

Truman today

A weekly newsletter for students, faculty and staff | Vol. 12 No. 10 | Oct. 30, 2007

Provost and Vice President for Academic Affairs Candidates

The Search Advisory Committee hopes that as many members of the Truman community as possible will be able to attend these important events, during which Truman staff, students, and faculty may ask questions of each of the four candidates.

Mark Gromko

Open Forum with Students

3-4:15 p.m. • Nov. 13 • VH 1000

Candidate Evaluation Forms are due to Traci Hill at 5 p.m. Nov. 14.

Input from the campus community is crucial to the success of the search. Candidate Evaluation Forms for each candidate will be provided at each open forum and a link to an electronic Candidate Evaluation Form has been added to the search Web site: <http://provostsearch.truman.edu>. All open fora will be videotaped with copies made available at Pickler Media Library and an online copy available on the search Web site as soon as possible following the conclusion of a forum.

Debaters Take Second at Competition

Students from the Truman State University Forensic Union garnered awards at the Nebraska Double-Up, co-hosted by Creighton University (Omaha, Neb.) and Concordia University (Seward, Neb.), Oct. 19-21 in Omaha. Among the 12 honors the team brought home, Truman debaters were ranked second overall in the debate division of the tournament.

In parliamentary debate competition, the team of Dylan Rothermel, a senior economics major from Homewood, Ill., and Mark Buchheit, a sophomore history major from Carthage, Mo., reached the semifinals of the open division before being defeated by last year's national runner-up team from Creighton University. Their compatriots, Sara Archer, a senior accounting major from Riverside, Mo., and Chris Girouard, a junior communication major from Chesterfield, Mo., reached the octofinals of the open division tournament. Parliamentary debaters engage topics of value and policy on a range of different topics, which change for each debate.

Meanwhile, in Lincoln-Douglas debate competition, three Truman competitors reached elimination rounds. Dylan Clark, a freshman political science major from Maryland Heights, Mo., took second in the junior division of the tournament, losing in the final round to a competitor from Wisconsin's Carthage College after defeating competitors from Creighton and Missouri Southern State University. Sarah Backhaus, a freshman political science major from Liberty, Mo., reached the octofinals of the open division of the tournament, while Barbara Gillard, a freshman political science major from

Jackson, Mo., reached the quarterfinals of the junior division. Girouard was ranked the fifth-best speaker in the open division, followed by Buchheit, who was ranked sixth. Clark was ranked the best speaker in the junior division, followed by Gillard in fifth place. Students in Lincoln-Douglas debate argue about various aspects of foreign aid policy toward the Greater Horn of Africa for the duration of the 2007-2008 season.

In individual speaking events, a young team garnered some of its first awards and earliest National Championship tournament qualifications. Andrew Kindiger, a freshman English major from Liberty, Mo., reached semifinals of extemporaneous speaking at the portion of the tournament hosted by Creighton University. Archer took home sixth-place honors in extemporaneous speaking at the Concordia half of the tournament, qualifying for the National Forensic Association championships in April. She was joined by Jamie Menown, a sophomore nursing major from Kansas City, Mo., who took fifth in rhetorical criticism and also garnered her first nationals qualification. Extemporaneous speakers deliver seven-minute speeches on questions related to current events and public policy, after a brief 30-minute preparation period. Students in rhetorical criticism provide a 10-minute speech analyzing an artifact of public communication.

Gillard, Clark and Backhaus' placements in Lincoln-Douglas debate competition similarly qualify them for national competition in April.

Glenn to Speak at Global Issues Forum

The third Global Issues Forum for this semester will take place at 7 p.m. Nov. 1 in Magruder Hall 2001.

Evelyn Nakano Glenn, a sociologist with a joint appointment in Ethnic Studies and Women's and Gender Studies at the University of California, Berkeley, will be the guest speaker. Glenn is the founding director of the Center for Race and Gender at Berkeley, and is the author of several books, including "Unequal Freedom: How Race and Gender Shaped American Citizenship and Labor," "Issei, Nissei, Warbride: Three Generations of Japanese American Women in Domestic Service."

She is the 2007-2008 Feminist Lecturer for Sociologists for Women in Society, and she will be speaking on the topic "Yearning for Lightness?: The New Global Marketing of Skin Whitening Products."

"A close examination of the global circuits of skin lightening provides a unique lens through which to view the workings of the current and evolving global commercial system as it simultaneously promulgates white-supremacist ideology while also promoting western-dominated consumer culture," Glenn said.

The Truman community is invited to hear Glenn speak. A reception will follow the lecture.

Pi Kappa Phi No Boundaries Week Activities

For this national outreach program, Pi Kappa Phi's will set up stationary bikes on the Quadrangle 8 a.m. Oct. 29 and going 24 hours through 6 p.m. Nov. 2. Their goal is to ride 4,000 miles. They have already solicited help from several organizations on campus, including all of the sororities.

Another project that they have planned is a textbook drawing with 100 percent of the proceeds going to Push America.

The week will be capped off with a wheelchair ramp Nov. 3 for a family in the area who has problems accessing their house. They will work with Rural Advocates for Independent Living (RAIL) on this project.

Contact Andrew Green at ajgreen@truman.edu for more information.

2008 National Conference on Undergraduate Research (NCUR) Abstracts Due Oct. 30

Oct. 30 is the last day to submit an abstract to Truman for consideration for the 2008 National Conference on Undergraduate Research (NCUR). All abstracts must be submitted online by midnight to <http://step.truman.edu/ncur>. Only abstracts submitted through this portal by midnight will be considered for inclusion in Truman's delegation to NCUR, which is funded by the VPAA's office. Questions should be directed to The Next STEP Office at 785.7252 or step@truman.edu.

Expecto Terror at the Career Center's Haunted Hogwarts Haunted House

People may bring their friends for a terrifyingly scary time, it's Harry Potter with a horrifying twist. "Enemies of the heir, beware!" The Haunted House will be open from 7-11 p.m. Oct. 31 at the Career Center. This is the fifth annual Haunted House. It is free of charge, all are welcome to attend, and free candy will be available. Contact the Career Center at 785.4353 or e-mail Becky Hadley at beha@truman.edu for more information.

Kirkville Chapter of Sigma Xi Donates Books to Kirkville Middle School

Following its donation of a book series titled "Women's Adventures in Science" to the Adair County Library this past summer, the Kirkville Chapter of Sigma Xi donated a second set to the Kirkville Middle School library on Oct. 17.

The money for this purchase of these books was donated by Sigma Xi members.

There are 10 books in the series, sponsored by the National Academies of Science, each of which focuses on the life and career of a particular woman scientist. Careers described in the books include:

planetary astronomy, forensic anthropology, sociology, wildlife biology, climate science, neuropsychology, biomechanics, robot design, planetary geology, and physics. Books are most appropriate for middle school students.

Sigma Xi is the national Scientific Research Society,

(Left to right) John Ma, plant biologist at Truman and secretary of Kirkville Sigma Xi; Trish Sexton, biochemist at KCOM and treasurer of Kirkville Sigma Xi; Robert Baer, physiologist at KCOM and president elect of Kirkville Sigma Xi; Deena Moffitt, librarian at Kirkville Middle School Library; Judi Msale, psychologist at Truman and president of Kirkville Sigma Xi; and Neil Sargentini, microbiologist at KCOM and past president of Kirkville Sigma Xi; present a set of books to the Kirkville Middle School.

Teacher of the Year for outstanding Math and Science teachers in area schools.

More information about Kirkville Sigma Xi, recent award winners and contact information is available online at <http://sigmaxi.truman.edu>.

Gering Gives Truman Faculty Forum about Katydid to Students at Ray Miller Elementary School

Jon Gering, associate professor of biology, presented a Truman Faculty Forum titled "The Katydid: Model Organisms for Citizen Science" at 9 a.m. Oct. 12 at Ray Miller Elementary School.

Third graders were able to attend Gering's presentation, which covered basic information about the katydids: what characters distinguish them from crickets and grasshoppers, what they look like, and what sound they make. He also provided the children and their families with keys, developed by Gering and his students, to identify katydid sounds. Finally, he provided live katydids that were handled by the children.

The main purpose of the presentation was to foster a sense of "biophilia" by exposing children to this

Jon Gering, associate professor of biology, presents katydid information to third graders at Ray Miller Elementary School in Kirkville recently.

abundant, widespread, and charismatic family of insects that are model organisms for citizen science.

The Truman Faculty Forum was created in 2003 to give faculty the opportunity to present their research and creative work to the Truman community and to enhance the importance of scholarship and creativity in the culture of our institution. In the spirit of the liberal arts, the Forum

provides one more way of exposing all members of the Truman community to various fields of investigation. A variety of formats are offered including public lectures, classroom-style symposia, performances, and gallery exhibitions. By opening the presentations up to the public, the Forum is yet another way that Truman serves the Kirkville community at large.

Hensley Receives American Stars of Teaching Award

Melissa Hensley, previously a reading coach in the Milan C-2 school district, received the American Stars of Teaching award for the state of Missouri.

The United States Department of Education presents the American Stars of Teaching to one teacher in each of the 50 states and the District of Columbia each year; a representative from the U.S. Department of Education traveled to Milan to present Hensley

with the honor, which came as a surprise. Her former principal nominated her for the award last year.

Hensley now works as a reading specialist at the Northeast Regional Professional Development Center at Truman.

More than 4,000 teachers nationwide were nominated for the American Stars of Teaching award this year. The distinction recognizes educators of all disciplines for their unique success stories.

NOTABLES

John Ishiyama, professor of political science and director of the McNair Program; Paul Parker, professor of political science; John James Quinn, associate professor of political science; and Candace Young, professor of political science; had their article "Surveying Capstone Courses in Political Science" accepted for publication in the journal *Academic Exchange Quarterly*. The article will appear in the December 2007 issue of the journal.

Lesia Ketterlinus, director of the Career Center, was one of the 12 recipients of the Key Leader Award as an outstanding volunteer for the YMCA in the state of Missouri. She was recognized at the Key Leaders Conference Oct. 12 in Columbia, Mo.

Steven D. Reschly, associate professor of history and chair of the department of history, and M. Lynn Rose, associate professor of history, gave the keynote speech, "Third-Wave Feminism: Women's Abilities and Disabilities in the Twenty-First Century," for International Women's Day at the American University of Kuwait, Kuwait City, on March 8. Rose also presented "Issues in Disability" for an upper-level class in business philosophy at AUK, and Reschly presented "High Noon" and American Popular Culture" as part of AUK's film forum.

Rose and Reschly, with the support of the Center for International Education Abroad, facilitated "Sacred Sites in Greece" in May 2007, taking 23 Truman students to mainland Greece and Santorini, where they were guided by vulcanologist Tom Pfeiffer. The author of "Fire in the Sea," Walter L. Friedrich, gave a lecture to the group on May 24.

Reschly presented "Documentation, New Deal Administration, Perpetuation, Tourist Attraction: Shifting Images of Lancaster County Amish in the 1930s and 1940s," at the conference "The Amish in America: New Identities and Diversities," Elizabethtown College, June 8.

Rose's essay, "Teaching Gilgamesh: The Historical Context of Obliteration," which she co-authored with two Truman alumnae Shannon Crowder ('07) and Jennifer Roberts ('07) and Shahrbonu Rezaiehaligh, a senior history major, was published in *The International Journal of the Humanities* 4.6 (2007): 65-72. The essay won one of 10 Common Ground Publishing 2007 International Awards of Excellence.

On July 12, Rose presented a guest lecture on "Feminism and Freakery" at the University of Rostock, Germany, where Reschly taught two courses in June and July, mentoring one Truman student in each. Carolyn Minchik, a senior majoring in English and biology, assisted in "Religion and Politics in America;" Abigail Wolcott, a senior in history, assisted with "Women and Gender in Twentieth-Century US History."

Rose and Reschly led weeklong Advanced Placement Summer Institutes in Kansas City. Rose on world history with Sally West, associate professor of history, and Reschly on U.S. history with Bradley Dyke from Des Moines Area Community College in Iowa.

On Sept. 1, Reschly presented "'She Would Not Permit That I Should Stay Away From Church': The Emotions of a Hausvater and Hausfrau in Europe and the New World, 1821-1868," at the conference "Myth and Reality of Anabaptist/Mennonite Women 1525-1900 in Continental Europe," The Vrije Universiteit, Amsterdam, The Netherlands.

Rose and Reschly presented their co-written research, "Amish Tourism in Lancaster, Pennsylvania as Open-Air Freak Show" on Oct. 2, through the Transdisciplinary Program at the Claremont Graduate School of Religion, Claremont, Calif. Rose presented "Killing Defective Babies" on Oct. 4 at the Institute for Antiquity and Christianity Lecture Series at Claremont College.

In March 2008, Reschly and Rose will travel to the American University of the United Arab Emirates-Al Ain, where they have been invited to present their scholarship.

Communication Disorders Graduate Student Recruitment Day

The Truman State University Communication Disorders (CMDs) Department will be hosting a Graduate Student Recruitment Day from 10 a.m. to 2 p.m. Nov. 10 in Barnett Hall 1400.

All prospective students interested in pursuing a master's degree in communication disorders from Truman are invited to attend. Information regarding

the communication disorders graduate program, the profession, employment opportunities and funding for graduate school will be provided along with the opportunity to meet faculty, alumni and students of the program.

R.S.V.P. to Sara Logan, Graduate Recruitment Day coordinator, at sel430@truman.edu.

SPRING FOUNDATION SCHOLARSHIP APPLICATIONS DUE

The Truman State University Foundation is pleased to announce that applications are available for Foundation scholarships for the spring 2008 semester. Scholarships are available in the following categories: general, accounting, business administration, classical and modern languages and nursing.

To apply, go to <http://www.truman.edu> and click on Student Life, Money, Foundation Scholarships or go directly to <http://secure.truman.edu/isupport-s/>. The deadline is midnight Nov. 1.

Haskell Indian Nations University Dancers

The Haskell Indian Nations University Dancers will perform inter-tribal dance styles from 7:30-8:30 p.m. Nov. 1 at the SUB Down Under. Contact Laura Bates at lbates@truman.edu for more information.

Summer Research in Molecular Ecology

Students interested in doing summer research in Molecular Ecology are invited to apply to join Jose Herrera's research team for summer 2008. Participants will spend 10 weeks traveling across Mexico, the United States and Canada to examine the ecological role of Dark Septate Fungal Endophytes (DSEs) within a variety of sites.

Participants will receive a \$3,500 stipend, three hours of undergraduate research credit, and room/board for the duration of the 10-week experience. To qualify for the program, students must be a U.S. citizen or permanent resident and able to obtain a passport prior to May 1, 2008. The program will take place beginning in mid-May and will run through mid-July.

For additional information on the program including application materials please visit <http://step.truman.edu/herrera>.

Interested students should apply online; applications will begin being reviewed on Dec. 15.

For questions about the program or application process, please contact Jennifer Thompson at 785.7252 or by e-mail at step@truman.edu.

Dobson Hall Senate is hosting its annual fall outdoor concert, Toasterpalooza

3-9 p.m. • Nov. 3 Dobson Hall Courtyard

The bandfest is free and local bands will perform. In addition to bands, TAG Improv will be performing between acts. Popcorn, hot cocoa and cotton candy will be available. Contact JoEllen Flanagan at ja3154@truman.edu for more information.

To view additional events happening on campus, log on to the master calendar at <http://calendar.truman.edu>.

The Truman State University Speech and Hearing Clinic has begun providing services via telehealth to citizens in rural communities surrounding Kirksville, in conjunction with the Northeast Missouri Telehealth Network. The Truman community is invited to attend an Open House to unveil the new telehealth site in Barnett Hall, and help spread the word about uses of telehealth. Truman State University Speech and Hearing Clinic Telehealth Open House will take place from 10:30 a.m.-1 p.m. Oct. 30 in Barnett Hall 1400, the Truman State University Speech and Hearing Clinic. All University staff and faculty who are interested in learning about how telehealth services are used in Northeast Missouri to reduce travel and time for obtaining specialized healthcare should attend. Also, students interested in health-related careers should attend. There will be a live speech therapy demonstration from 10:30-11:30 a.m. There will be limited reserved parking behind Barnett.

Campus Christian Fellowship (CCF) needs everyone's help for the H2O project. They are hosting a two-week fund-raising and awareness campaign from Nov. 1 to Nov. 14 for the drilling of clean water wells in Africa. During this time, they are going to drink only water and then donate the money they would have spent on other beverages to Blood: Water Mission, an organization that funds the drilling of wells in Africa. People and their organizations can do the same. There will be an informational meeting at 7 p.m. Oct. 30 in Baldwin Hall 249. To learn more about Blood: Water Mission go to <http://www.bloodwatermission.org>. E-mail mark.hogere@gmail.com or emily.krogemann@gmail.com for more information.

The next Physics Colloquium is at 4:30 p.m. Oct. 31 in Magruder Hall 1000. Ping Yu of the University of Missouri-Columbia physics department will be speaking on "Diffusion Photons for Biomedical Imaging Applications." There will be refreshments 10 minutes before the talk.

The International Film Festival presents "Le Temps Qui Reste," which means "Time to Leave." This is a film from France from 2005. It will be shown at 7 p.m. Oct. 31 at the Downtown Cinema 8. To learn more about the festival and the films, log on to <http://rcp.truman.edu/internationalfilm.htm>. **University Society of Middle Eastern Dance (USMED) presents Halloween Hafta** from 8-10 p.m. Oct. 31 in the Student Union Building Down Under. There will be a short belly dance show that will be then followed by a costume party/dance. Everyone is invited and the cost will be \$1 to get in and free if for those who wear a costume. During the dance there will be additional activities such as tarot readings and a special guest hypnotist. E-mail TrumanUSMED@gmail.com for more information.

Huping Ling, professor of history, will be signing her new book, "Voices of the Heart: Asian American Women on Immigration, Work, and Family," immediately following the Global Issues Forum Nov. 1 in Magruder Hall 2001. Ling has devoted two decades to studying Asian Americans in the Midwest, an underrepresented area in Asian American studies, and published her research in "Surviving on the

Gold Mountain: A History of Chinese American Women and Their Lives" and "Chinese St. Louis: From Enclave to Cultural Community, Chinese in St. Louis: 1857-2007." The importance and contributions of her work have been recognized nationally and internationally. "Voices of the Heart" is a firsthand look at Chinese, Japanese, Filipino, Asian Indian, Vietnamese, Laotians, Hmong, Thai, and Pakistani women of the Midwest. Through oral histories, they tell their heartfelt stories of their journeys to America, their aspirations and dreams, their strides in education and employment, their cultural heritage, and their family dynamics. Published by Truman State University Press, the book will be on sale for \$30. **The next Biology Seminar Series** will take place from 12:30-1:20 p.m. Nov. 2 in Magruder Hall 2001. Andrea Porrass-Alfaro of the University of New Mexico will be speaking on "Diversity and Structure of Soil and Endophytic Fungal Communities in Semiarid Grassland." E-mail wkp956@truman.edu for more information.

IT Services invites faculty, staff and students to TechBreak at 1:30 p.m. each Friday in the Student Union Building Room 320. This weekly series is an opportunity to share information about new and existing IT Service offerings. There will be snacks and conversation. Additional details and the topic schedule can be found at <http://its.truman.edu/techbreak>. **Eastern Blok will present a lecture and performance on the history of Balkan music** at 1:30 p.m. Nov. 2 in the Student Union Building Down Under. Eastern Blok has toured all across the United States and received rave reviews. Multicultural Affairs, the Residential College Program and the Department of Classical and Modern Languages are sponsoring this free event.

The Truman State University Symphony Orchestra will present a concert at 8 p.m. Nov. 3 in the Ophelia Parish Performance Hall. The program will include the "Simple Symphony for String Orchestra" by Benjamin Britten and Robert Schumann's "Symphony No. 1" ("Spring"). The orchestra will be joined by Gregory Jones, professor of music, in the "Concerto in E-flat" by Neruda.

Free tobacco cessation classes will take place from 8-9 p.m. Nov. 7, 14, 28 and Dec. 5 in Pershing Building 301. There will be free patches, gum, quit classes and physician consultations. Any student, staff or faculty member are welcome. Please contact the Student Health Center at 785.4182 to sign up today.

The Third Annual Madrigal Dinner will take place Nov. 30 and Dec. 1. Seating will begin at 6:30 p.m. Tickets are \$22 for adults and \$17 for students. Tickets can be purchased online at <http://music.truman.edu/madrigal> or call 785.4428. Visa, Mastercard, and Discover are accepted. Chamber Choir is an auditioned choir composed of students from across campus. This year, it is being directed by graduate students Nicole Robertson and Tim Rebers. People can reserve their tickets now.

The Homecoming Committee thanks Alpha Sigma Gamma for sponsoring the Tailgate Picnic, Student Senate for sponsoring the Alumni Golf Tournament, and Cardinal Key and Phi Epsilon Kappa for sponsoring the SK Run.

30 TUESDAY

Noon-Women's soccer vs. Drury (Mo.), Soccer Field
2 p.m.-Men's soccer vs. Drury (Mo.), Soccer Field

31 WEDNESDAY

7 p.m.-Volleyball vs. Central Missouri, Pershing Arena

2 FRIDAY

6 p.m.-Men's and women's swimming vs. Indianapolis, Natatorium
7 p.m.-Volleyball vs. Emporia State (Kan.), Pershing Arena

3 SATURDAY

11 a.m.-Men's and women's swimming vs. Indianapolis, Natatorium
7 p.m.-Volleyball vs. University of Missouri-Rolla, Pershing Arena

**Learning Express Database**

Learning Express, accessible at <http://www.learningexpresslibrary.com>, is an online, interactive testing database provided to Truman State University through the MOREnet consortium.

This resource is designed to help people prepare for tests such as the ACT, ASVAB, Civil Service, Cosmetology, EMS, Firefighter, GED, GMAT, GRE, Law Enforcement, Paramedic, PPST, Real Estate, SAT, United States Citizenship and more. Learning Express provides test preparation materials designed for all ages along with instant scoring and customized feedback.

Truman Today is a weekly publication of Truman State University for students, faculty and staff. Deadline for entries is 5 p.m. the Wednesday preceding Tuesday's publication. Entries should be submitted by sending an e-mail to kbest@truman.edu or by completing a Truman Today form available in the Public Relations Office, McClain Hall 101. The form may also be accessed online at <http://trumantoday.truman.edu/submitform.pdf>. All submissions are subject to editing for clarity and style. Truman Today • Vol. 12 No. 10 • Oct. 30, 2007

Truman Intramural Recreational Sports Planner

Activity	Division	Deadline	*Captains' Meeting	Play Begins
Free Throws	Open/Org/Greek	Nov. 5	4:30 p.m. • Nov. 8	Nov. 10 & 17
Hot Shots	Open/Org/Greek	Nov. 5	4:30 p.m. • Nov. 8	Nov. 10 & 17
Texas Hold'em	Open	Nov. 5	4:30 p.m. • Nov. 8	Nov. 11

Entry forms and information sheets may be picked up at the Student Recreation Center (lobby area). Entry forms are to be deposited into the metal box located at the Member Services Desk in the Student Recreation Center. The entry deadline for each sport will be 11 p.m. on the date posted above. Online registration is available. Captains' Meetings for each sport will take place on the Thursday evening following the entry deadline (unless otherwise noted) at 4:30 p.m. in the conference room of the Student Recreation Center. Official rules for each sport are available online at <http://recreation.truman.edu>.

Recycling Center Tours

Anyone who would like to have a tour of the Recycling Center on campus can contact Howard Worcester, Truman's recycle coordinator, at 785.7672 to schedule a tour after Nov. 15.

Truman's Recycling Center is located in Building 4 of the Dulaney/Baldwin Complex on the south side of LaHarpe St. across from the rappelling tower at the south end of campus.

Truman's Recycling Center accepts public drop-off items from 7 a.m. to 3:30 p.m. Monday-Friday, and from 9 a.m. to noon Saturday. The University Recycling Center will be closed on all holidays.

Contact Howard Worcester, Truman's recycle coordinator, at 785.7672 for more information.

WHAT TRUMAN RECYCLES:

♻️ Newspapers

Can be tied with a string, put in paper bags, placed in a cardboard box or placed loose in newsprint containers.

NOTE: *Advertising supplements that come in the newspapers can stay with the newspapers when recycled.*

♻️ Magazines

Only slick or shiny magazines and catalogs accepted.

Examples

Time
Newsweek
National Geographic
Catalogs, etc.

♻️ Cardboard

Corrugated cardboard only. Please flatten and stack cardboard. Drop-off sites are available by most dumpsters on campus.

Not acceptable

Wax coated cardboard
Feed/Seed sacks
Pop/Soda carriers
Anything with food scraps

♻️ Hard Books

Can be placed in book recycle containers or placed with papers.

Acceptable

All books
Spiral binders
Books with glued ends

♻️ Mixed Office Paper

Can be tied with string, placed in cardboard box or paper bags or placed loose in mixed office paper containers.

Acceptable

Computer paper
Typing paper
Writing paper
Photocopy paper
Envelopes
Light pastel colors
File folders
Unwanted residential mail
Staples

Not acceptable

Carbon paper, other sensitized paper
Blueprint paper
Film, photographs, tape or glue
Metal objects, spiral binders, fasteners

♻️ Shredded Paper

All shredded paper must be in bags and tied securely.

Acceptable

White paper
Colored paper
Any paper that can be placed in mixed office.

♻️ Printer Cartridges

Place in any recycling container.

♻️ Plastic Bottles and Jugs

Check the bottom of the container for the recycling logo. Inside the logo is a number identifying the type of plastic. Generally, plastics accepted for recycling at Truman are No. 1 and No. 2 only. Containers must be rinsed.

Please discard all caps and lids.

Acceptable

Milk jugs
Juice jugs
Food containers
Detergent bottles
Shampoo bottles
Butter containers
Bleach jugs
Yogurt containers
PET containers

Not acceptable

Motor oil bottles

♻️ Cans

All aluminum cans are acceptable. Please rinse the cans and remove labels if possible.

♻️ Glass

All glass is acceptable. Please rinse the containers and remove labels if possible.
