Numerous Volunteer Opportunities Available Through the SERVE Center

If you are interested in volunteering on campus or in the Kirksville community, the SERVE Center is ready to help hook you up with a volunteer project.

The SERVE Center, located on the main floor of the Student Union Building, assists and promotes student involvement in community service.

The SERVE Center provides information about organizations that are looking for volunteers. It also assists volunteers in contacting someone involved in a particular project. Students can fill out an information sheet at the SERVE Center that allows the Center to notify a volunteer of an opportunity that appeals to their interests.

One opportunity during Truman Week is to volunteer with the Kids R Best Fest on Aug. 24 at the Kirksville Aquatics Center. The event is for children in the community.

Volunteers will assist with various activities such as a balloon toss, shark attack, face painting and much more. Shuttles to and from the Aquatics Center will depart from 9:15 a.m. until 12:45 p.m. in front of the Student Union Building on Franklin Street. Please sign up in advance at the Center for Student Involvement in the lower level of the Student Union Building.

Upcoming opportunities available through the SERVE Center are tutoring at area schools and the Special Olympics Bowl-4-Gold on Oct. 26. This is the second year the SERVE Center has coordinated this event. Teams of five are needed to raise \$25 per participant which will go to the success of the Special Olympics.

For more information about volunteer opportunities, contact the SERVE Center at 785.7222.

City Offers Transit Service for Citizens

If you don't have a car, Kirk-Tran may be your answer. Kirk-Tran, the public transit service administered by the City of Kirksville, is a cooperative effort between the city, the Kirksville Regional Center and OATS Inc.

Although Kirk-Tran is not an OATS program, they have a contract with OATS to provide its buses, drivers and office staff to this expansion of OATS services. The Kirk-Tran logo is displayed on OATS buses while they operate during these additional times.

Kirk-Tran has added additional week-day hours to serve its Kirksville customers. Kirk-Tran operates weekdays now from 6 a.m. until 5 p.m., Saturdays from 10 a.m. to 10 p.m., and Sundays from 8 a.m. to 5 p.m. The cost of the ride is \$1 each way, and

reservations must be made at least one business day in advance by calling the OATS office at 1.800.654.6287.

Kirk-Tran is also offering free bus rides to all customers during the week of Aug. 19-25.

"Kirk-Tran has been a success with those who are taking advantage of the service, but we want many more citizens to utilize this valuable public transit system in Kirksville," City Manager Scot Wrighton said. "That is why this free week is being offered."

Kirk-Tran is funded by the City of Kirksville, Kirksville Regional Center, MoDOT and a grant from the Missouri Planning Council for Developmental Disabilities.

Kohlenberg Lyceum Series Brings Cultural Experiences to University Community

Since the Kohlenberg Lyceum Series

began in 1899 as a lecture course, its aim has been to broaden the cultural experience of students, faculty, staff and the community through speakers, music and drama. Each year a selection of performing arts and entertainment attractions are brought to campus which include concerts, professional dance troupes

and guest lecturers. Over the years the Lyceum has featured a wide variety of excellent programs, such as

San Jose Taiko

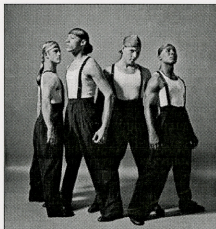

Preservation Hall Dixieland Band, Vincent Price, St. Petersburg State Ice Ballet, Maya

Angelou, Guthrie Theatre, Capt. Jim

Lovell, Helen Thomas and the Saint Louis Symphony.

The Kohlenberg Lyceum Series season tries to provide a carefully balanced line-up of performers and lecturers to appeal to its wide and diversified audience. In addition, the tickets for Truman students, faculty and staff are free.

The new season opens with a performance by Gus Giordano Jazz Dance Chicago at 7:30 p.m., Sept. 24, in Baldwin Auditorium. Mark your calendars, tickets will be available one week prior to the performance in the Student Activities Board Office or in the Center for Student Involvement, both located in the Student Union Building lower level. DID YOU KNOW...

Every ton of recycled paper:

1. Saves approximately 17 trees.
2. Saves 4,100 kilowatt-hour energy. (That's enough to power the average home for six months.)
3. Saves 7,000 gallons of water.
4. Keeps almost 60 pounds of air pollution effluents out of the air.
5. Is produced in a cleaner, less toxic process than non-recycled paper.
6. Eliminates 3 cubic yards of landfill material and reduces the need for more landfills.

Center Recycles Materials to Reduce Waste

Wondering what to do with your empty aluminum cans and used paper? Recycle them.

Recycle bins are available to the University community in all buildings on campus. These bins help the Recycling Center with its goal to reduce solid waste quantities as much as possible.

The University began its recycling program in October 2001 and purchased a cardboard baler to use in its center. The University recycles 1,000 pounds of card-

board each day with the baler. Cardboard material bins are located outside of most buildings.

Truman's Recycling Center is located in Building #4 in the Dulaney/Baldwin Complex at the south end of campus.

Students can volunteer to assist the Recycling Center at the center or in the residence halls.

For more information about recycling at Truman or to volunteer, contact Howard Worcester, recycle coordinator, at 785.7672.
