She was a qualifier at the 1980 and 1981 National AIAW meet where she earned all-America honors with a fourth-place finish in the 400-meter hurdles. She also participated on the 4X100-relay team at the 1981 AIAW championships. In 1980 and 1981, she won the 100- and 200-meter hurdles at the Missouri AIAW championships. Drummond was on the 1994 Summer Biathlon bronze medal relay team at the first World Championships in the Czech Republic. A year later, she finished seventh in two races at the World Biathlon Championships in Poland. She also competed in the 1996 and 1997 World Championships.

DALE GILDEHAUS (Washington, Mo.) was a lineman for the 1969, 1970 and 1971 Bulldog football squads that earned MIAA titles. In 1971, he earned second-team all-conference honors, and in 1972, Gildehaus received first-team accolades. After graduating in 1974, he served as an assistant football coach and taught physical education at Union High School in Missouri. In 1986, he became head football coach at his alma mater, St. Francis Borgia High School in Washington, Mo. He was named the 3-A coach of the year in 1993, when his team won a state title. The *Washington Missourian* selected him as Football Coach of the Year for three years and he was cited as St. Louis Metro 3-A Coach of the Year. **MARLENE FRAHM GOUCHER** (Newton, Iowa) entered Truman in 1980 and collected all-America honors in outdoor track and field three times and indoor laurels once in the shot put. It was the most times that any women's track performer at Truman had received all-America recognition. Goucher is currently the school's record holder in the shot put (50-1/2) and Javelin (148-8). In 1985, she won the NCAA Division II indoor record in the shot put (50-1/2) and qualified for the Division I nationals. She graduated in 1986 and served as a student assistant at Truman and a graduate assistant coach at Mankato State University. She is a production associate with Hollister, Inc., in Kirksville. **MICHAEL LAUSUSE** (St. Louis) enrolled in 1974 at Truman. During a four-year football career, he went from averaging 3.0 yards as a freshman to 27.4 yards in kickoff returns his senior year and earned all-conference recognition as a defensive back. He also competed in track and field. In

1976, Laususe was also a member in the sprint medley team which set a school record of 3:19.8. After graduating, he served as a substitute teacher and later became an employee of the Missouri Department of Transportation. In March 1988, Laususe was killed in a car accident. He is survived by his wife, Valerie, and a daughter, Ashley. **STEVE SCHLICHTIG** (St. Louis), entered Truman in 1983 and was a forward for the soccer team. He set or shared 11 school records, paced the team in scoring four years and was on two MIAA championship teams. Schlichtig was a two-time Division II National Soccer Coaches Association all-Midwest pick, a three-time MIAA first-team selection and was an honorable mention all-conference choice one time. In 1986, he was the conference co-MVP and was a four-time team MVP on offense. Schlichtig was among 60 seniors in 1987 from NCAA Division I, II and III and NAIA schools who competed in the Budweiser Soccer Classic. He graduated in 1988 and is a sales representative at DAO Inc., in St. Louis. **LEE SMITH** (Detroit) entered Truman as a junior and averaged 18.0 points and 13.7 rebounds as a senior on the hardwood. He was named to the all-conference first-team and still ranks second in Bulldog single-season rebounding. After finishing his career at Truman, he continued playing basketball in the Mexican Professional League and in Europe. Later, he played for the Harlem Globe Travelers. Smith is a member of the Detroit Old Timers, a 35-and-older league. He is self-employed in the dry cleaning business. **ROD STAGGS** (Kirksville), a Bulldog football player, graduated in 1966. In 1967 and '68, Stagg was the head coach at South Shelby High School in Missouri. In 1971, he went to Berkeley High School in St. Louis, where he directed 12 state champions and 26 track and field all-Americans. Stagg was selected by the USA team at the 1996 World Junior Championships to be the men's track and field assistant coach. He was chosen as the men's district track coach of the year 18 times, the Missouri track coach of the year 16 times, Missouri men's sectional track coach of the year 15 times and the St. Louis Suburban East conference coach of the year 24 times. Stagg was also named the 1996 national high school men's track coach of the year and was the Inner-City Black Athletic League male county coach of the year three times. In 1996, he was inducted into the National High School Athletic Coaches Association hall of fame and is in the Missouri Track Hall of Fame as well, the only active track coach to be inducted.
