## Steven Crow to Present Address at Truman's Summer Commencement

About 180 undergraduate and graduate students will receive their degrees during commencement ceremonies Aug. 3. In addition to these graduates, Truman will have twelve

golden alumni, who graduated from 1952 and prior, participate in the ceremony. Approximately 35 golden alumni will attend the Golden Alumni Reunion at noon in the Student Union Building Georgian Room. A reception for all graduates will follow commencement on the Mall. Steven D. Crow, executive director for the Higher Learning Commission of the North Central Association of Schools and Colleges, will deliver the commencement speech at 6:30

p.m. on the Quadrangle.

Crow has served NCA/CIHE since 1982. He was named executive director in August 1997. In this position, Crow oversees the accreditation of 970 institutions in 19 Midwestern states.

Crow's vision in developing accreditation processes that respond to rapidly changing educational needs is shown in his emphasis on developing principles to guide international education ventures, investigating the impact of distance learning on institutional accreditation, reconceptualizing accreditation processes, and spearheading collaborative efforts with other agencies and associations.

Crow received his bachelor's degree from Lewis and Clark College in Oregon. He received his master's degree and doctorate from the University of Wisconsin-Madison.
