## Twelve Judges Select Finalists

1969 ECHO Queen finalists pose for pictures shortly after their selection: Carol Cone, Phyllis Warden, Greta Harris, Dorsay Maffry, and Karen Schneider.

Forty-eight campus co-eds were nominated as 1969 ECHO Queen candidates through petitions by 1,200 NMSC students. These nominees were then presented before a panel of judges at a January reception held in the Alumni Room of the Student Union. Judges for the contest were: Students--Helen Cooper, 1968 ECHO Queen finalist; Barb Haskins, cheerleader captain; Dave Romberg, Student Council vice-president; Frank Wagner, Bulldog football All-American; Tim Williams, INDEX editor; and Cheryl Wilson, ECHO editor; faculty -- Dr. Joseph P. Dolan, head of Health and Physical Education division; Miss Rita Gramann, Dean of Women; Mrs. Donna Truitt, Language and Literature division; and Stanley Williams, administrative assistant to Dean of Instruction and past ECHO advisor; and off-campus -- Mrs. Gingo Reed, chairman of the North east Missouri Fair Queen competition, and her husband, Ronnie.

Upon narrowing the field of candidates down to five, the ECHO staff then contacted James Garner, television's "Maverick," to make the final queen selection.

Dear Miss Wilson:

Enclosed please find the photographs of the lovely young ladies you asked me to judge.

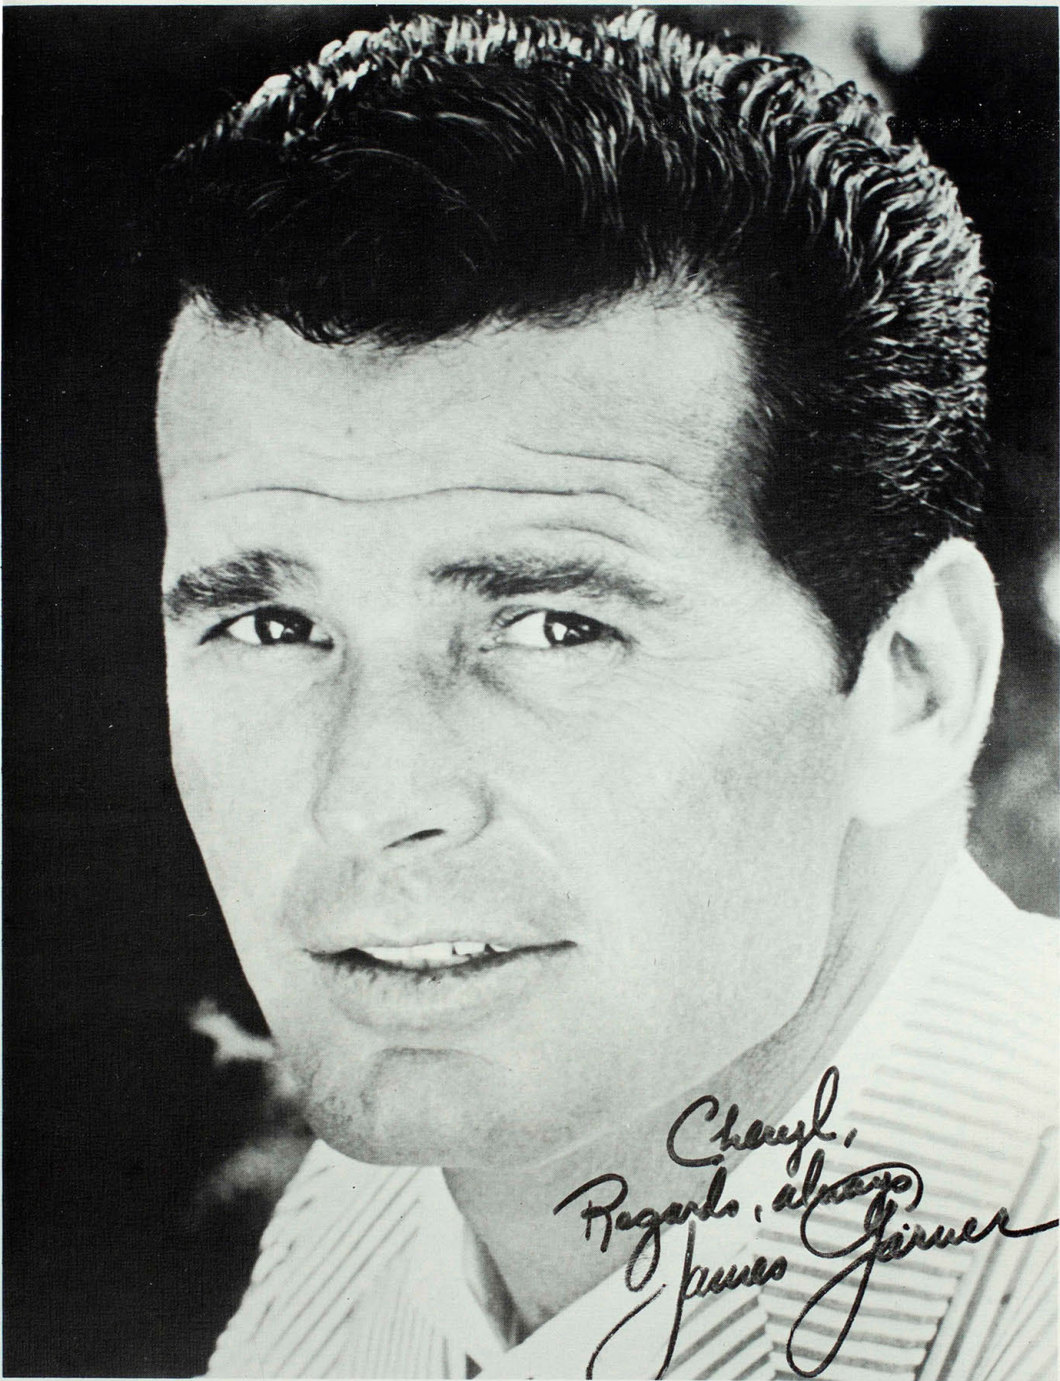

My decision was not an easy one as each young lady possesses her own individual personal qualities. However, I did make my decision and I think the perfect queen would be Phyllis Warden.

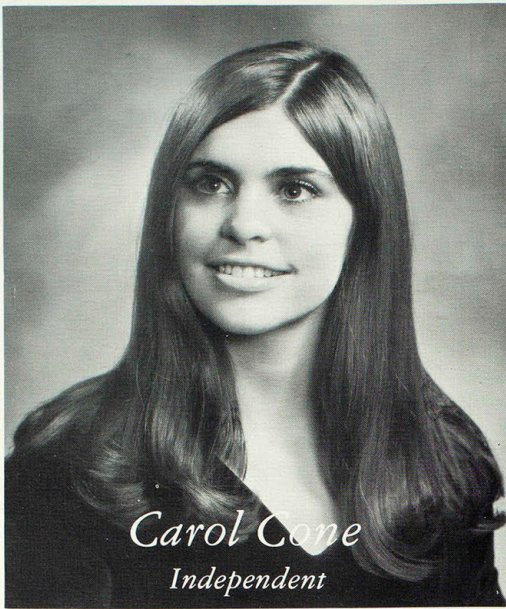

I would like to thank you for inviting me to participate, and my best wishes to your staff for a successful yearbook and to all of the young ladies who entered the contest.

Sincerely

## Board of Regents

Discussion of College policies over the telephone is a serious and time consuming task for the President.

Working on written reports lays out a partial schedule for Dr. Elkins' day of activities.

President Elkins and his secretary, Jean Elliott, are pleased with a report as they look over business papers.

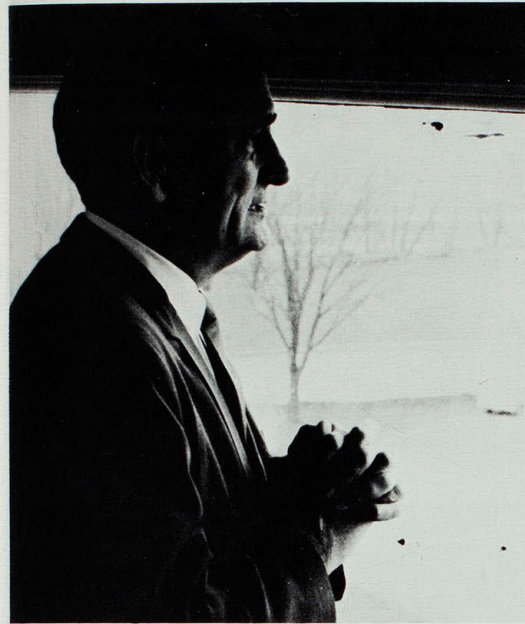

# President Elkins Serves on NCATE Board

Assuming duties in his second year as President of the College, Dr. F. Clark Elkins initiated and executed new programs and plans, such as becoming a part of the North Central Accreditation for Teacher Education.

Dr. Elkins served as President of Chadron State College, Chadron, Nebr., before coming to the College in 1967. He received his B.A. degree from Arkansas State Teachers College, the M.A. from University of Arkansas and the Doctorate of Social Science at Syracuse University.

An examiner and consultant for the North Central Association of Colleges and Secondary Schools, Dr. Elkins is also chairman of the Visitation and Accreditation committee for the Western Section of the National Council on Accreditation for Teacher Education.

Included in the planning stage is a new administration building to be located on the northwest corner of the College campus. A new Industrial Arts building southwest of campus will be ready for classes next year. Beginning next year, the ROTC program will get underway.

Contemplating important decisions is part of the presidential role Dr. Elkins acquired with his title.

"First Family" portrait includes daughter Annette, wife Norma and Dr. Elkins.

## Fritschel Oversees Instructive Policies

Acting as chief academic officer of the College was Dr. Arthur L. Fritschel, dean of instruction. An improvement of instruction conference called "A Day of Dialogue" was initiated this year, concerning both students and faculty.

Dean Fritschel maintained an "open door" policy to students for the discussion of academic problems despite the many councils and committees that he served on.

Transition preparations to the semester system and implementing the Repeat Course policy were additional tasks of the Dean.

Coming to the campus two years ago, Dean Fritschel taught in the public schools for six years. Since 1957, he has served as Head of the Department of Education at Western Illinois.

Looking over IBM lists of students enrolled during the year are administrative assistant Stanley Williams and Dr. A. L. Fritschel, dean of instruction.

Graduate dean, Dr. Judson Martin, coordinates curriculum for students pursuing higher studies.

## Dr. Martin Directs Graduate Procedures

Dr. Judson P. Martin's title of director of Graduate Studies was changed to Dean of Board of Regents. Dr. Martin served as Chairman of Graduate Council, member of Curriculum Council, College Senate, and Division of Education.

Administering policies set by the 12 member Graduate Council and promotion of the graduate program in every possible way are duties of this office.

Dr. Martin assisted the Graduate Council in revising policies so they reflect current thinking and changes needed when moving to the semester plan.

# Administrators Promote Student Welfare

Students often pay a visit sometimes on their own and then other times by request, to Dean Boucher in the Student Affairs Office.

Under the direction of division head Henry Boucher, the division of Student Affairs was in charge of the administration and supervision of student conduct and discipline, student organizations and social activities, on and off campus housing, student aids, awards and scholarship, student employment, and other non-academic activities concerned with the general welfare of the students.

Dean of Women, Rita Gramann worked with beginning freshmen, set up the social calendar, distributed the monthly activities calendar, and made her office available to the College co-eds. She served as faculty sponsor of the Panhellenic Council.

Orientation, advisement, and enrollment of all new freshmen students were the responsibility of Dr. William Kunzler, director of Freshman Enrollment. This was the first year for a Freshman Council on the College campus.

Housing of students both on and off campus was the chief responsibility of the Director of Housing.

Students seeking financial aid while attending college frequently visited the Director of Financial Aids who placed qualified students in positions on the work-study program.

Assisting co-eds, particularly in social life, is Rita Gramann, dean of women.

Jerry Gregory and Dr. William Kunzler advise freshmen.

Financial aid to students comes under Wayne Newman's office.

Housing arrangements are made through Al Holzmeier.

## Morris' Department Maintains Campus

Activities which extended the services of the College to the area it served were the main concern of the Division of Extension Service. The division is composed of the Bureau of Placements, the Bureau of High School Educational Activities, the Bureau of Audio-Visual Education, and the Bureau of Correspondence and Extension Teaching.

Continuing to meet the ever growing needs of public schools and the communities served by them and offering many academic courses and educational services through the various bureaus in the Division of Extension Service was a constant process for the division.

## College Courses Offered Through Extension Division

Maintenance Division is in charge of taking care of all campus buildings, grounds, and all non-instructional materials on the NMSC campus.

Departments under the direction of Howard G. Morris are the College engineers, firemen, carpenters, painters, electricians, security patrol, custodians, gardeners, and other personnel of the maintenance forces. His four chief assistants are: Gene Schneider, chief engineer; Don Barnett, head custodian; Dee Eitel, head gardener; and Dick Newman, chief of security.

William Cable  
Director of  
Publications

Responsible for initiating and sustaining a program which will keep the various publics informed of purposes, goals and achievements of the College is the division of Public Relations and Information Service. This is done by many methods including the use of publications, news media, conferences, meetings, correspondence, and other means of communication. To assist in the accomplishment of the above the Alumni Office, the Bureau of Publications, the school photographer and school publications all become involved in the public relations effort; so do all of the students, faculty and employees of the College who contribute to the total public image the College projects.

# Psychologists Aid College Students

Composed of four counseling psychologists and one psychometrist, who are available to College students desiring counseling or testing services is the professional staff of the Counseling and Testing Center. Dr. Robert M. Wright directs the Center.

In addition to providing counseling services to students with problems of educational or academic nature, the Center assisted students in making vocational plans based upon their measured interests, aptitudes, and other factors important to making a realistic vocational decision. They counseled with students who had personal, social, or emotional problems and who sincerely desired a solution to their problems.

## Registrar's Office Keeps Student Records

Keeping accurate academic records and preserving the integrity of the academic credit of the College are part of the office of the Registrar's responsibilities.

Dr. Bowers was assisted this year by Tom Sommerkamp who was responsible for the improvements in arrangements for quarterly registration.

Ending the academic year for the Registrar's office was submitting names of students to the Dean of Instruction who have fulfilled the requirements for graduation. Other duties included admission of students, certification of credits to State Departments of Education and to other colleges, evaluation of credits, recording and reporting of grades, furnishing of transcripts, and maintaining a cumulative permanent record of all students enrolled at the College.

Assistant to the registrar, Tom Sommerkamp, and registrar, Orville Bowers, pause briefly between appointments.

## Student Union Building Hub of Campus Activity

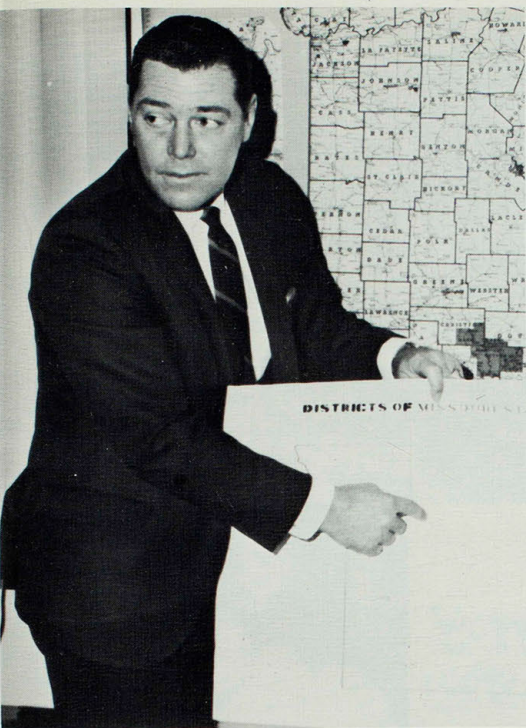

In its second year of operation, the Student Union continued to be the center of social, academic, and leisurely places of meeting and activity.

Kenneth Sykes directs the Student Union and its various departments of service. Jean Elliott, as secretary, assisted Sykes in many of his endeavors.

Student Union remained open 7 a.m. to 10:30 p.m. each day of the academic year in order to give all students an opportunity to take advantage of the services offered by the Student Union.

Kenneth Sykes, Student Union director, uses the phone to set up one of many SUB activities.

Charles J. Elam, Director of Admissions, points out present Missouri college districts in his Laughlin Hall office.

## Director of Admissions Assists New Students

Determining the condition of students' admission and academic standings is an important part of the Admissions office before they write prospective students letters of acceptance. The Admissions office assists new and prospective students and disseminates to these persons information, literature and other facets concerning the College, its services and facilities, in hope of attracting students to the College campus.

Senior Day, an annual project, invited high school seniors of this area for campus visitations. Charles Elam is chairman of the committee.

Pete Nicoletti, head of the Division of Business Service, confers with Marion Johnson concerning College finances.

## Business Service Keeps College Financial Books

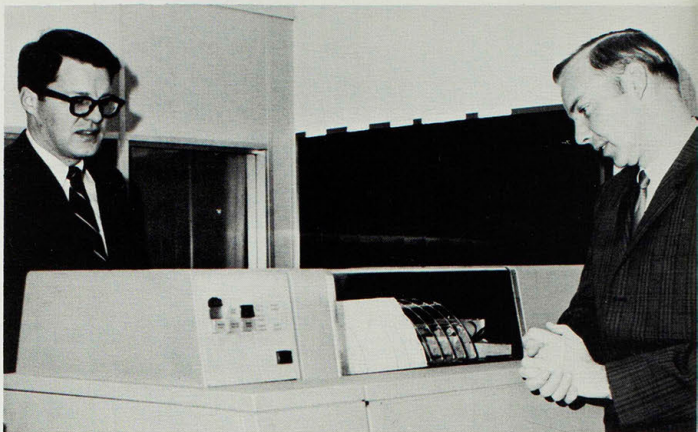

Carrying out the business and financial books of the College was the chief responsibility of the division of Business Service. Within this division was the Purchasing Agent, who made all the purchases for the College upon proper requisition; the Comptroller who administered the internal budget of the College and certified the Purchasing Agent that the expenditures were within the division's appropriations; the Stenographic Office which was responsible for all stenographic and duplicating service used by the College; and the Telephone Exchange which provided communication service for NMSC students and faculty.

# Efficient Computers

Academic and administrative areas kept the computers busy during the 1968-69 year.

Registration and other major activities on campus were efficiently organized and recorded, keeping the computers busy at all times.

All departments on campus used the IBM Computer to process various materials. Student records were entered through the Data Processing Center helping teachers and students become aware of information more rapidly, efficiently, and with less effort.

Computers run by the touch of Robert Bradley and Ted May.

# Medical Care Available

Throughout the year hundreds of students entered the College Health Office to obtain the services provided by the clinic. The Health Office provided the students with medical assistance for ailments ranging from headaches to the flu epidemic.

Thousands of capsules were dispensed and hundreds of inoculations were given to students under the supervision of Dr. John Biggerstaff and three registered nurses.

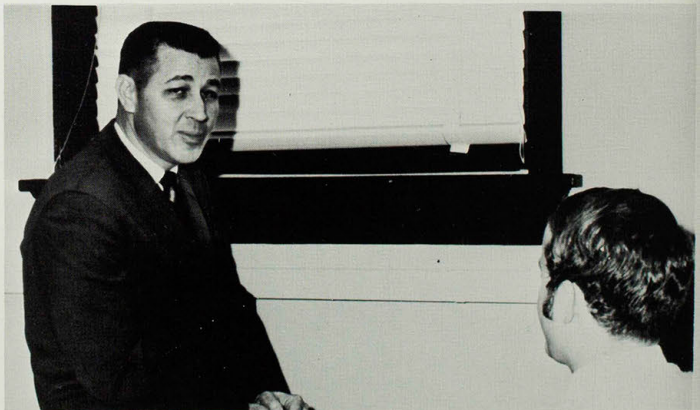

Fix 'em up, Dr. Biggerstaff!!

# Upward Bound Provides Aid

Upward Bound is a special pre-college preparatory program for high school students from low-income backgrounds and inadequate secondary school preparation. Instructors and tutor-counselors are selected for their ability to identify with the Upward Bound type of student, and their willingness to try innovations in teaching.

High school students in grades 11 and 12 in Upward Bound are allowed to earn a maximum of 12 semester hours of college credit during their three summers on the college campus. A special curriculum provides opportunity for creative thinking by both students and instructors.

Basil Morlan discussed the Upward Bound program with a prospective student.

Dr. Kauzlarich keeps in typewriting practice.

## Business Courses Vary According to Degree

Offered by the division of Business Education are three degree programs for students interested in business. Upon completion of one of the programs, a student could receive the Bachelor of Science in Education, or the Bachelor of Science degree, or the Master of Arts degree.

Also made available to students are classes for those not majoring in business who sought prepara-

tion for office and secretarial training with one and two-year terminal courses.

Carrying with the satisfactory completion of the secretarial course on the one or two-year plan was a Certificate of Completion. Students who completed the program with an average of B or better received special recognition with honors.

# Education Division Strives Toward Ideals

Faculty members of the Education division helped prepare approximately five-hundred students who will enter the teaching profession in the fall of 1969. According to Dr. Taylor Lindsey, head of the division, the division strived to prepare these students to become teachers, guidance counselors, principals, and supervisors for schools in Missouri and throughout the nation.

Education courses stressed acquaintance with children and youth, and presented more on understanding of school organization. Through these two ideals it was hoped that the skill in the art and science of teaching, plus an understanding of the democratic role of the public school, was gained.

Degrees administered by the division were the B. S. in Education in elementary education, the M. A. in elementary education, elementary school administration, and elementary school guidance. Also, the M. A. in secondary school administration, and secondary school guidance were offered. Graduate work in various fields was continued by many students at the College.

## Cultural Opportunity Provides Interaction

Objective of the division of Fine Arts is to provide the campus community with opportunities for interaction with the world of cultural and aesthetic events, and with the students' own artistic heritage. Each of the several areas of fine arts—music, visual arts, and allied arts—helps in its own way to promote such goals.

Specific programs for the preparation of teachers in art, music, and allied arts are offered by the division. It also makes available service courses and opportunities to perform for students majoring in other fields who want contact with the fine and lively arts to enlarge their experience.

From the division of Fine Arts came programs in music from piano concerts to halftime entertainment at football games provided by the 'Marching 100.' Several art shows were on display throughout the year showing various art works done by students and faculty members of the Fine Arts Division.

# HPE Division Offers Health Methods Studies

Within the division of Health and Physical Education are fields of study in men's and women's physical education, health education, recreation, and nursing.

The division offers education and practice in correct health methods and administration and offers opportunities for participation in a program of extracurricular physical education.

The division also administers a sound program of inter-collegiate athletic competition and prepares professional nurses to serve the expanding needs of humanity in health and disease.

In conjunction with the division, the College is a member of the Missouri Intercollegiate Athletic Association (MIAA); National Collegiate Athletic Association (NCAA); and is a member agency of the National League for Nursing, and the department of Baccalaureate and Higher Degree Programs.

# Home Economists Obtain Daily Experience

Under the direction of Miss Elizabeth Wilson, a new development sprung forth in the Home Economics Division, the "Two-Year Certificated Occupational Program in Child Development." This program prepared students for employment in day care centers, child development centers, nursery schools, and recreation centers. Practical experience was gained while observing and working with three and four year old children of the campus Child Development Laboratory.

New visual aids were added to Mrs. Rose Shanight's teacher education class including an over-

head projector, spirit duplicator, telescoping metal easel, and a combination flannel board and metal chalk board.

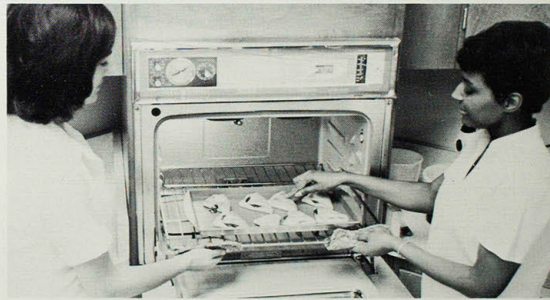

Junior and senior programs for home economics majors are based around advanced courses in coping with and solving household and family situations. During one quarter of the senior year, a home economics major lives in the Home Management House which places the student in an atmosphere where she can apply her personal learnings to home management.

## Diversified Areas Offered To Library Students

More on-the-job training in more diversified fields of library work for students pursuing a major in library science was offered to students due to the expansion of Pickler Memorial Library last year.

Training of public school librarians and part-time teacher librarians in accordance with state and national standards was available through the division of Libraries and Museums under the library science curriculum. Educational aims of the College were further endeavored by providing library science courses, library materials and library service.

Another major objective of the division is to promote the general education of each student with instruction in the use of libraries both in classes and individually when he uses the College library.

Supervising the entire Pickler Memorial Library, maintaining the College Archives and the specialty rooms of the library including the Missouriana Room, Glenn Frank Room and the Children's Library, is the responsibility of the division besides maintaining instruction in classes concerning library work.

Division chairmanship was the responsibility of Dr. Allen Whitmore, coming to the College campus after serving two years as chairman of the English department at the University of Dubuque in Iowa. Giving students more of a voice in determining programs was included in his plans.

Skills of oral and written communication, providing the fundamentals of literary understanding and appreciation, and offering introductory courses in the study of foreign languages and cultures came under the general education heading.

Numerous major fields of study were offered in the professional school resulting in receiving the Bachelor of Science in Education, the Bachelor of Arts degree, or the Master of Arts degree

## Mathematics Designed for Professionals

Mathematics courses were designed to prepare teachers of mathematics for secondary schools and junior colleges; to provide for the mathematics for education of the elementary teachers; and to provide courses of study in mathematics pertaining to professions in industry, business, and government.

Curriculum offered by the division provided an

opportunity for the student to begin his individual study of mathematics at an appropriate level where he is challenged and in which he could succeed.

Bachelor of Science in Education degree, Bachelor of Science degree and the Master of Arts degree are all available under the division of Mathematics.

# Dr. Nagel Replaces Otho Barnett As Head

Dr. Roland Nagel replaced Otho L. Barnett as the new Practical Arts head in September. Barnett retired after serving for 30 years.

Plans are underway for offering a two-year curriculum in Agri-Business and a one or two-year curriculum in Technical Drafting and Technical Woodworking. In addition, several new majors or options within a major will be available next year.

Completion in 1970 is awaited anxiously by the division of Practical Arts of their new building located in the southwest corner of the campus.

## Science Hall Addition Alleviates Congestion

Since the anxiously awaited opening of Science Hall addition, faculty members and students find that it has alleviated the congestion as a result of the large growth of students who showed an interest in the field of science.

This was the first year the division of Science offered the Master of Science degree. A fifth year program leading to the Master of Arts in General Science with a special emphasis on either biological science or physical science was offered during the year.

Biology, botany, zoology, chemistry, physics, and general science majors were available under this division. It also prepared a large number of students for advanced study in osteopathy, medicine, and engineering.

## SS Requires Courses For College Degree

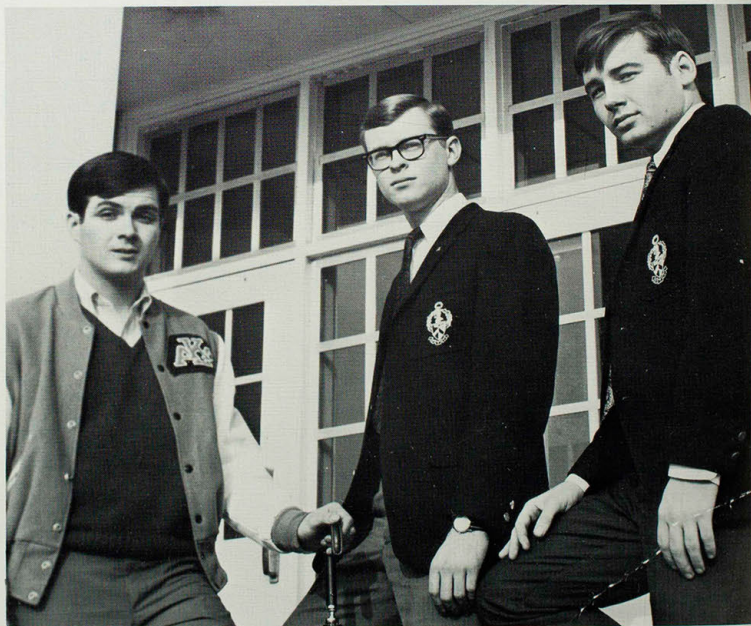

Comprehensive courses of the general college contributed heavily to the division of Social Science. Required course offerings included Western Civilizations as well as subjects among the directed electives.

Students majoring in elementary education, business administration, vocational home economics, and several other fields are furnished the required courses by Social Science to complete their degree work.

Majors offered under this division are in the fields of social science, history, economics, geography, psychology, political science and sociology which lead to the Bachelor of Science in Education degree. The Bachelor of Arts degree is offered in several of these three courses. In the fields of Social Science and History, a Master of Arts degree is made available.

## Wormsley Leads Student Council in '68-'69

Efforts by the constitution committee brings forth revision.

Led by Phil Wormsley, the 1968-69 Student Council made a monumental step in revising the student constitution and in establishing the Student Union board; thus enabling more students to actively participate in the Student Council.

Recognizing the impressive need for better housing regulations, the council drew up a list of housing resolutions, which was presented to the Kirksville city council for further consideration.

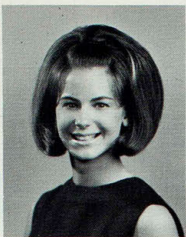

Beginning the year with homecoming activities, the Student Council sponsored the homecoming dance, and had charge of the homecoming queen election and coronation.

This year saw the Student Council move into an active program of activities, with the co-sponsoring of the Lyceum programs, which brought such talent as the "Happenings" and Pete Fountain; Student Council movies, the annual Christmas dance, the ECHO dance and "Twirp Week." The new pep band for basketball games was sponsored by the Council as well as the K-Dettes.

Sponsoring such events as the spring elections, contributing funds to projects and instigating new ideas are just a few of the ways that the student body saw their Student Council in action this past year.

## College Ushers Aid Campus Activities

Recognized easily by their "basic black" attire accentuated with purple and white carnation corsages, the College Ushers provided excellent service in assisting patrons of College programs.

Courtesy, vivaciousness, and beauty were three attributes displayed by the hostesses as they ushered throughout the year. The first activity ushered by this group was the St. Louis Symphony lyceum program. Following that, they assisted the Student Council in ushering for "The Happenings" concert. Other lyceum programs to which they extended their services included the Pete Fountain Jazz concert in Pershing Building, the Harrison Salisbury lecture, the Pennsylvania Ballet, the play **Black Comedy**, and Odetta, the Negro folk singer. Closing the year's activities was serving at Commencement exercises.

Organized in April, 1959, with the opening of the new College Auditorium, the College Ushers have been serving as ushers for numerous College functions. Basically the group has been present for Lyceum programs, concerts, commencement activities and other all-school affairs.

## Mentors Selected For Campus Service

Student Mentors are a tradition on this campus, dating back over several decades. They helped with orientation of new freshmen on campus and served as guides on Parents Day. Also, they helped with Senior Day in the spring.

Mentors were upperclassmen who volunteered for this important duty and who were selected on the basis of scholarship, personal adjustment, faculty recommendations, and a demonstrated interest in helping others adjust to campus life. The final appointment as a student mentor came from the Director of Student Personnel Services and mentors served for one year. They may be reappointed for another year and most student mentors serve for two years, unless they graduate first.

# Button Sales Begin Cardinal Key Year

Members of Cardinal Key began the year's activities with the annual sale of Homecoming buttons with proceeds financing the Nan E. Wade scholarship. The scholarship was presented in the spring to a selected, deserving college woman.

Christmas time found two large and beautifully decorated Christmas trees adorning Violette Hall and the Student Union lobby. Cardinal Key also co-sponsored the Library contest in the spring, and held its annual reception for honor-roll women students.

Judy Schmidt, President of Cardinal Key, served a two-year term as National Secretary, and Miss Leona Whitton, sponsor, was a National Advisor.

Cardinal Key is a national honor society for women of junior and senior status in American colleges and universities. Membership is limited to 25 women who show characteristics of high scholarship, outstanding leadership, character, and service to her school and community.

The Eugene Fair chapter of Cardinal Key was organized on this campus in 1934 and was one of the earliest chapters in America. It now has 33 national chapters with national headquarters in Flagstaff, Ariz.

## Blue Key Projects Consume 1,000 Hours

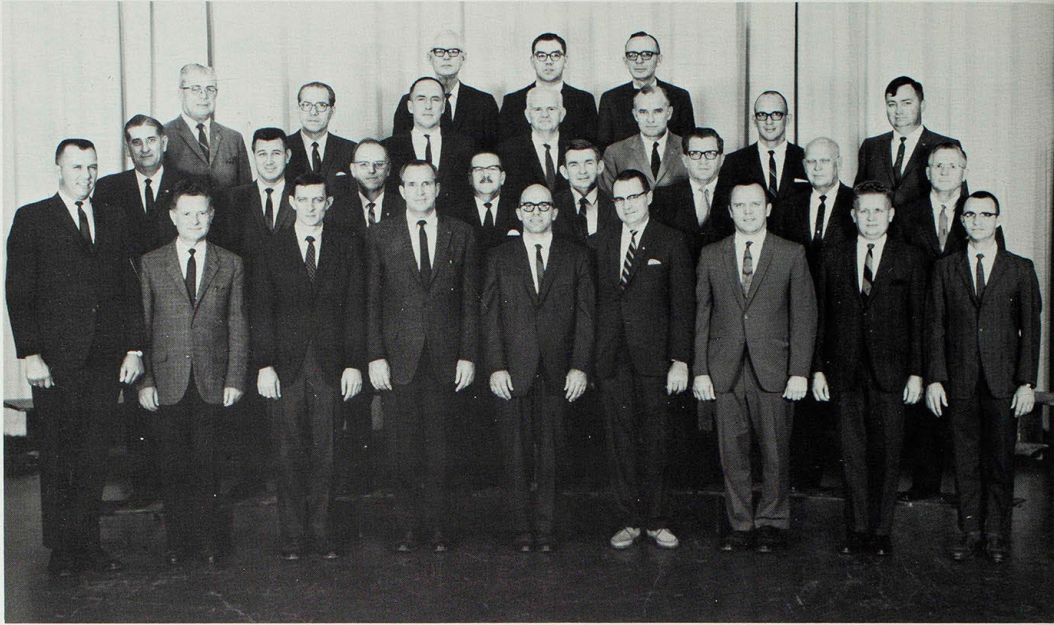

Blue Key Student Directories are compiled to make it easier for students to locate their peers.

Assuming the responsibility of the production and direction of the Homecoming Parade, the local members of the John R. Kirk Chapter of the Blue Key National Honorary Fraternity were off to a good start toward fulfilling the Blue Key motto: "Serving, I live."

This was closely followed by the compilation and distribution of the Blue Key Directory. These two projects consumed well over 1,000 man hours of work. Other Blue Key activities included maintaining the Travel Board, sponsoring the College Campus Bowl, and conducting campus tours on Senior Day.

Membership requirements include being of junior status, a cumulative honor-point-ratio of a minimum of 3.0, active membership in at least two other non-social campus organizations and high recommendations by three faculty members. The faculty sponsor is Dr. Eli Mittler.

## Phi Delta Kappa Led By James Preston

Phi Delta Kappa began in 1910 by a consolidation of three interdependent fraternities at Indiana University, Columbia University and the University of Missouri. Campus chapters are now found in colleges and universities throughout North America where graduate work is done. Students selected for membership are not always graduate students but at NMSC the local requirement is that they must have had one quarter of graduate work with superior grades. Since its beginning in 1928, the campus chapter has initiated more than 500 men.

Meetings were held monthly during the aca-

demie year and weekly during the summer session.

Officers for the 1968-69 year were: President, Jim Preston; Vice-president, Don Milliken; Second vice president, Larry Boleach; and Secretary-treasurer, Emil W. Green.

Promoting free public education as an essential to the development and maintenance of a democracy is the chief purpose of the international honor fraternity for men in professional education. The organization is based upon the cornerstones of leadership, service, and research.

## Kappa Delta Pi Centers Tea Around Teaching

Various Christmas gifts were collected by Kappa Delta Pi for the patients of the Fulton State Hospital. During winter quarter a tea was held for students getting ready to do their student teaching, enabling students and teachers to discuss student teaching informally.

In March, the district convention was attended at Maryville followed in April by a banquet to welcome initiates.

Kappa Delta Pi was founded on February 24, 1923. Its members are selected on the basis of scholarship, leadership, character, and service. To merit selection as a member, a student must have an honor point ratio of at least 3.0, five semester hours of education courses, and at least 64 semester hours of credit.

# Busy Year Enjoyed By Alpha Phi Sigma

Alpha chapter was commended by the National President, Dr. James Neilson, for not only being the first chapter to initiate new members for the 1968-69 school year, but also for having the largest group of new initiates in a single quarter. Their fall initiates, totaling 53, broke all national records.

In observance of their Centennial Tree's First anniversary on campus, the members took part in stringing it with Christmas lights of green and gold, the fraternity's colors.

Membership requirements for Alpha Phi Sigma, national honor fraternity, are having a 3.0 honor point ratio for three consecutive quarters, regardless of one's academic field.

## Alpha Phi Omega Slated Outstanding

Epsilon chapter of Alpha Phi Omega assisted the Kirksville chapter of the Junior Chamber of Commerce and several local scouting clubs during the year. The year's projects were opened by arranging the pre-game activities, distributing an events program for homecoming, and providing assistance with the Homecoming parade.

Social activities were highlighted by sponsoring the annual Ugly Man Contest. United Fund and the Heart Fund received the proceeds from the contest.

Under the direction of Arthur Harrington, Epsilon chapter was chosen as one of the outstanding chapters of Alpha Phi Omega in the United States this past year.

## Kappa Omicron Pi Stresses High Ideals

Many of the programs of Kappa Omicron Phi placed emphasis on professionalism: Mrs. LeVerne Wellborn presented a program on her experiences teaching home economics in Jamaica; Mrs. A. L. Fritschel spoke at the Founder's Day Banquet in December about the responsibilities of the wife of a professional husband.

In March, Miss Glessa Tucker, District Welfare Supervisor, spoke on working with low income families. Other programs centered around the McGrath Report, what a home economist is, student teaching, and graduate and doctoral work.

Beta Nu Chapter of Kappa Omicron Phi, a national Home Economics Honor Society, was initiated on the campus on May 4, 1968. The purpose of the organization was to develop women with higher ideals of sane living, with a deeper appreciation of the sanctity of the home, and with broader social and higher intellectual and cultural attainments.

Alterations and repairment of clothes laid out the "Mending Day" schedule for those home economics students.

## Circle K's Emphasis: 'Tradition of Service'

Receiving its official campus charter in September, the Circle K Club launched into a challenging year. The big project of the year was the Missouri-Arkansas District Convention of Circle K.

Other projects were monthly visits at the nursing home, counseling and helping the disadvantaged youth of Kirksville, and several car washes. Circle K International, the largest college organization in existence, continued its tradition of service to the campus and the community.

## Pi Omega Pi Attends National Convention

Five members of Alpha Chapter of Pi Omega Pi attended the national biennial convention of Pi Omega Pi at the Palmer House in Chicago during Christmas vacation. The Convention was held in

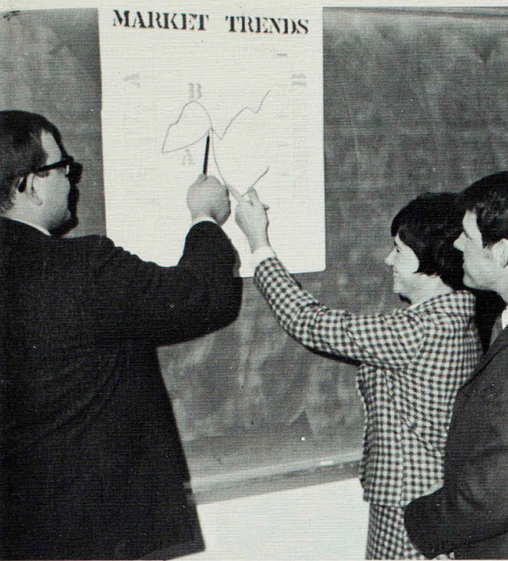

conjunction with the N-CBEA Convention.

Mrs. Joann Billington, past president of Alpha Chapter, addressed members of the group concerning problems of her first year of teaching business education in an area high school.

For members of Pi Omega Pi, a Christmas party was held in the home of Dr. and Mrs. Sprehe, sponsor of Alpha Chapter. Throughout the year Pi Omega Pi members participated in many social and business projects connected with the organization.

Selling Christmas package decorations was a project for Pi Omega Pi. Helping are (l-r) Harry Holderieath, Neta Richardson, Cheryl Hightower and Phyllis Domann.

## New Club Organized In Business Division

Organized in the fall, 1966, Business Administration Club received their charter last spring.

Their various campus activities were: sponsoring Lynn Trisko, Homecoming Queen candidate; car washes and invited prominent speakers to talk at their weekly meetings.

Their annual spring banquet, held this spring emphasized their main idea: To familiarize each business student with the common working world.

## English Club Prompts Original Performances

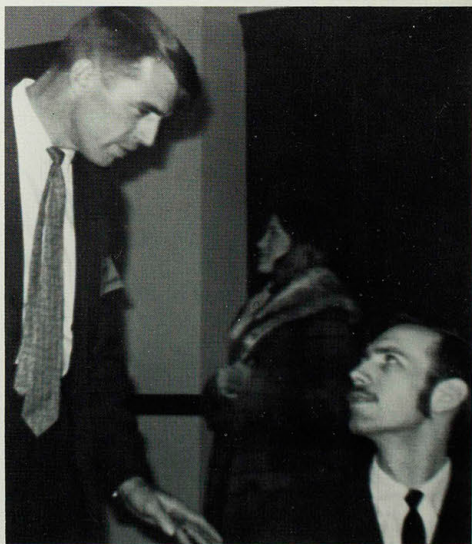

Making up the past year's agenda of the English Club were readings and informal prose and poetry originals shared by student and faculty writers.

These presentations were a few of the many programs enjoyed by the club. The traditional afternoon tea for the faculty of the Language and Literature division was hosted in the Student Union Alumni Room on December 11 by the members.

Organizing interesting programs and creating additional activities for students who desired to further their enthusiasm for English outside of class was the primary goal of the English Club during 1968-69.

All student members of the English Club were enrolled as junior members in the National Council of teachers of English organized in December of 1963 under the direction of Dr. Loren Grissom. The English Club was open to all students, faculty, and staff members at the College.

# Mexican Artist Visits Romance Language Club

Slides of Costa Rica, a Christmas "fiesta," and a Mexican artist who explained his works were enjoyed by the Spanish section of the Romance Language Club.

"El Club Espanol" was founded in 1962 as a professional organization with the primary purpose of stimulating an understanding of Spanish and Latin-American culture. A student does not have to be a Spanish major to benefit from these programs.

Emphasizing both technical work and cultural activities, the Spanish Club took an active part in providing training and rendering leadership towards stimulating and carrying out free conversation in Spanish.

Dr. Humberto Alvarez has been the advisor since the club was formed.

## Oral Interps Present Campus Programs

Oral Interpreters participated in the Central Michigan University Invitational Festival, served as critics for the Forensic Festival in Mexico, Mo. presenting a readers theater production of "Lisa and David."

Programs for campus audiences and civic organizations included: **Three Questions** ("Who Am I This Time?" "Who Knows?" and "Have I Ever Lied To You?"). Other productions were "The Reluctant Dragon," "The Thirteen Clocks," **Alone on a Wide Wide Sea** ("A Rose for Emily" and "Lisa and David,") and the annual Christmas Program, **Malcontents Miif Merriment**.

Another activity added to the agenda was the collecting for Multiple Sclerosis. This will become a yearly project.

Dr. Elizabeth Worrell founded the Oral Interpreters November 21, 1958, with the purpose of sharing an enjoyment of literature with both public audiences and other members of the group. Services and activities have grown considerably, reflecting the growth on a nationwide basis, of the art form itself of presenting literature through oral performance.

## College Players Display Stage Talents

In cooperation with the division of Fine Arts, five major theatre productions were presented during the year by the College Players. Showing a variety in technique and an adaptability to several forms of theatre, the College Players displayed their talents in Shakespeare's "As You Like It"; Beckett's absurd tragi-comedy, "Waiting For Godot"; Giroux's satirical fantasy, "The Madwoman of Chailot"; a recent Broadway thriller, "Wait Until Dark"; and the Strauss opera, "Fledermaus".

Six distinguished films of international acclaim

were made available to students and townspeople through the efforts of the Film Club which is sponsored by the College Players.

Besides performing on the stage, members of the College Players were also responsible for "behind the scene" work which included directing, lighting, costuming, make-up, set building and prop gathering.

Students representing all major fields of study on campus were members of the 1968-69 College Players.

President Gary Burch presides over a monthly meeting of SNEA.

## Career Film Opens SNEA's Active Year

This year two-hundred and thirty collegians joined the Student National Education Association, a professional association for those students planning a teaching career.

**No Teacher Alone**, a film to help build professional solidarity and stimulate more active participation in organization work, was presented at the opening meeting in October.

Highlighting the 1968-69 SNEA season was Professor Anthony D'Souza, a visiting Fullbright scholar and educator from India, who lectured about his homeland's educational system in comparison to that of the United States. Professor D'Souza has traveled worldwide in his educational pursuit as a visiting scholar and provided an enlightening factor to our campus, classes, as well as SNEA.

As a professional education organization, there are chartered chapters in accredited colleges and universities throughout the country.

## Student Teaching Hints Benefit ACE Members

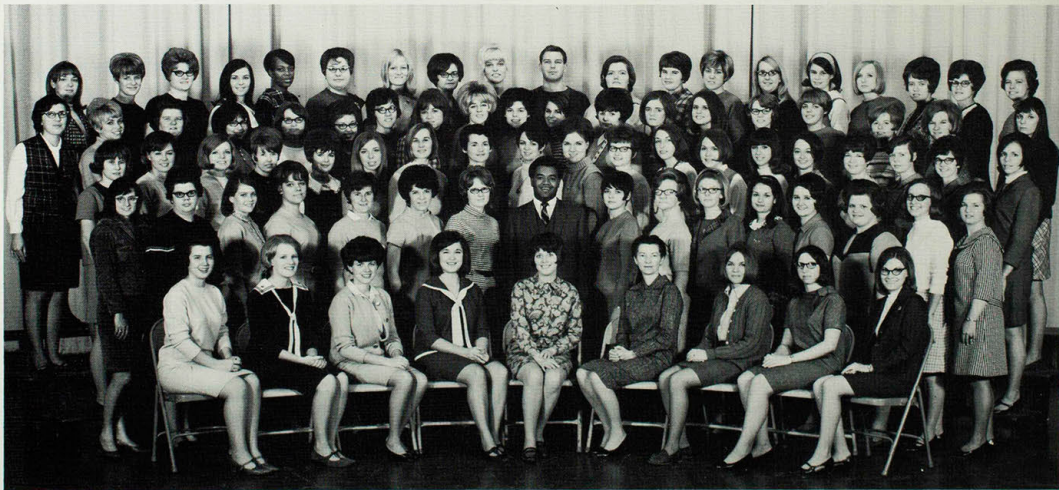

"Getting Acquainted" was the basis for the first meeting of the Association for Childhood Education with Dr. Grace McReynolds discussing the various aspects of the organization.

Guest speakers presented helpful hints for beginning teachers, securing teaching positions, creative teaching, teaching aids in the classroom, what to do to get the most benefit from student teaching, and foreign language teaching in elementary grades.

Highlighting the year was their Christmas party featuring children from the Kirksville elementary schools. Entertainment was provided by the Elementary Majors Chorus directed by Mrs. Claudine Terry.

This organization is primarily for persons majoring in elementary education.

## Observations, Ideas High Points of SCEC

Highlighting the year of the Student Council for Exceptional Children was the attendance of the annual CEC Convention in Denver in April. Giving students an opportunity to discuss informally some of their observations or ideas concerning exceptional children is the primary purpose of SCEC.

"To give every child the opportunity to function to the maximum of his potential" is the goal of the members of the Student CEC. It is composed primarily of special education and psychology majors but is open to any student who is interested in the exceptional child.

SCEC is affiliated with the International Council for Exceptional Children. Members receive a monthly journal, **Exceptional Children** and are entitled to the privileges of regular CEC members.

Forming on the College campus three years ago, the membership has grown approximately 30% over last year's membership. Organization sponsors are Dr. Jeffery Mitchell and Mrs. Kathleen Cheronnier, members of the Special Education staff.

## Colhecon Club Year Begins With Luau

Activities of Colhecon included a get-acquainted luau for new members, attending the district and state M.H.E.A. meetings, professional and social programs. Other activities included constructing a Homecoming float, attending the State American Home Economics Meeting, and a spring banquet honoring senior members of the group.

Members of the College Home Economics club are active in local, state, and national affairs. The club was founded in 1912, and then reorganized under the name of Ellen H. Richards club in 1922. In 1951, the name Colhecon was adopted for this College's organization. The purpose of the club is to promote a professional attitude for future home economists.

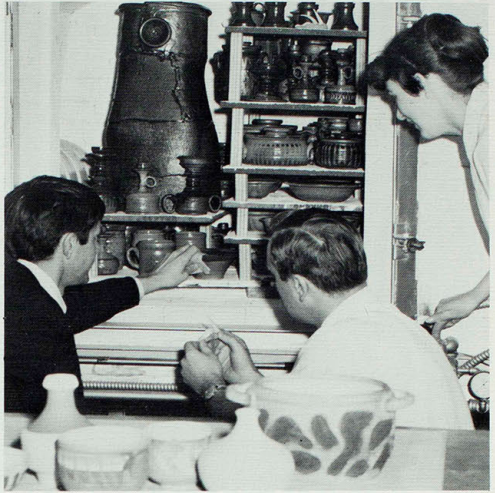

# Honorary Art Members View Art Galleries

Activities of the Honorary Art Club began the year with the sale of mums for Homecoming. The club displayed pictures done by art students in the President's office and the office of the Dean throughout the year. Membership requirement for the club is a minimum of 7.5 hours in art, with no honor point requirement in art to be met.

On March 20 the group took a three-day trip to Chicago to view the art institutes and galleries of the Windy City. They also participated in the annual Fine Arts Festival held on NMSC campus each year.

The aims of the club include 1) developing an appreciation of the arts 2) giving students further opportunity to pursue some phase of work they are interested in, and to serve the campus activities in an artistic capacity when it is needed. Due to absence of its sponsor William Unger, in the spring, William Murray became the temporary sponsor.

Members of the International club combined articles from their countries to exhibit for NMSC students. Approximately 22 countries were represented in the Violette display.

## Internationals Promote Campus Goodwill

Promoting good will and better understanding among nations are the basic aims of the International Club. Its members, both foreign students from 17 different countries and the United States citizens, enjoy sharing ideas and cultures from around the world.

Highlighting the club's academic year was the Christmas dinner given annually by Joe Burdman; International Christmas party; annual International

spring banquet; International variety show; and the Homecoming float.

Actively engaged in the many facets of cultural and social life on the College campus, the International students also spent a great deal of their time promoting world friendship and understanding among all students by sponsoring several special projects.

# Clyde Burch Lectures To Historical Group

Highlighting the past academic year for the Historical Society was a lecture given by Clyde Burch, delegate to the Democratic National Convention. The speech centered around his personal experiences in politics with an open discussion following the presentation.

Several lectures and programs were presented during the year which were open to the entire campus. Among these were slide presentations and personal views on the presidential election. The spring banquet in March was an important social event of the year.

Eugene N. Violette Chapter of the Historical Society was founded in November of 1906. Membership is open to any collegian or faculty member who wishes to associate with others who share interests in history or social science and who might enjoy the Society's special programs presented every month.

## Y.E.S. Creates Interest, Investigation

Prejudging high school science fairs, giving science demonstrations, sponsoring the state Y.E.S. convention, and spring Academic Contest were among the activities of the Young Engineers and Scientists. These off-campus projects are hopefully creating scientific interest and investigation by Y.E.S. high school chapters.

The purpose of Y.E.S. on campus is to en-

courage research, student-student and student-faculty communication and scholarship in the field of science.

Young Engineers and Scientists' first collegiate chapter at the College was founded in 1967. Requirements for membership are active interest in science and the training of youths. A minimum of 2.0 grade average is required.

Science enthusiasts experiment with plants to see what new factors they can determine. Research is one objective that is encouraged by Y.E.S.

## Spring Banquet Ends Aeolian Club's Year

Some highlights of the year for Aeolian club were attendance of state meetings, a fall picnic, Christmas party, and the Southwest District Convention held at St. Louis. Members of the Club helped with the spring music festival, contest, summer band camp, and recitals. The spring banquet brought to a close the year's activities.

Aeolian club is the local chapter of the Student Music Educators National Conference with membership open to all students interested in music. Along with business meetings, the club conducted professional meetings consisting of programs dealing with music education.

## NEMOs Deliver Concerts Throughout State

Highlighting NEMO Singers activities for the year was a concert tour of Missouri high schools in early March. Performances were also held in conjunction with Parent's Day, Homecoming Queen Coronation and Senior Day.

Christmas Candlelight Concert was given in December and the annual spring concert capped the year's activities.

Originally a group of 25 students called the Capella Choir, the organization was started by

Dr. Barrett Stout in 1932. In 1946 the Acapella Choir became the Light Opera Singers and was reorganized in 1950 as a part of the College Band.

Dr. Stephen Hobson formed what became the present NEMO Singers in 1958. The group now numbers 60 of the most talented vocalists on campus. Clay Dawson is director of the choral group.

## College Band Tour Includes Eleven High Schools

Under the direction of Tom Duden, the College Band appeared before various audiences throughout the year.

The band entertained at half-times during the football season, implementing a new style of field precision called Patterns of Motion.

Winter quarter break saw the band touring eleven high schools in Northeast Missouri in four days; spring quarter was begun with the annual post-tour concert in the College Auditorium.

With the aid of graduate assistant, John Schwarz, the band culminated the year with a spring concert and the 1969 spring Commencement exercises.

# Sinfonia Promotes School Enthusiasm

During the first year on the College campus, the Sinfonias of Upsilon Phi chapter of Phi Mu Alpha Sinfonia sponsored a music festival with outside dance bands, established a dance band on campus, and performed as a pep band at all home basketball games promoting enthusiasm and school spirit in their music. Sweaters were provided by the Student Council for the group.

Upsilon Phi was founded nationally on October 6, 1898, at the New England Conservatory of Music in Boston, Mass. From this beginning Sinfonia has grown into a professional music fraternity of 240 chapters. It was installed on the College campus May 18, 1968.

This international music fraternity has strived hard to carry forth the four basic purposes of the fraternity: (1) to advance the cause of music in America, (2) to foster the mutual welfare and brotherhood of students of music, (3) to develop the truest fraternal spirit among its members, (4) to encourage loyalty to the Alma Mater.

Any student with an active interest in music and who belongs to a campus music organization is eligible for membership.

## Concerts Open Clarinet and Brass Choir Year

Activities got under way for the Clarinet and Brass Choirs when they presented a joint concert in Baldwin Hall. During the Thanksgiving holiday, the choirs toured various high schools in Northeast Missouri.

Later in the year, several schools in the St. Louis area enjoyed the joint efforts of the choirs. The Clarinet Choir joined the University of Illinois choir in a joint spring concert on campus.

Now in its tenth year of development, the Clarinet Choir has grown to 25 members with approximately 65 percent of the members as non-music

majors. The Brass Choir, composed of 14 members, is in its fourth year of development. Nearly all the Brass members are music majors. Both groups are highly selected and are comprised of the top brass and clarinet players on campus.

By playing in smaller ensembles, it helps to develop the individual performer. Each choir is yet another medium of musical expression with a different sound than a band or symphony orchestra.

Under the direction of Dr. Richard Weerts and Dr. Harold Copenhaver, the Clarinet and Brass Choirs have performed on television and radio.

## Tchaikovsky's Works Presented By Orchestra

Concerts and programs were performed by the College Symphony Orchestra for students and faculty throughout the year.

Constituting the fall program was "Symphony No. 5 (The New World)" by Anton Dvorak, "The Overture to the School for Scandal" by Samuel Barber, and the first movement of the Tchaikovsky "Violin Concerto," played by Jerry Ozipko.

Featuring soloists Jeff Piper, John Malvin, Sherry Wells, Mike Farnsworth, Dave Evans, Marvis Rinehart, Cheri Black, Janet Simmons, Carolyn Mack, Jerry Ozipko, Lynna Mower, Sally Mueller,

and Barbara Brown in works by Boch, Vivaldi, Mozart, Tchaikovsky, Rachmaninoff, Cilea, and Puccini made up the Annual Concerto Concert.

During the spring quarter the orchestra presented an alumnus, Jack Ranny, playing the Saint-Saens "Introduction and Rondo Capriccioso" for violin and orchestra, and the Concerto Grosso No. 1, by Ernest Block.

Under the direction of William Fitzsimmons, the Orchestra assisted in the production of the opera "Die Fledermaus," by Richard Strauss and performed The Messiah by Handel during Christmas.

## Elementary Chorus Makes Appearance

Throughout the year members of the Elementary Majors Chorus strived to learn more about music and music techniques on the elementary level.

The chorus made several personal appearances

during the year including the Annual Faculty-Student Christmas tea.

Developing choral techniques, increasing sight reading ability and providing repertoire appropriate for elementary schools and college women's groups were the primary aims of the Elementary Majors Chorus for the past year. Application and hard work by the members gained them a great deal of practical experience which they will find useful in their futures as elementary majors.

Under the direction of Mrs. Claudine Terry, the Elementary Majors Chorus practices for one of several public appearances that they make throughout the year.

## Student Nurses Aid Community Projects

Working in the nurseries of the Methodist and Assembly of God Churches; providing help and assistance to the Bloodmobile were service projects participated in by the Student Nurses Association.

Several members toured hospitals and the Mayo Clinic in Rochester, Minnesota. Jo Nell Tucker represented the local association at the State "Student Nurse of the Year" contest in Jefferson City.

Business meetings were highlighted by various speakers and informative movies.

# Psychologists in Second Year

Beginning its second year on campus, the Psychology club initiated, promoted, facilitated and supplemented an integrated working knowledge and understanding of some of the principles of the interrelated fields of psychology.

Field trips and guest speakers as well as individual member presentations were main activities of the club.

Psychology club aims during the year were to foster the clarification and exchange of ideas and creativity of its members and offer fellowship to those having a professional, intellectual interest in psychology.

## Lockett Heads Philosophy Club

Discussions ranging from religion to the moral code of today's youth were presented by members of the Philosophy club during the year.

Mitch Lockett, chairman, led the group in its second year on campus. Henry Smits, Social Science, was faculty advisor.

The purpose of the Philosophy club is to bring together views of different disciplines to discover differences and similarities. The programming was designed to encourage membership from many students in diversified fields.

Carol Weir, member of the Philosophy club, speaks to the students on her philosophical views.

Steve Wilcox and Randy Hill were two pre-law members competing in the College Campus Bowl.

## Pre-Law Club Works With Bar Association

Each quarter the Pre-Law club brought several notable speakers in diverse fields of law to the campus. Those fields represented this year were: juvenile delinquency, criminal, corporate, international, penology, criminal etiology, and the court system. Members also attended judicial trials in Adair County.

Providing an opportunity for the Pre-Law club to work with the Bar Association was the annual banquet to commemorate National Law Day. The banquet culminated a successful year.

Sponsored by Clyde Burch, faculty member and College attorney, the club completed its second year as a chartered campus organization. "To provide prospective attorneys and other interested students of the College with an organization through which they can acquire knowledge pertinent to the law and/or the preparation and subsequent practice of the legal profession" is the purpose of the organization.

## Campus Projects Keeps PEM Club Active

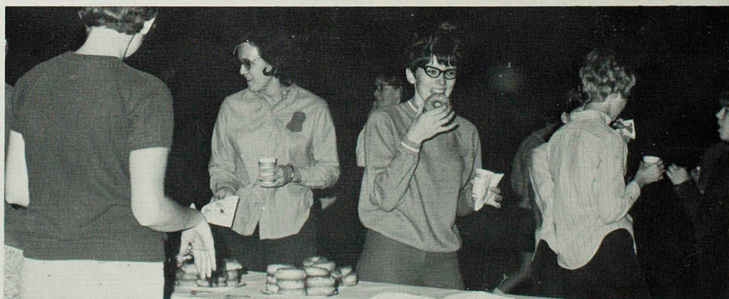

Physical Education Majors Club began their activities program for the year by attending a demonstration lecture at Kirksville College of Osteopathy.

Throughout the year, P.E.M. remained active with special campus projects which included discussions of company opportunities and experience films in the field of physical education, the annual Christmas party and chili supper; also several outstanding guest lecturers on physical fitness and other

vital topics such as "Mental Retardation: Implications in Physical Education" and "Comparison of Two Levels in Physical Education: Secondary and Elementary."

Activities for the year came to a close for P.E.M. Club with the election of new officers for the coming year and the announcement of the recipient of the Sheryl Fullerton Grim Memorial scholarship.

## Extramural Teams Play Area Colleges

Several Sports Days were arranged by members of the Women's Recreation Association throughout the past year. One of the highlights was the invitation of basketball teams from Iowa, Illinois, and Missouri by the WRA to participate in their annual basketball sports day.

WRA sponsored the extramural teams which played several teams from other colleges in the area. These events included field hockey, which compiled a 4-0 record, and basketball and softball teams.

Also held this year was an orientation picnic and a Christmas party; climaxing the year was the spring banquet, at which time awards were presented to intramural winners and new officers were installed.

Goals of the WRA are to provide an opportunity for all women students of the College to participate in variety of sports, dance and recreational activities.

## New Outfits Clad K-Dette Marchers

Lively dance routines and snappy precision marches provided a prodigious amount of entertainment for spectators during halftime shows at various athletic contests during the year.

Homecoming parade brought the K-Dettes out for their first appearance. As the Bulldog basketball team took to the hardwood, so did the K-Dettes as they presented their first indoor routine at halftime of the initial basketball contest. Several more ap-

pearances by the all-girl drill group were made throughout the basketball season.

New uniforms were acquired for the K-Dettes with the help of Dean Boucher, the Student Council and the Athletic department.

Under the sponsorship of Al Srnka, with student direction from Sheri Povendo and Lynda Hutcherson, the K-Dettes practiced several hours a week.

# K-Club Promotes Complete Overhaul

Northeast Missouri State College Varsity club was the new name bestowed upon the campus letterman's organization formally known as K-Club. Under the direction of Steve Garrett, President, the organization experienced a complete overhaul that has greatly enhanced the club allowing it to rank as equal to any other in the Missouri Intercollegiate Athletic Association.

Not only was the name new, but there was also a new emblem decided upon that will begin to appear next fall. Instead of the "K" there will be an "M" with NE and STATE appearing on it.

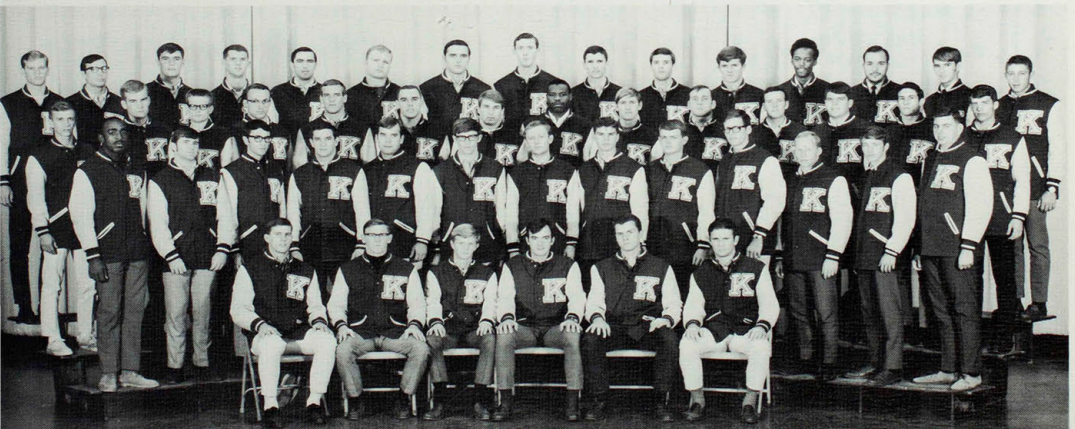

Men of Varsity club have moved into a role of upholding the Bulldog spirit, both on and off the athletic field as shown in the many areas of academics and activities that they participate in. Among these were dances held after the basketball games, and they also sponsored the large all-sports banner displayed on the east wall of Pershing Arena. To provide funds for the R. E. Valentine Memorial Scholarship, Varsity club held their annual candy sale.

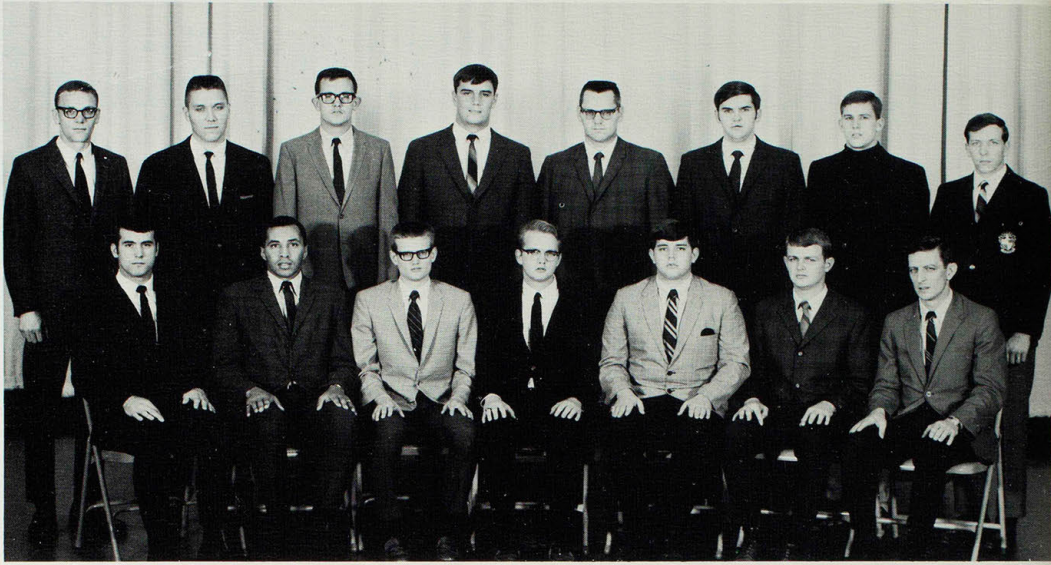

Steve Garrett and Dave Romberg, past and present recipients respectively of the R. E. Valentine Scholarship, compare notes.

## Men's Phys. Ed. Club Acquires Microfilm

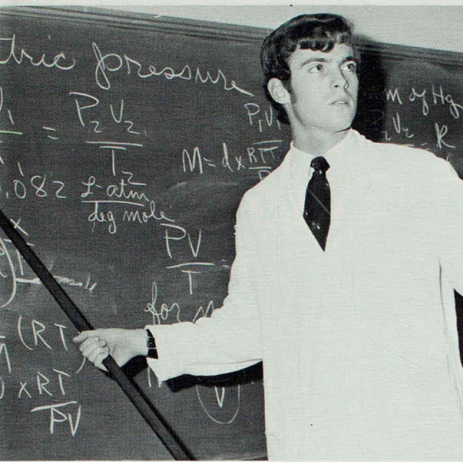

As a service to the school, the Men's Physical Education Club has purchased, on microfilm, the past ten years of the periodical, "Scholastic Coach." This microfilm was placed in Pickler Memorial Library for the use of the entire school.

In its second year of operation, the club continues to provide service to the campus. The club has assisted in pre-registration activities, and has also assisted in collecting tickets at the football and basketball games.

Service to the College and the development of professionalism, leadership, and scholarship in physical education is the primary function of the Men's Physical Education Club.

## Science Programs on Sigma Zeta Agenda

Major activities of Sigma Zeta were monthly meetings with program presentations in various fields of scientific interest. The year's activities ended with the annual spring banquet given in honor of the newly initiated members.

Delta Chapter of Sigma Zeta is the national honorary science and math society on campus. Active membership is open to junior and senior science or math majors who have maintained a high honor point ratio. Associate membership is extended to freshmen and sophomore students who have the potential of attaining active membership requirements.

Objectives of the organization are to encourage continuing advancements in the fields of science and mathematics, to promote and recognize scholastic achievement, and to foster friendly social activities.

## I.A. Club Receives First Place Trophy

Highlighting the year's activities for the Industrial Arts club was winning the first place trophy in the mechanical division of the Homecoming parade. This trophy has been awarded to the club for the past several years.

Planned trips to industrial sites and fund-raising programs expressed the earnest willingness of each member to fulfill his part in the organization.

Ideas are pooled yearly for constructive development of the Industrial Arts Division. The main objective of the club is to create interest in the field of Industrial Arts for its majors and minors. It is classified as a professional and social organization which has completed 28 years on the College campus.

There were fifty-seven members in the club this past year; each had to have a minimum of 2.5 in his major field of study and a 2.2 overall honor point ratio to qualify as a member.

# Agriculture Club Assists in Contests

During the year, the Agriculture club toured the United States Dept. of Agriculture Experiment Station near Peoria and the Caterpillar, Red Brand Fence Company, and the Purina Research Laboratories in St. Louis. Other facilities which are involved in the utilization of small grains were also toured.

Miss Brenda Chancellor, freshman from Rutledge, Missouri, was sponsored as the club's candidate for the American Royal.

Assistance was provided in the judging of the district F.F.A. contests for the Northeast Missouri high schools. Qualified contestants went on to state competition.

In November, 40 new initiates were welcomed into the club, thus raising the active membership to 65.

Terminating the year was the annual picnic at Thousand Hills State Park honoring graduating seniors.

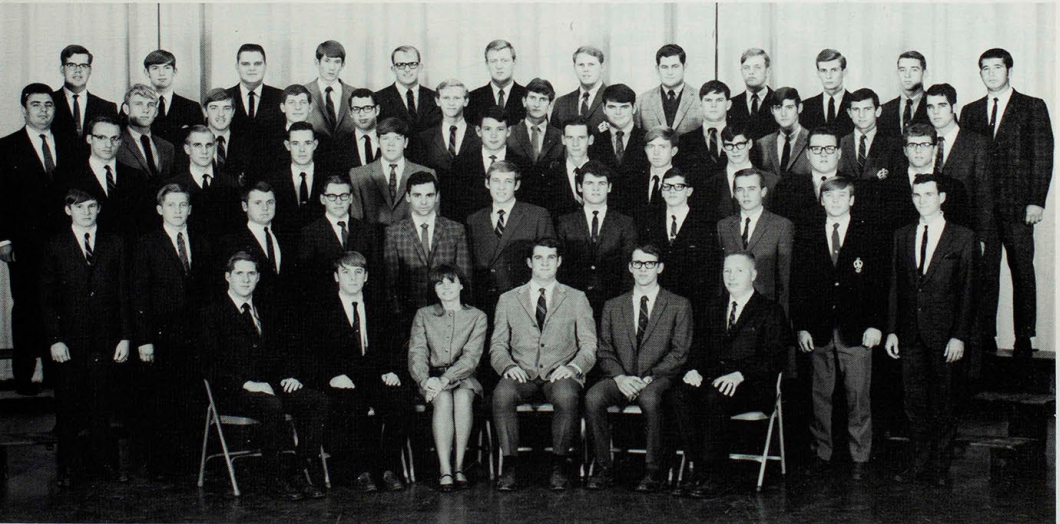

The Agriculture club is a professional-social organization dedicated to the purpose of increasing interest in various fields of agriculture.

Several of the Agriculture club's 40 new members undergo the trying circumstances of initiation.

## Vets Raise Colors; Serve Area, Campus

Members of the Ronald K. Cullers Memorial Veterans club entertained underprivileged children of the Kirksville area at their annual Christmas party. Providing holiday spirit and gifts highlighted the Yuletide gathering.

With representatives from all branches of the Armed Forces, the Veterans club provided the campus with assistance during Homecoming and at registration. The Vets also proudly raised the Colors prior to all College football games.

Six members of the College group are vets of the Viet Nam conflict.

The Vets club was established in November of 1966 and was designated Ronald K. Cullers Memorial Veterans club in honor of the first graduate of the College to be killed in the southeast Asia war.

Prior to a football game, Vet club members raise the flag.

ointing out the 4-H's and discussing their meaning began the 4-H year.

## Collegiate 4-H Club Increases Membership

Call/Out Night for the Collegiate 4-H Club acquired many new members for the organization. Speakers, including an International Farm Youth Exchange member, spoke at their monthly meetings.

One of their service projects was to help clean up the campus. The club enjoyed Christmas caroling during the holiday season.

Founded last spring quarter, the 4-H club is a service and social organization for the college and the surrounding community. Phillip Stryker and Miss Charlotte Revelle are advisors for the club.

## Young Demos Busy During Election Year

With 1968 being an election year, the Young Democrats got an early start on their campaign. Debates, guest speakers, who gave their interpretations and views on the national political scene, and a general discussion of politics were the points for center of attention.

Chartered in 1960, the Young Democrats club was the first chartered political organization on the College campus for the advancement of a national party organization's welfare. National affiliation was carried out by providing assistance with the local headquarters during the national campaign.

## Young Republicans Celebrate Victory

"An Introduction to Politics" was the theme of the campus Young Republicans during this school year. Under the direction of President Steve Hilkwitz, the YR's participated in area rallies, discussions, and debates throughout the year.

With 1968 an election year, the YR's took the lead in introducing the student to the field of politics by scheduling guest speakers and attending area conferences and coffees, meeting several state-wide candidates including Larry Roos and Jack Danforth.

"Victory in '68" the Republican campaign theme was celebrated with a YR party on election night. YR's participated in the college "Politics 68" debate and received state wide publicity for their efforts throughout the year. With a continued program of guest speakers following the elections, the YR's gained a better insight to the profession of politics.

## BSU Choir Performs On Bi-State Tour

"Great Pumpkin Protests Bears" was the theme of the homecoming decorations for the Baptist Student Center with a 15 foot papier-mache pumpkin covering the entrance.

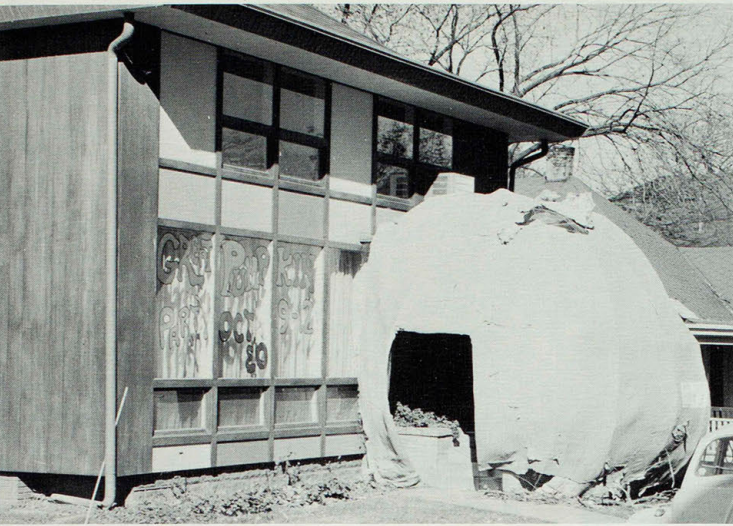

Composed of volunteer students interested in singing, the Baptist Student Union Choir placed emphasis on a folk musical entitled "Good News" performing short tours throughout Missouri and Iowa. The 35 voice choir was directed by Mickey Green and accompanied by Barbara Martin. One of the bi-weekly vesper services included a well attended LSD movies.

In early December the BSU held a used book

fair where students traded books they no longer needed for those they did. A Franklin and Brown Negro History Club art display was exhibited during winter quarter.

Officers Jan Culbertson, Diana Newquist and Pauletta Garr, of the Young Women's Auxiliary planned the spaghetti supper, sweetheart banquet, bunking party and caroling activity.

BSU functions in and through the local church but centers its planning and leadership in an Executive Council on the campus. This is a youth organization of Baptists in higher institutions of learning.

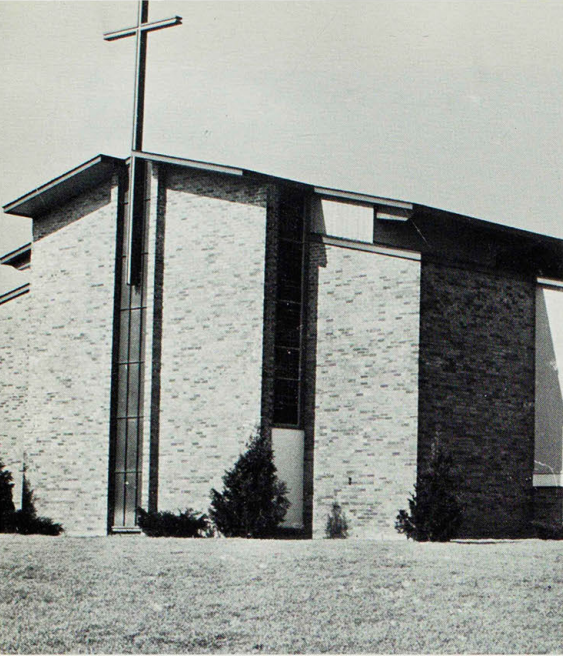

During Homecoming the BSU decorated and enclosed its entrance with a large 15 foot paper-mache pumpkin with the theme "Great Pumpkin Protects Bears."

Guided by a pastor, faculty sponsors, and officers, the members of Gamma Delta completed successfully a wide span of activities which included two church services, a fellowship dinner, a Christmas party for the International students, an initiation banquet for the new members, various discussion groups, the winter conference in Carbondale, Ill., and a real "hill-billy hoedown" for the fall retreat in Fayetteville, Ark.

Making a bookcase for the Gamma Delta room in the basement of Faith Lutheran Church at Baltimore and LaHarpe Streets and revising the chapter constitution were other accomplishments of the Delta Xi Chapter.

Gamma Delta is an international organization of Lutheran college and university students which promoted Christian knowledge and services to the church, community, and school.

Wesleyans move into new facilities

## New Center Acquired For Wesley Foundation

Wesley Foundation, the Methodist unit of the United Campus Ministry, seeks to develop and include religious growth within college life. Acquiring a new building this year, it is equipped to render service for meetings, study, cooking, and fellowship. The group, under the direction of Rev. Dick Todd, is striving to utilize this new center for the benefit of the total college campus.

Programs for the Wesley Foundation ranged from impromptu gatherings to Sunday evening speakers. The speaker's topics varied as did service projects and social functions carried out for those inside and outside the campus community. Some of this year's social activities included the Get-Acquainted Picnic, a hay-ride, the International Banquet, Christmas caroling, and the annual Pancake Day.

## History Honor Society Stresses High Grades

Nu Chi Chapter of Phi Alpha Theta, national honor society in History, was installed at the College May 11, 1968, by Dr. Homer L. Knight, national president of Phi Alpha Theta.

Membership requirements are 12 hours of history with at least a 3.1 honor point ratio and a 3.0 honor point ratio in two-thirds of the remaining classes with a 2.86 over-all average.

# Radio Club Members Assist At Homecoming

During its second year, members of the Student Amateur Radio Club displayed their ability in communication by helping the Blue Key in its operations at Homecoming. In addition, a radio theory class was offered to the student body, and several radio licenses were obtained.

Radio transmitting and receiving equipment and training aids were made available to members. Amateur radio station WAOQWW continued to communicate with numerous stations around the world as well as various stations across the continental United States from the Club's radio room in Kirk Building. The Radio Club first received its charter in 1967.

## SS Committee Sponsors Campus Social Events

Responsible for the scheduling and publicizing of the various social events held on campus during the school year was the Student Social Committee. The committee was directly responsible to the Student Council and was under the direction of Council vice-president, Dave Romberg.

Some of the events held on campus this past year by the Student Social Committee were The Happenings' concert, Homecoming Dance, Echo Dance, and several after-game dances. In addition, the committee worked on several projects for an improved program for next year.

## Beta Tau Delta Links Twirling With Living

Initiation for new members into Beta Tau Delta and Beta Tau Alpha was held this year in conjunction with the annual Christmas party.

Beta Tau Delta sorority and Beta Tau Alpha fraternity, a national educational college co-organization for baton twirlers and drum majors, was under the leadership of Karladine Thurman, president. Mary Evelyn Thurman, instructor in baton twirling, again served the organization as sponsor.

Local chapters were founded in 1959 on the College campus by Miss Thurman under the guidance of Dr. Walter H. Ryle and Dr. P. O. Selby.

Organization objectives include upholding professional ethics, scholastic attainment, and establishing a perpetual bond of friendship among members. Activities are stationed around their motto "where twirling links learning to living."

# Cheryl Wilson Heads ECHO Staff

Cheryl Wilson, editor, and Joe Galkowski, advisor, discuss 1969 Echo layouts.

The "GO Year" began last spring when the ECHO committee selected Cheryl Wilson to head the 1969 yearbook staff. Also appointed at the time were: Mary Cox, business manager; Joyce McCall, copy editor; Marlys Dailey, layout editor; and Sam Berkowitz, sports editor.

During the summer preliminary planning such as theme and cover selection was done. When classes began in September, the final staff members were named and the regular Monday night meetings began under the supervision of faculty advisor Joe Galkowski.

Joyce Sevits was selected to arrange all pictures while Dave Mazur and Kerwin Rohr, official student photographers for the 1969 ECHO, took and printed the photographs.

# Panhellenic Supervises Fall Rush Activities

Sorority life on the College campus was regulated and coordinated the past year by the local chapter of the National Panhellenic Council. The Council is composed of three representatives from each of the six sororities with Miss Rita Gramann, Dean of Women, serving as advisor.

Supervising rush activities during the year was a major function of the Council. Panhellenic President, Donna Vignovich spoke at the beginning of the fall quarter to prospective rushees during an explanatory assembly concerning rush.

Annual formal rush began in late September with the Panhellenic Rush Tea, the first of the many rush functions held. After the parties and outings, the rushees announced their choice at the "Yell-In" on October 28. Pledge season opened with banquets and parties given in honor of the pledges by the sororities.

In the spring the annual Scholarship Banquet was held; at this time the Panhellenic Council awarded a full scholarship to a promising foreign-girl student and an award was given to the sorority with the highest average honor-point-ratio.

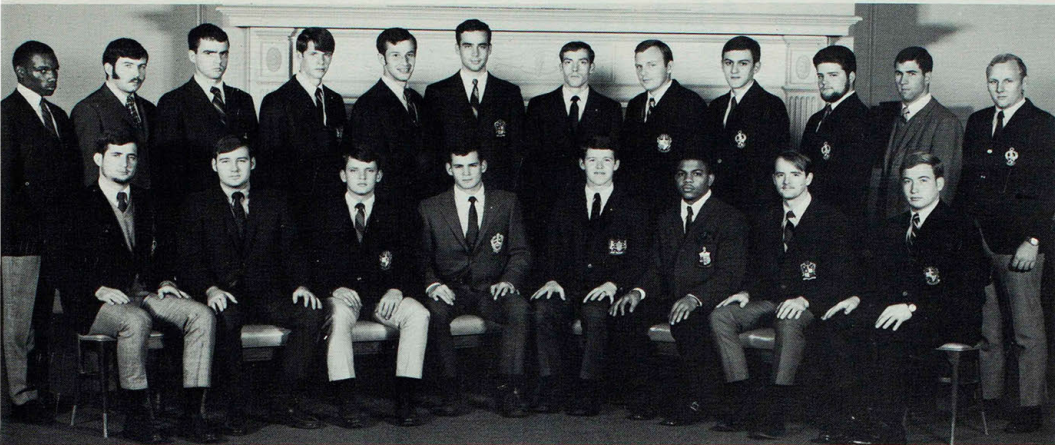

Panhellenic Council promotes inter-sorority cooperation, scholastic achievement, high social standards and worthy projects. Officers are selected on a rotation basis with each sorority having an officer.

## Inter-Fraternity Council Attempts Unity

Governing and conducting fraternity rush and sign-up were the two major responsibilities of the Inter-Fraternity Council during 1968-69. Greek Week, co-sponsored by the IFC and the Panhellenic Council, was another major project that the Council promoted.

To be eligible for pledgship, a student had to carry at least a 2.0 scholastic average and must be in good standing with the College administration. Pledge season came to a close at the end of the winter quarter with individuals becoming active members of their respective fraternity.

IFC was composed of three representatives from each of the six fraternities: Alpha Kappa Lambda, Kappa Alpha Psi, Phi Sigma Epsilon, Sigma Tau Gamma, Tau Kappa Epsilon, Phi Kappa Theta, and the new colony of Phi Lambda Chi.

Throughout the coordination of activities, the Interfraternity Council attempted to unite the fraternities in a spirit of friendly brotherhood and promoted scholarship, encouraged new fraternities, and developed existing chapters and individuals in the fraternity system.

Each week IFC representatives discussed plans for projects, pledging and activities. Howard Cox, IFC president, presides over the meeting.

# Alpha Sigma Alpha Wins Greek Awards

With a combination of physical, intellectual, spiritual, and social forces, Alpha Sigma Alpha embarked upon a year of exciting activities and pursuits. Janet Seals was first runner up in the Missouri Fair Queen competition held late in the summer. Class elections found Janet Thompson, sophomore class treasurer; Sherry Fletcher, senior class secretary; Lynda Hutcherson was elected secretary and Jill Snyder was elected councilwoman for the graduate class. Chosen a member of the Bulldog cheerleading squad was Marcia Mossbarger.

Alpha Sigma Alpha was honored to receive the Scholarship Cup at the annual Panhellenic Banquet last spring. The sorority achieved an honor point average of 2.888. Greek Weekend found the Alphas again victorious as they took first place honors in the Greek Olympics and then on Sunday won first place in the Greek Sing.

Highlighting rush season were the annual "Alpha-Traz" and "Southern Array with ASA" rush parties. As a result of diligent efforts during rush, Alpha Beta proudly received a fall pledge class of 22 coeds.

Marcia Mossbarger of Alpha Sigma Alpha was elected Homecoming attendant. Symbolizing this year's theme of "Happiness is . . .", the Alphas float displayed an airplane with Snoopy on top and the words, "Curse you **Red** Baron."

Recently elected to Who's Who included Susan Cattle, Susan Gulnac, Connie Hickenbottom, Sherry Poven-  
do, and Linda Stine Ryan.

As a philanthropic project, Alpha Beta members have donated time in helping the children at the special education school. At Halloween and Christmas time, the Alphas gave the children parties.

Rushes were entertained with skits and songs at the informal rush party, "Alpha Traz." Rush ended with the Alpha's taking 22.

# Alpha Sigma Tau Begins First Year

Alpha Sigma Tau began their first full year on the College campus with rushing activities. Rushees were entertained at the informal rush party, "Happiness is AST" and at the formal rush party, "Moonlight and Roses".

In the fall term six pledges were activated and two rushees were pledged. Amidst the hectic rushing activities, the sisters of AST prepared costumes and dancing toads for the delightment of the spectators of the Homecoming parade.

Invitations were extended to other Greek organizations for the reception given by AST in honor of their Founder's Day, Nov. 4.

Service to the community is an important contribution of AST and this year's philanthropy included a Christmas party given for the children at the Diagnostic Clinic. Concluding the year was the Alpha Sigma Tau Spring Formal which is to be held annually.

Sisterhood of AST joins hands in singing their traditional sorority song at the annual rush party.

# Delta Sigma Theta Establishes Chapter

Zeta Zeta chapter was founded on the College campus in the spring of 1968 by 13 young women. The principle aims and purposes of this service sorority are cultural and educational; to establish, maintain and encourage high cultural, intellectual and moral standards among its members and always to encourage achievement in education.

In keeping with the purposes of the sorority they have supported with funds a book mobile being operated throughout the rural south, bringing a variety of books to those who have no access to a library.

Giving of food and clothing to needy families were included in their philanthropy projects. Foreign students met weekly with DST to practice in the conversational use of the English language. Sorority support was given to Kappa Alpha Psi Sweetheart Ball and the Atlas Club Mardi Gras weekend.

Delta Sigma Theta was founded at Howard University in 1913. There are 45,000 members with chapters in all states including Haiti and Liberia.

All pledges of Delta Sigma Theta exhibit their paddles and pledge necklaces as constructed by Ken Bazil. Pledge uniforms consisted of all white outfit.

# Traditional Activities Open Delta Zeta Year

Combinations of activity, scholarship, and service, led Delta Sigma chapter of Delta Zeta through its 40th year at NMSC. Iota chapter of Delta Sigma Epsilon sorority was founded on this campus in 1929. In 1956, it merged with Delta Zeta sorority to become the present Delta Sigma chapter.

"Delta Zeta Heaven" and the traditional "Rose Garden" terminated formal rush season with 22 coeds pledging the sisterhood of Delta Zeta. Kenneth Sykes was honored as 'Dad of the Year' during the annual Dad's Day Banquet. Members participated in Greek Week, homecoming float competition, many campus organizations, the annual bread drive, and other Kirksville civic projects. The

Mother's Day Tea and Spring Formal completed the year's social activities.

Delta Zeta's captured various positions on the campus. Nancy Bulick was student council representative, and class officers were Cindy Walter and Jan Amossan. Donna Vignovich was elected Panhellenic president, and Cheryl Wilson, ECHO editor. Dorsay Maffrey was chosen by faculty and selected students as a finalist in the ECHO queen competition. Two members were named to Who's Who Among Students in American Universities and Colleges: Georgia Fletcher and Diane Cushman who received the honor for a second year.

# Sig Kaps Represented In Key Campus Roles

Pledge season for Sigma Kappa was highlighted by the informal and formal rush parties, "Sig Kap Casino" and "Pearl Party," climaxed by the pledging of twenty-one coeds.

Delta Theta chapter was represented in various queen contests by Marlys Dailey, Karladine Thurman, Jo Goldman, Sue Woltjen, Edith Spiegel, Joyce McCall, Rosemary Tharp and Judy Stanish.

Sigma Kappa members held key positions and honors on campus. Gloria Burnett was chosen to Who's Who; Joyce McCall was editor-in-chief of the INDEX for two quarters and several members have held editorial and writing positions on the INDEX and ECHO staffs. Linda Krause was selected as a varsity cheerleader and Gloria Weyand was elected as Student Council treasurer.

Civic projects included soliciting for the United Fund Drive and donating of blood to the Red Cross Blood Drive. As a philanthropic project they adopted an American Indian child. Money-making projects included a Christmas bazaar and a bake sale in the dorms.

Social activities for Sigma Kappa included Pumpkin caroling; the annual Founder's Day Tea; Christmas Tea by Sig Kap pledges for pledges of other sororities; pledge party for actives; the annual Mother-Daughter Weekend.

Concluding the year was the Sigma Kappa formal dance and banquet held in the Student Union.

During the Holiday season the Sig Kaps had a bake sale as a money making project.

# NMSC Royalty Includes MU Sisters

Sigma Sigma Sigma was off to a terrific start last summer with the return of delegate, Carroll Tankesley from the national convention held in Roanoke, Va. Excitement was intensified as Mu Chapter was announced first runner-up in annual chapter examinations and high contributor to Walton House, national headquarters of Sigma Sigma Sigma.

Brooke Williams was elected sophomore representative to Student Council, and Carroll Tankesley was chosen junior class treasurer at the class elections.

Early last fall, Brooke Williams was chosen to represent NMSC at the American Royal in Kansas City. Following in her "big sister's" footsteps, Linda Randell proudly served as 1968 Homecoming Queen.

Swinging into rush with the two rush parties "Mai Kai" and "Sigma Spotlight", Tris captured the eye of thirty-three rushees.

The main philanthropic service project the Tris participated in was their Robbie Page Memorial Fund.

Karen Schneider was chosen Echo Queen finalist.

Social activities included the annual costume party, Halloween and Christmas party, 2 plus 2 dance, Founder's Day, and closing the year with the Spring dinner party and dance.

## Greek Campus Activities Varied

Homecoming float construction brings AKL helping hands.

# High Scholastic Ideals For Kappa Alpha Psi

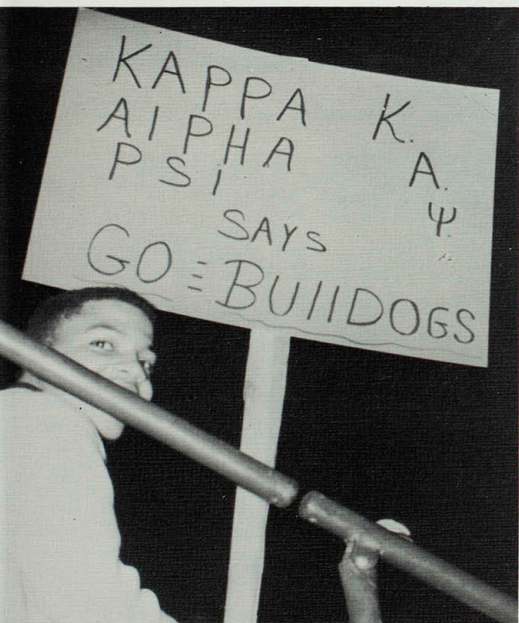

Kappa Alpha Psi fraternity moved into their newly acquired house at 202 E. Pierce Street, this past fall. A thorough renovation both inside and out of the house was carried out by the active chapter during the summer months in preparation for the opening of school. Brothers of Epsilon Eta chapter are distinguished in campus organizations and varsity athletic competition.

The local chapter of Kappa Alpha Psi was founded on the College campus in 1963. Nationally, the fraternity now has more than 260 chapters and 53,000 members.

Barbara Jenkins, was the chapter's sweetheart this year. Officers of the fraternity served in many campus organizations. Kappa's ranked 2nd in the Greek Weekend competition in the fall.

# Alpha Kappa Lambda Moves Into New House

Alethia Kai Logos, the Truth and the Word, is the motto of AKL fraternity and the watch words under which the men of Xi Chapter spent the past year. Under the leadership of President Ron Selkirk, the AKL's worked together to strengthen their brotherhood.

Thanks to the untiring efforts of sponsor, Charles McNames, AKL moved into a new house under the watchful eye of the Chapter's St. Bernard mascot, "Akel". With the coming of the new house, a new person came into the lives of all AKLs. "Mother T," housemother for the men of Xi, graciously made the fraternity house a real home.

The AKLs enjoyed their version of the nationwide Go to Hell with AKL dance, slap-danced to native drums at the annual Fiji Island dance, and proved during the Smoker that No Man Is An Island. Skip Landis served as vice-president of the senior class. Brooke Williams reigned in the hearts of the men of Xi as Sweetheart of AKL. Ron Selkirk and Gary Peterson were selected for Who's Who. Dr. Jack Hines assumed the duties of assistant sponsor. The year came to a close as the Senior Banquet recognized graduating members and culminated with the annual Spring Formal, "French Quarter."

Mascot snoozes as members look on.

# Phi Lambda Chi Gains Social Status

"The fraternity of lasting brotherhood," Phi Lambda Chi, through an effective combination of brotherhood, leadership, service, and campus activities, began its first year on the Northeast Missouri State campus. As the youngest chapter of the youngest national social fraternity, the brothers of Phi Lambda Chi, through a determined effort carried out the functions of the national social fraternity.

Believing that a fraternity should "round a guy out," Phi Lambda Chi competed in the intramural sports activities and brothers provided traditional leadership in various campus organizations with its members serving as organizational officers and class leaders.

The Phi Lambs began their efforts in service to the campus and community by giving blood in the Red Cross Drive, rendering their services to the United Fund, and assisting various charity organizations.

# Phi Kappa's Stress High Ideals, Service

Brotherhood, faith, friendship, loyalty, respects; these make Phi Kappa Theta men. This is an apt motto for the Mu Sigma chapter of Phi Kappa Theta.

This year the men of Phi Kappa Theta placed second in the Greek Week Sing, and in Homecoming float competition in school spirit.

In the first formal rush, Phi Kaps pledged 27 men to its brotherhood.

In intramural activities, the Phi Kaps were active in fleetball, basketball, bowling, wrestling and volleyball.

Community projects for the Phi Kaps, included YMCA assistance and work in the Adair County Heart Fund Drive.

In social activities, the Phi Kaps started the year off with a mixer with the Alpha Sigma Alpha sorority. Formal rush included the "Phi Kap Love In". The school year was concluded with the PKT Spring Formal.

Tragedy struck the hearts of the brothers of Phi Kappa Theta in the sudden death of their brother Steve Van Horn. He died of pneumonia on February 20, 1969.

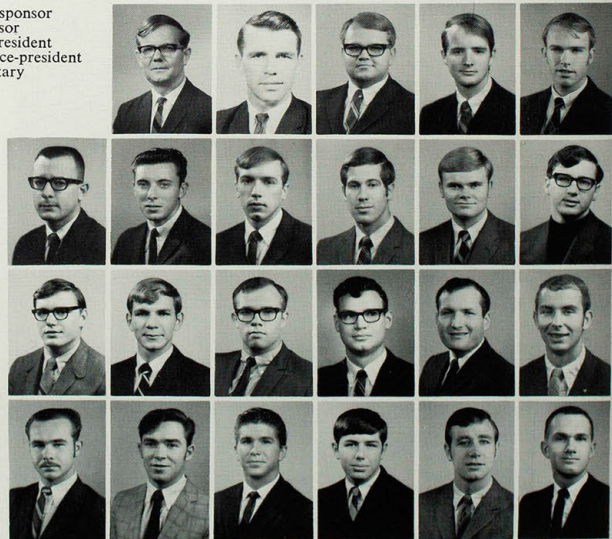

Beat the Bears keeps with the Homecoming spirit.

# Phi Sigs Sponsor Vietnam Collection Drive

Bo Fast, Greg Skinner, and George Armstrong prepared CARE boxes to be sent overseas.

Phi Sigma Epsilon, Gamma Chapter carried on its traditional campus leadership into all areas of community service during the school year. A collection drive for VIETNAM troops highlighted the spring quarter of 1968. Items such as books, magazines, and toiletries were collected from the Kirksville area for troops stationed at Khe Sahn. For the immediate area of Kirksville, a volunteer service provided by PSE assisted in the city-wide "CLEAN-UP, FIX-UP and PAINT-UP" week. The March of Dimes Drive was also assisted by Gamma Chapter.

On campus the men of Gamma chapter had a very successful year: The All-Sports Trophy for the academic school year, '67-68; class officers for the sophomore class, junior class, and graduate class; Jerry Lybarger was placed on the all conference football team; PSE won the intramural basketball championship, as well as second place in intramural volleyball.

Phi Sigs sponsored a "Trip to Miami" contest in the spring and again during the school year 1968-69. Twenty men pledged PSE last fall. The social highlight of the rush season was the annual LA APACHE dance. The men of Gamma chapter continued to serve as campus leaders through fostering school spirit, encouraging culture, and perpetuating friendship and intimate social ties within its membership during 1968-69.

# Sig Taus Lead Campus Organizations

Another top-flight year has shaped up for Sigma Tau Gamma, Beta chapter. Beta men have actively participated in extracurricular activities. Phil Wormsley served as Student Council president while Jim Sefrit and Bill Reed were chosen by the students to lead their graduate and senior classes, respectively. Reed also held the president's chair in the Industrial Arts Club. Howard Cox was Interfraternity Council president and Steve Schweizer was president of Alpha Phi Omega.

Relieving a housing problem from last year, Beta Chapter moved its headquarters from its former location to a newly purchased residence at 601 E. Randolph.

Five Sig Taus were honored this year when Gary DouBrava, Phil Wormsley, Steve Garrett, Paul Wagner and Dennis Fuller were named to "Who's Who".

Athletically, Beta chapter members had a hand in the successes of Bulldog teams. Steve Garrett was named to the All-MIAA squad for his play as split-end of the football team. Track season saw nine men as competitors. Baseball attracted seven Sig Tau athletes. They also strove for another intramural All-Sports trophy, reaching the semi-final games in fleetball and basketball, and placing high in other activities.

# Intramural Crown Captured by Teke's

Iota Gamma Chapter opened their 68-69 College year by placing second in the fall intramurals tug-of-war. After winning the intramural fleetball championship the TEKE's were strong contenders for the All School Intramural Championship.

Teke's spirit was predominant on campus as they won first place in their class for the Homecoming float and also won the overall float award.

Tau Kappa Epsilon continued to show its ability as leaders with Darien Teeter being elected into Who's Who and having members represent each class as officers. They are: Mick Moore, senior class vice-president; Gary Derby, junior class president; Bob Cagle, sophomore class vice-president; and Mike Hupfer, student council councilman.

Fall rush was extremely successful as forty-seven men pledged into the bond of Tau Kappa Epsilon. The annual "Trojan Dance" featured "The Fabulous Four," a band from Kansas City.

Assisting in various charity organizations in the city, the TEKEs again donated to the Kirksville Blood Bank.

Culminating their year was the Red Carnival Ball and election of new officers.

## Offense Sputters During 1968 Campaign

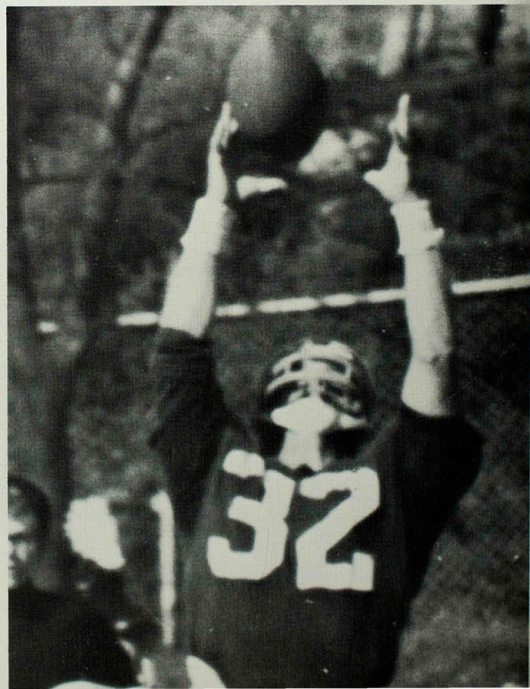

Bulldog football moved back to a winning note with a 5-4 final record this past season. Head Coach Marv Braden led his team to an opening upset victory over PARSONS COLLEGE WILDCATS, 14-3. The triumph was the first in two tries for Braden against his former school and it was the first Bulldog victory over the Iowans since 1961.

Ken Parker came off the bench to start the second half as Bulldog quarterback to lead his team to their second straight victory, 18-15, over the GORILLA'S OF PITTSBURG STATE. Losing

7-0 at haltime, Parker led the 'Dog offense to two touchdowns, passing for one and running for the other. The triumph marked the seventh straight win over the Gorillas for Kirksville.

In their first away game, the Bulldogs were upended by the LINCOLN UNIVERSITY TIGERS, 20-6 as Kirksville's only score came on a two yard run by Mike Berentes although they marched a total of ten times inside the Tiger 25-yard line. Lincoln scored on a 105 yard return of a missed field goal, a 75 yard pass interception return and their only completed pass.

# Dog Denfenders Stymie Opponent Drives

Bulldog gridders opened MIAA conference play with a 24-13 Homecoming victory over the SOUTHWEST MISSOURI BEARS. An estimated 7,500 fans saw Kirksville explode for three touchdowns and a field goal in an exciting game. Along with Bob Levy's field goal, Bulldog scorers included Lloyd Weise, who tallied on a one-yard run, a 73-yard touchdown bomb from quarterback Don Cummings to wingback Charlie Blakley, and Mike Berentes, who rounded out the scoring with a five yard run.

Kirksville dominated the Homecoming game statistics. Springfield rushed for 83 yards on the ground while the Bulldogs gained 173. In total yard passing, the Bears were handcuffed to 52 yards, while NMSC rolled up 200 yards.

Aubrey Johnson stops opponent's drive.

Front row: Chick Waddell, Charles Brown, Bob Hepker, Gary Newcomb, Jerry Meyer, Jerry McGlaughlin. Second row: Aubrey Johnson, Jeff Korokany, Rich Stallings, Ron Belew, Jerry Lybarger, Bob Levy, Ken Bebermeyer, and John Suell. Third row: Mike Pendleton, Mike Hooker, Jerry Smith, and Greg Skinner.

Bulldog coaching is led by: kneeling, left to right: Russell Sloan, Head Coach Marv Braden, and William Holmes. Standing, left to right: Athletic trainer, Sam Nugent; graduate assistants, Bill Hammock and Doug Timm; and student manager, Bill Hess.

Playing before a near-capacity crowd at Warrensburg's homecoming, Bulldog gridders played a stubborn defensive game but were edged by the equally tough CENTRAL MISSOURI STATE MULES, 14-7. Kirksville drew first blood as Don Cummings threw a touchdown strike to Steve Garrett. Bob Levy's conversion made the score 7-0.

The Bulldog defensive unit stymied several Mule drives during the first half, including a goal-line stand with under three minutes to go.

Disaster struck the 'Dogs two plays later soon after their dramatic goal-line stand. Kirksville fumbled on their own six-yard line and could not stop another Warrensburg drive for six points. Central back Larry Roberts plunged into the end zone to tie the score, 7-7, at half-time.

A stingy Mule defense held the Bulldogs to just 19 net yards in the second half as Central scored one more touchdown on a play-action pass for a 35-yard tally. Kirksville's final drive ended on the enemy's 11 yard line as Don Cummings threw three incomplete passes.

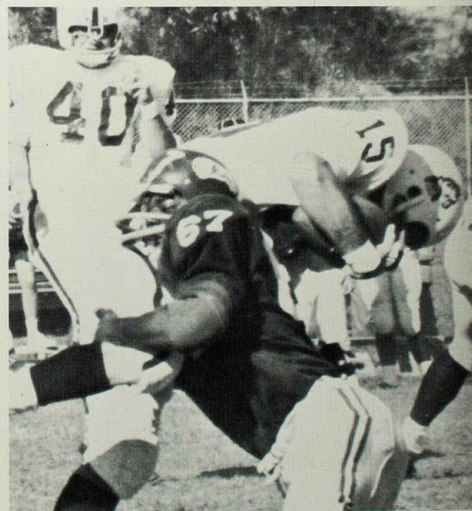

Tackle Ron Lillquist throws an important block in the middle of the line during a Bulldog drive.

Slotback Charlie Blakley hauls in an aerial from Don Cummings as the tackle is being made.

Attempting to get back on the winning note, NMSC led the ROLLA MINERS, 16-13, with 1:40 remaining in the contest. However, the Bulldogs could not run out the clock before Rolla intercepted a pass to win the game. Miner Fred White raced 65 yards for the winning score to upset the Bulldogs, 19-16.

SOUTHEAST MISSOURI'S FOOTBALL INDIANS rallied for 16 points in the final period to defeat NMSC, 29-16, in the Bulldog's final home game of the season.

The Indians led 10-0 before Bob Levy, Bulldog kicker, booted a 32-yard field goal. Steve Garrett caught a long pass from Don Cummings at the Southeast 30-yard line to knot the score at 10-10. Cape Girardeau kicked a field goal to take a 13-10 half-time lead.

Mike Berentes slanted off tackle for an eight yard touchdown run to give Kirksville a short-lived 16-13 late in the third quarter. Cape passed for 116 yards in the final period to rally for the victory. Two first-half fumbles hurt the Bulldogs at the Indian ten and one yard lines killing two scoring chances that could have changed the outcome of the game in favor of NMSC.

In their final MIAA encounter of the season, the Bulldogs regained the "Hickory Stick" from the MARYVILLE BEARCATS for the first time since 1965, winning 9-7.

Kirksville's lone touchdown came early in the first quarter as Don Cummings faded back to pass at the Bearcat 30-yard line only to find his receivers covered. The sophomore signal-caller rolled out and raced around the right side, breaking into the clear at the 15 and going in for the score. Minutes later, Bob Levy booted a 30-yard field goal to put the Bulldogs out in front, 9-0. Northwest scored their touchdown in the second quarter with a 95-yard drive culminating in a 31-yard TD catch by Gary Hawkins.

Northwest dominated the entire second half, but a determined Bulldog defense held the Bearcats scoreless. NMSC's defense held Maryville late in the fourth quarter with a gallant goal-line stand that featured a blocked field goal attempt by Gary Newcomb.

A 27-point outburst in the fourth quarter by the Bulldogs lifted NMSC to victory against MISSOURI SOUTHERN at Joplin. The 48-8 victory culminated their first winning season since 1965 as the 'Dogs finished with a 5-4 grid mark.

Scoring in each of the four quarters, the Bulldogs posted their highest scoring effort under Coach Marv Braden. Their previous high was 24 points against Southwest Missouri State in the 1968 homecoming game.

Four of the Bulldog's defensive unit, Jerry Lybarger, John Suell, Frank Wagner, and Jerry Meyer, three of them underclassmen, gained berths on the elite eleven-man all-MIAA team.

John Bringer, Bulldog center, was the only offensive player selected to a first all-offensive team from Coach Marv Braden's squad.

Safety Jerry Meyer, from Cincinnati, O., is a 5'11", 175 lb. senior.

# Cross Country Wins MIAA Conference Crown

Coach Kenneth Gardner's Bulldog Cross-country squad began and closed their season on winning notes, coping the 1968 season with a MIAA title and a nineteenth place finish in the NCAA national college meet at Wheaton, Ill.

By sweeping all five of the top positions on identical times, Bulldog Harriers easily upended Culver-Stockton, 15-50, in the 'Dogs' first meet of the year. Led by Pat Sullivan, Keith Allen, Tom Logan, Loren Moes, and Wayne Denney, the Bulldogs completed the four mile course in 22:48.

Lincoln University became NMSC's second victim, as the Tigers were dumped 19-44 on their own course.

In the third meet of the season, the 'Dogs absorbed their first defeat to Western Illinois, 32-23. Despite the loss, nearly all of the harriers ran their best four mile times of the season up to that point. Pat Sullivan finished third with a clocking of 20:54 and Tom Logan was fourth at 21:07.

NMSC suffered their second straight dual loss the season to the University of Iowa at Iowa City, 25-23. The loss evened up Kirksville's dual record 2-2 for the year. Pat Sullivan again finished third with a time of 27:11. Tom Logan and Keith Allen came in fourth and sixth respectively for the Bulldogs.

After suffering two more losses to Emporia and Warrensburg, Coach Ken Gardner, in his first year as harrier mentor, led his team to an MIAA Championship at the Rolla course. The Bulldogs finished first on the four-mile course with a total of 51 points followed by Southwest and Central with 56 and 60 points respectively.

On the strength of Pat Sullivan, Keith Allen, and Tom Logan, NMSC was able to keep their scoring down and with the added efforts of Bill Young and Loren Moes, it gave them the title.

Sullivan finished second in the meet with a time of 21:00 behind Southwest's Doug Overholse, at 20:57. Allen, with a time of 21:28, came in fourth and Logan crossed the finish line in seventh place at 21:41.

## Cagers Break Even; Place Third in MIAA

Bulldog cagers valiantly fought their way to an 11-11 season and a third place tie with Northwest Missouri after losing their star forward, Paul Ozug, due to a knee injury.

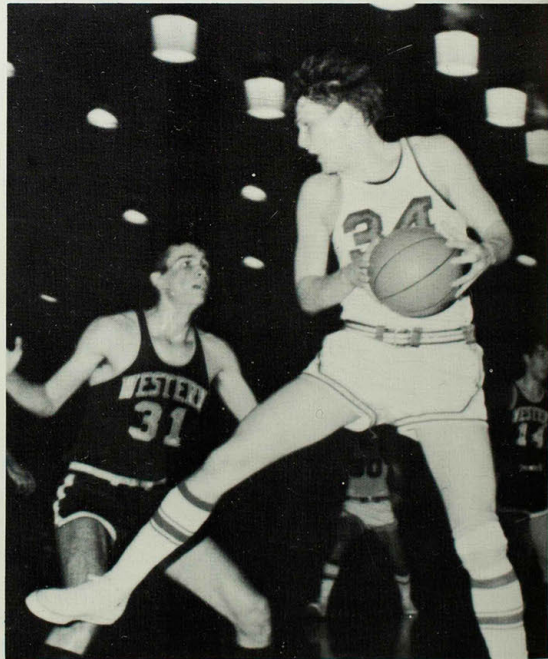

Ozug, who was selected to the 1968-'69 All-MIAA mythical squad and voted the outstanding junior in the conference, saw only limited action. His loss severely hurt NMSC's scoring and rebounding as the forward finished one-two in the conference a year ago.

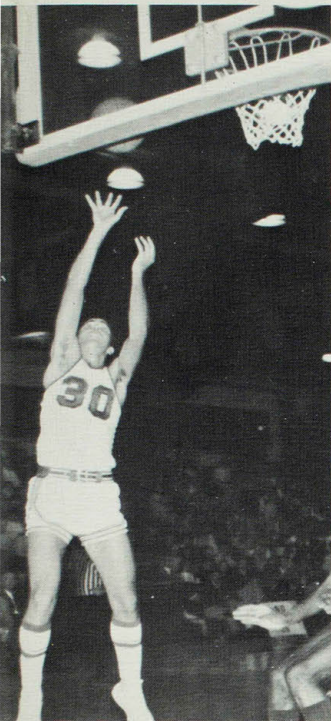

Instead, head coach Boyd King, with aid from assistant mentor Willard Sims, juggled the Bulldog lineup with hope of finding a winning combination. Their efforts finally paid off with three consecutive wins over Northeast Missouri, Parsons and Southern Illinois to close out the season with a .500 mark.

King and Sims found potential Bulldog stalwarts for the '69-'70 season in the persons of Chicago high school standout Claude Wilson and returning from a military stint, Charlie Currie.

Recognized as an all-city and all-state forward honorable mention while playing for De LaSalle High School in Chicago, Wilson, a 6'3" sophomore, appears to have come into his own as a Bulldog regular. Wilson, in his first year as an everyday starter was among the team leaders in rebounding and averaged over 12 points per game. He appears to be set for stardom in upcoming campaigns.

Junior Steve Jurkins hauls down a Bulldog rebound.

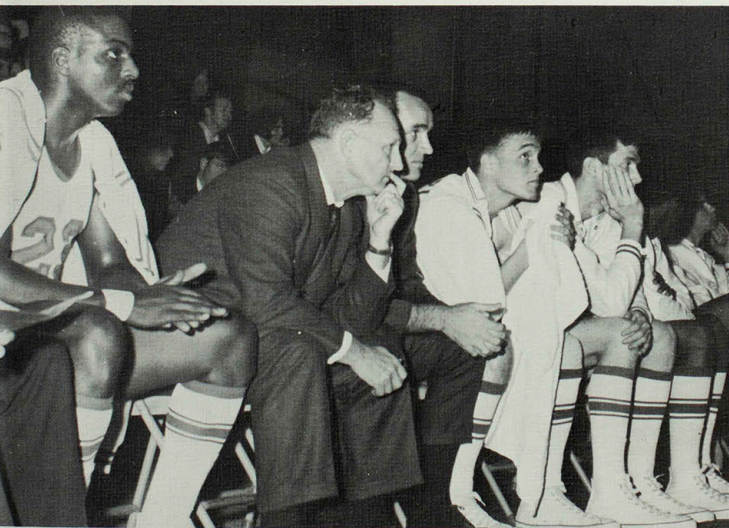

Two points are easy for Ron Sterchi.

Claude Wilson drives for the score.

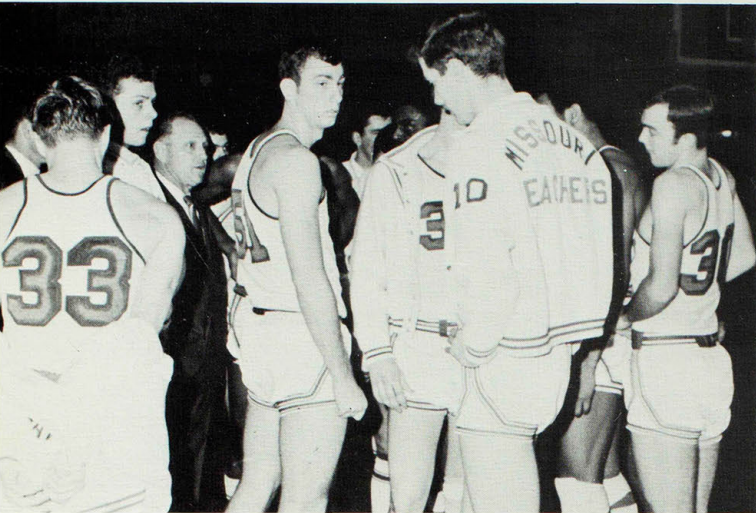

Apprehension shows on the faces of the players and coaches sitting on the bench.

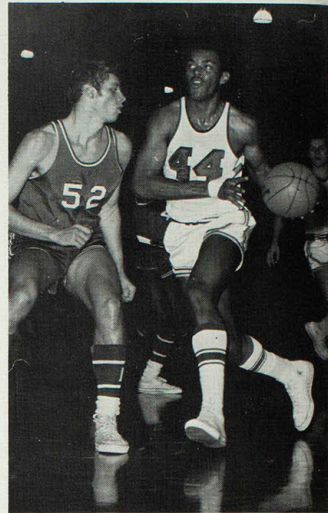

With the loss of only four monogram recipients -- Dick Hlavek, Mike McPheron, Paul Ozug, and Ken Parker -- the Bulldogs appear set for a sparkling '69-'70 campaign. Most of this year's regulars should be back next season after being tested thoroughly in '68-'69. Don Bramlett, Jerry Buhr, Charlie Currie along with Bob Fuka, Steve Jurkins, Dan O'Connell, Ron Sterchi and Claude Wilson will all be veteran performers next season.

Highlighting this year's schedule was a stunning 69-66 upset over nationally ranked Southwest Missouri State. Playing on their home court, NMSC caught fire and took the lead 64-63 with 2:53 remaining in the game. Paul Ozug fouled out and the Bears tied the score on the freethrow. A lay-up and Buhr's three freethrows iced it for the Bulldogs.

After an early victory over Cape Girardeau in which NMSC blew the Indians off their own court, 82 - 62, Southeast proved much tougher at Kirksville. In one of the most dramatic moments of the season, Dick Hlavek sunk a jump shot with five seconds remaining in the contest to earn the Bulldogs an 88-86 win. One week earlier, Hlavek scored a similar bucket with 17 seconds left to knot the score at 73-73 which sent the game into overtime against Maryville, a contest which NMSC eventually lost.

Expressions of the players and coaches display tension at a crucial moment. Junior, Mike McPherson battles for a rebound.

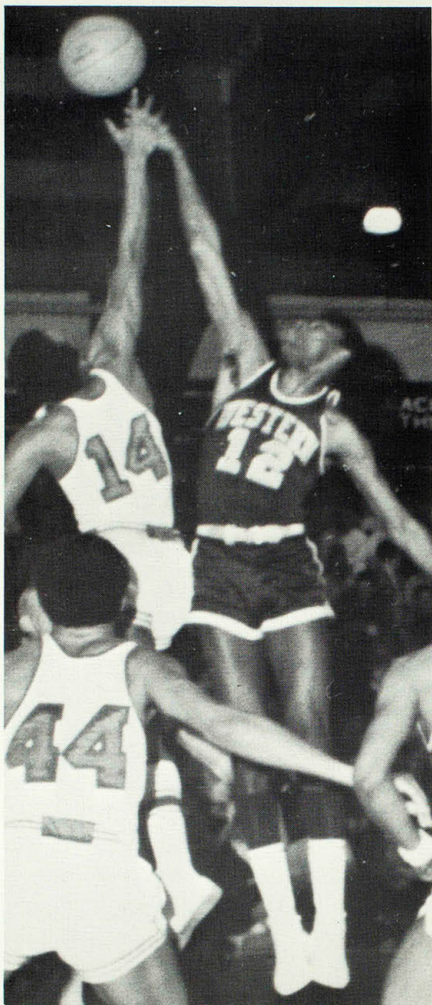

Getting off a tough shot is Don Bramlett.

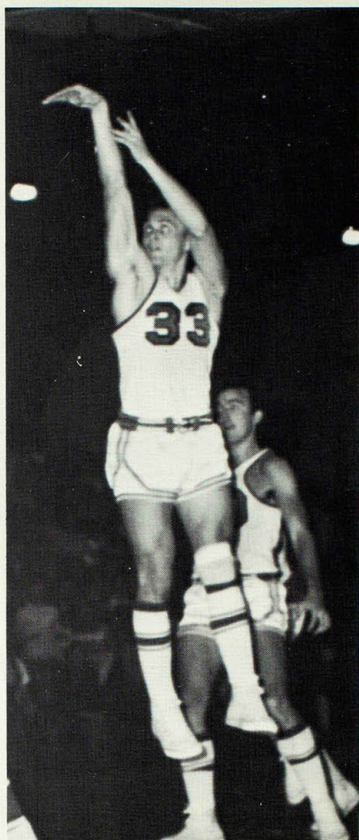

For the first time on the road in ten years, the Bulldogs defeated Southeast Missouri this season, 82-62. The game was marked by consistent scoring in which Ron Sterchi scored his personal high of the year, sinking 24 points. Don Bramlett was second with 18 and Claude Wilson had 16.

Although the Bulldogs managed only a 3-9 record on the road, they came up with their second straight away victory after the Southeast win; a 70-54 dumping of the Miners of Rolla. Highlighting the game, Kirksville scored 12 points without giving Rolla a tally during the last 3:50 of the first half.

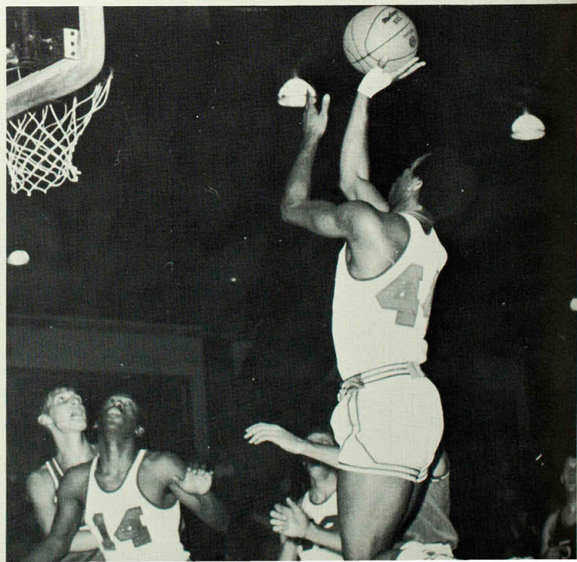

In their next to last game of the season the Bulldogs managed another first—beating Parsons for the first time on their home court, 80-70.

## Bulldog Wrestlers Win MIAA Title; Post 16-1 Record

Co-Captains Curd Alexander (seated) and Rich Beard (standing) discuss strategy with Head Coach H. A. Walmsley during a break in the action against Western Illinois.

Ill-American Curd Alexander (hand on mat) attempts to keep an enemy grappler on the wrestling surface before the referee blows the whistle.

Bulldog wrestlers climaxed their most successful season by winning their second straight MIAA Conference title. Compiling a 16-1 record, NMSC became a major grappling power as H. A. Walmsley's squad finished ninth in the national rankings.

Headed by co-captains Curd Alexander and Rich Beard, the Bulldogs devastated several opponents including white-washings of Iowa Wesleyan and Washington University. In addition, Kirksville scored upsets over major college foes, Kansas State and Missouri University.

Heavyweight Rich Beard enjoyed the best season of any NMSC wrestler in history, as the grappler from Ottawa, Illinois, racked up a 19-0 individual score, setting a new school record. Beard, only a junior, will be back next season to try to add to his string of victories.

Curd Alexander, last year's national champion at 115 lbs., compiled an overall 16-3 record that included six pins to tie for the squad lead.

Two other Bulldogs with outstanding records were George Simmons and Ray Moncavage. Simmons, at 191, turned in a 13-2 record while Moncavage was close behind at 11-3.

Other Bulldog grapplers with ten or more victories were Harry Brown (10-6), Curtis Hines (10-6), Steve Miller (12-3), and John Sticht (12-8).

At the MIAA meet in Springfield, Alexander (115), Moncavage (130), Simmons (191), and Beard (heavyweight) copped individual titles to lead their team to a total of 92 points and the conference title. Northwest Missouri finished second with 85 points.

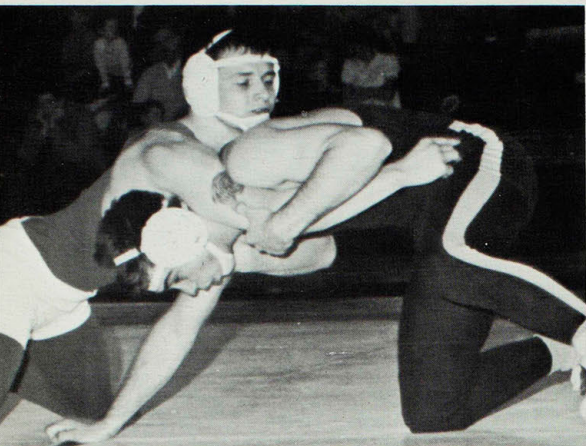

Watching the action intently, Head Coach H. A. Walmsley led the "mat corps" to its most successful season since the sport has been added to the intercollegiate roster at NMSC.

Pictured on a national publication, Curd Alexander became the first wrestler from Missouri to win a national title in NCAA action.

## Racketmen Post 12-2 Dual Record

Last year's Bulldog tennis team, coached by Ralph Pink, posted an outstanding 12-2 dual match record. Defeating such schools as the University of Missouri at Columbia, St. Ambrose, Principia College, and Washington University, the only losses were to Mizzou and Bradley University, two highly-rated tennis powers. In tournament play, the racketmen gained first place laurels in the MIAA tournament and in the NCAA College Division Midwest Championships held at Fort Worth, Texas.

The NCAA College Division National Championships saw Kirksville place fourth nationally behind three California schools. Ron Selkirk advanced to the quarter finals in the singles bracket, then

teamed up with Dave Romberg to move into the semi-finals in the doubles competition, losing to the tournament winners, Fresno State. Romberg led the 1968 squad with a 19-7 overall dual record, followed by Ron Sterchi at 15-2, and Ken Clow with a 16-8 mark. In doubles, Ken Clow and Kurt Marin went undefeated, displaying a 14-0 ledger. Selkirk and Romberg recorded a 21-8 overall slate.

This season a new coach will have the pleasant task of directing the returning tennis lettermen. H. A. Walmsley, highly successful wrestling mentor during the winter, should see the netmen develop another sparkling record.

## Errors Plague Baseball Team During '68

Frustration marred Coach Sam Nugent's 1968 Bulldog baseball season as the team ended its schedule with a 7-17 record. An outstanding pitching staff received little batting and fielding support as the team slumped under a .200 hitting percentage. The eight NMSC moundsmen gave up a total of 2.32 earned runs per game, while error-plagued fielding let unearned tallies slip by.

Bob Miller paced the mound staff with a 1.88 E.R.A. that included the season's only white-washing, against Mississippi, while Rick Morgan had an even 3-3 mark, 37 strikeouts and a 2.06 E.R.A. Veteran hurler Larry Anderson chalked up 50 strikeouts and only 23 bases-on-balls to lead the mound crew.

Hard-hitting Mike Gilbert held the hot stick as he punched out a team-leading .352 average after 71 at-bats. Steve Lahay had the ignominious honor of belting the team's lone home run. Lack of hitting power was indicated by the large number of low scoring offensive game titals. Catcher Charlie Blakley and shortstop Jim Arico backed up Gilbert as dependable hitters, each batting solid 270's.

# Bulldogs Capture MIAA Track Championships

Northwest Missouri State last year brought Coach Kenneth Gardner his 20th consecutive track championship, indoor and outdoor, as the cinder men topped the MIAA Conference contenders with 87. Southeast was runnerup with 78.

In that meet, Fred Banks, 1967 All-American, was selected as the contest's most outstanding performer for his wins in the 220-yard dash, 440-yard dash, and his contributions to the winning mile relay team and third place 440-yard relay team. His quarter mile effort broke his own 1967 conference record of :47.8.

Banks also tied the 220-yard dash mark of :21.3. Other records set by Bulldog competitors were the 880-yard run, set by All-American Wayne Denney in 1:53.5, and Pat Sullivan's one-mile record of 4:12.0. Sullivan took the three-mile run in 14:41.8, the first time that event was run in a championship.

In addition to record-breaking performances, first-place wins added points to the Bulldog total. Al Jackson won the 100-yard dash in :09.7, and Mike Berentes, Fred Banks, Jerry Walker, and Ron Davis teamed up for a 3:17.4 mile relay win. Strong showings were seconds by Paul Economides in the shot put and discus, Jim Georges in the long jump, and Aubrey Johnson in the high jump.

Wayne Denney, a cross country standout, received All-American honors for his superior performances as a distance runner. Denney, a half-mile, mile, and relay runner, last year was a track stalwart in those events.

Throughout the regular season Bulldog cindermen handed in top-notch performances. Western Illinois at Macomb was the first victim in dual competition, losing 94-50. Kirksville dominated first places in the meet, highlighted by such performances as the 440-yard relay team of Al Jackson, Ron Davis, Fred Banks and Mike Berentes, winning in :43.8, the mile relay team consisting of Davis, Banks, Jackson and Jerry Walker, who won in 3:25.2, Wayne Denney's 1:55.6 half-mile and the one-two-three finish by Banks, Davis and Bob Meyer in the 220-yard dash.

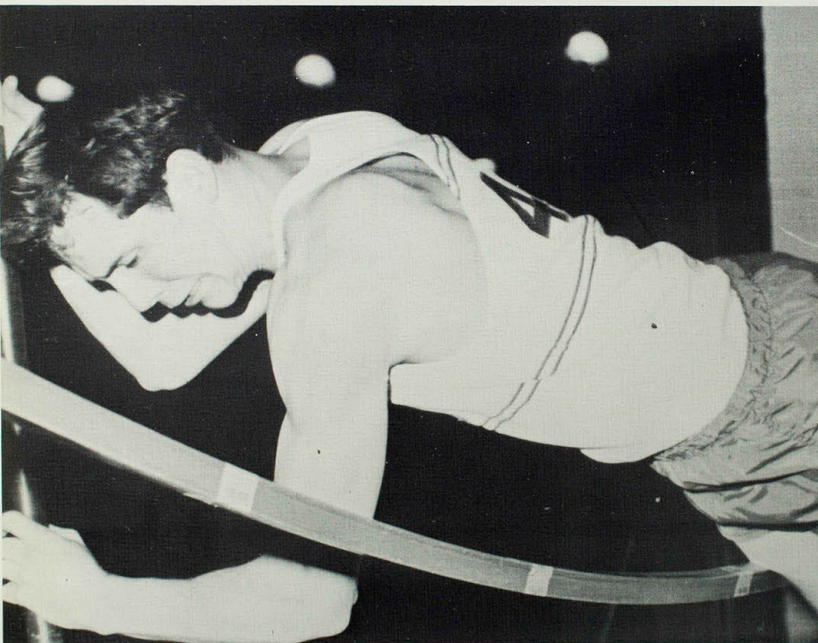

NMSC ran Maryville into the track, winning 112-33. The mile race saw Pat Sullivan, Keith Allen and Wayne Denney sweep the top three positions. Sweeps were also won in the 100-yard dash, 440-yard intermediate hurdles, 220-yard dash, and shot put. First place wins were gained in almost every other category.

In the final dual meet of the season (the Central Missouri meet was cancelled due to rain), the trackmen eased by a dangerous Lincoln University team 80-65.

It's either a strategy discussion or a good joke breaking into a rigorous workout. Whatever the case, Wayne Denney, Coach Kenneth Gardner and Pat Sullivan share in the humor. Gardner has coached twenty consecutive indoor and outdoor track championships.

Pushing off to get those extra inches, Steve Harting clears the pole vault bar with plenty to spare.

Speedsters Ron Davis, Larry Shocks, and Jim Georges await the sound of the starter's pistol that will send them sprinting towards the tape. A good, clean start is all-important in a winning effort.

# IM Provides Students With Opportunity To Participate in Athletics

Intramural ping-pong took place in the Student Union Games Rooms.

Intramural programs at NMSC garner a great deal of participation by campus organizations and individuals, both independent and Greek alike. Efforts in the various sports are rewarded by points towards the All-Sports trophy, given to the team receiving the greatest number of points. Last year's winner of this hotly contested award was Phi Sigma Epsilon fraternity.

In fleetball this year, Tau Kappa Epsilon downed all opponents to take the championship. McPhersons pulled in the fall Tug-of-war crown, and Phi Sigma Epsilon topped basketball action as they downed the Sports Animals in the title game.

Top five finishers in the Turkey Day cross country run were Jim Hopfauf, Fontaine Piper, Ed Luedeking, Steve Bond and Curd Alexander. Hopfauf won the 1.7 mile race in 9:03, topping last year's mark by 24 seconds.

Phi Sigma Epsilon captured first in free throw competition as Sigma Tau Gamma dominated the next four places. In ping-pong, Bob Miller of Sigma Tau Gamma took the single bracket. Don Sherer and Dennis Wallin were champs in doubles competition.

Interfraternity relations in athletics are demonstrated in the Turkey Day run as rival fraternities splash together through the mud.
