spanish, and 2004 recipient of the Jose Martel Award for the most exceptional chapter adviser for the 2001-04 triennium, was instrumental in earning this highest chapter-honor of Sigma Delta Pi.

With its national office at The Citadel in Charleston, South Carolina, Sigma Delta Pi is a member of the Association of College Honor Societies, the nation's only certifying agency for college and university honor societies.

The former "Quiet Lounge," located on the second floor of the Student Union Building, will be renamed now that the area has been renovated. Student suggestions will be accepted until Sept. 5. The final five names will be voted on during the open house, and the winning student will receive a \$50 gift card.

Truman Reports First Week United Way Campaign Results

After just its first week, the Truman United Way campaign has reached nearly \$17,000.

If you have not yet contributed to this year's campaign, here are a few reasons to consider supporting the United Way:

United Way is local—the funds raised here stay here, and the low overhead means even more of your contribution dollars reach the people that you want to help.

United Way is efficient—the one gift you make each year supports more than 30 local

programs that help individuals pursue the goals of Education, Income and Health. Recent statistics show that the United Way touches 1 out of 3 individuals in our area.

Please feel free to contact Brad Chambers in Advancement at 785.4124, Debra Kerby,

professor of accounting, at 785.4363, or Nancy Pennington at the United Way of Adair County office at 665.1924 with any questions or to request a pledge form.

Truman's goal for this year's fund drive is \$56,000.
