Dixon Becomes Truman's 14th President

Barbara Dixon became the 14th president of Truman State University on July 1, 2003.

Before coming to Truman, Dixon served as provost and vice president for academic affairs at the State University of New York at Geneseo, a public liberal arts university, from 1997-2003. She previously spent 27 years at Central Michigan University where she was a faculty member, chair of the Academic Senate and associate dean and interim dean of the College of Arts and Sciences.

She has both a B.M. and M.M. in applied piano from Michigan State University and a D.M.A. in piano performance, literature and pedagogy from the University of Colorado.

Board of Governors Approves Operating Budget

The Board of Governors recently approved the 2004 operating budget.

The Board also gave authorization to the president to institute a special student surcharge, up to \$100, for the fall semester.

In addition, the Board approved the revised student conduct code and the academic calendar.

During the president's report, Jack

Magruder announced Gov. Bob Holden's intent to appoint Emily C. Dunn, sophomore biology major from Bourbon, Mo., as the new student representative to the Truman Board of Governors. Dunn will replace Micah McKay, senior Spanish major from Independence, Mo., whose term expired. Dunn's appointment must be approved by the Missouri Senate.

Truman Receives Grant to Purchase Glass Recycling Machine

Truman State University has been notified by the State of Missouri Region C Solid Waste Management District that Truman's grant request for a machine to recycle glass has been approved.

Truman, with strong support from the City Council and County Commissioners, applied for the grant to purchase a machine that will grind glass to a fine sand that can then be used as drainage fill, pothole filler, ice melt, and glass fault. Both the City and County have agreed to help promote the recycling effort and to purchase the by-

product as needed.

The University will have to rely on community support and their willingness to bring their rinsed glass to the Truman Recycling Center. The Recycling Center is located in the Delaney Baldwin complex located off LaHarpe, across from the Truman Tennis Courts.

The University hopes to have the machine up and running by late August.

For more information about this project or the Truman Recycling Center, please call Howard

Worcester, recycle/surplus coordinator, at 785.7672.

Notables

Jim Barnes, writer-in-residence and professor of comparative literature, has had his short story "Luck" accepted for publication in the *South Dakota Review*, the 40th anniversary issue this fall.

Carolyn Cox, associate professor of health and exercise sciences, was selected by the Wellness Councils of America (WELCOA) to participate in its University Affiliate Program. WELCOA's University Affiliate Program is designed to arm health educators and their students with leading edge health promotion information they can use to help businesses manage employee health and associated healthcare costs. The University Affiliate Program provides students access to academic health promotion materials through WELCOA's InfoPoint Web site and *Absolute Advantage* magazine. The program is provided to universities at no cost.

Taner Edis, assistant professor of physics, was interviewed by WBAI radio (New

York City), May 25, on Muslim creationism. **Kathleen Field**, sophomore mathematics major from Westchester, Ill., was selected as a recipient of a Gilman International Scholarship in the amount of \$3,000. The scholarship is offered for her to participate in the semester Missouri Africa Program study abroad program sponsored by the University of Missouri-St. Louis in Ghana. Field will study at the University of Ghana in Legon during the fall 2003 semester. The Institute of International Education (IIE) received 1,276 applications for the 191 awards made this cycle.

Gloria Kwok, associate professor of French, read a paper titled "Un regard sur les figures féminines dans l'oeuvre post-coloniale de Linda Lé" on June 21 at the Conseil International d'Études Francophones in New Orleans.

Betty L. McLane-Iles, professor of French, has been asked by the editors of *Who's Who in American Women* to submit her details.

Notes
