Phi Beta Kappa Visiting Scholar to Come to Campus Sept. 29-Oct. 1

Andrea Liu, professor of physics at the University of Pennsylvania, will visit Truman State University from Sept. 29-Oct. 1, as a Phi Beta Kappa Visiting Scholar. During her stay, she will visit classes and meet with faculty and students.

University of Pennsylvania's Department of Physics and Astronomy said, "Liu is a theorist who studies charged polymers, electrostatics and the mechanics of 'jamming', a term she coined to describe the breakdown of flow in sand, glasses and foams."

Liu and her husband have recently joined the University of Pennsylvania faculty. They previously served on the faculty of the University of California at Los Angeles.

Liu will conduct a Physics Colloquium on Jamming for Truman students and fac-

ulty at 3 p.m., Sept. 30. The public is invited to attend her lecture on "The Physics of How Cells Crawl and Listeria Spreads", which will be given at 8 p.m., Sept. 30, in Violette Hall 1000. The lecture will discuss the unusual physics involved in these biological events.

As a Phi Beta Kappa Visiting Scholar, Liu will visit several campuses this year at the invitation of their Phi Beta Kappa chapters. Truman is one of four campuses in Missouri that hosts chapters of this prestigious honor society for the liberal arts and sciences. Truman is only the second public Missouri university to be so honored.

Support for Liu's visit is provided by the Phi Beta Kappa Society and Charles J. McClain, president emeritus of Truman State University.

Walker and Doris Allen Fellowship for Faculty Excellence Nominations Sought

The Office of the Vice President for Academic Affairs is now accepting nominations for the Walker and Doris Allen Fellowship for Faculty Excellence.

The Allens established the Fellowship with one of the largest outright gifts ever made to the Truman State University Foundation. The \$10,000 Walker and Doris Allen Fellowships recognize outstanding faculty members who have made exemplary contributions to the success of the University and its students. Up to three faculty members are selected each year.

The Fellowships are open to all tenured or tenure-track faculty who have completed at least four years of full-time service at Truman. Faculty may be nominated for the Fellowship by Truman faculty colleagues,

academic divisions or disciplines.

To nominate an eligible faculty member, send a letter of nomination to the Office of the Vice President for Academic Affairs addressed to the Allen Fellowship Selection Committee. The letter of nomination should be no longer than one page and should address how you believe the faculty member fulfills the selection criteria. Please deliver a signed hardcopy of the letter to McClain Hall 203, or send it through campus mail or by fax to 785.7460. See Web site <http://www.truman.edu/pages/125.asp> for details, including the selection criteria. Nominations are due to the Office of the Vice President for Academic Affairs by Oct. 1.

Informational Meeting Scheduled for Legislative Internship Program

An informational meeting about the Missouri Government Internship Program has been scheduled for 5:45-6:45 p.m., Sept. 28, in the Student Union Building Room 308.

The Missouri Government Internship Program offers a unique opportunity for students to intern at the Capitol in Jefferson City, Mo., with a public official, legislator or state agency during the spring 2005 semester. The internship, which is open to all majors, provides an inside look at state government.

"I would recommend this internship to everyone," former intern Kenton Morehead said. "It provides the perfect opportunity to see first-hand how laws are made and become an informed citizen."

The interns live in Jefferson City and receive a stipend of \$2,200. Interns may earn up to 15 hours of credit.

All juniors and seniors are encouraged to apply. Applications are available in the Public Relations Office in McClain Hall 101 or online at http://career.truman.edu/student/internship/mogov_app.pdf. For priority consideration, completed applications are due by Oct. 7 in McClain Hall 101. A screening committee will review the applications and interviews will be conducted Oct. 12-13 for the spring 2005 legislative internships.

Interested students can contact Candy Young at 785.4650 or Heidi Templeton at 785.4016 for more information.

Staff Council Elections to Begin Sept. 23

Staff Council elections will be Sept. 23 and Sept. 24. All eligible full or part-time staff members will have the opportunity to vote for representatives in their area assignment and job classification category, as well as three at-large representatives.

Staff members who work in the Academic Affairs, Academic Support, Administrative Offices and Student Affairs assignment areas will vote by logging on to the Staff Council election Web site at <http://staffcouncil.truman.edu/vote>. Online voting will be open at 8 a.m., Sept. 23, and end at 4 p.m., Sept. 24. The staff

member's network ID and password must be entered prior to voting so that the appropriate ballot will be provided. IDs will not be associated with votes cast, and all password information will be encrypted.

Staff members who work in the Physical Plant will receive paper ballots in the mailboxes by 8 a.m., Sept. 23. These ballots must be returned to the Physical Plant Office before 4 p.m., Sept. 24.

Copies of the election ballot are currently available at <http://staffcouncil.truman.edu/vote>. Printed copies of the ballot are also available in the Physical Plant Office.

Rock the Vote Urges Students to "Bite the Ballot" and Get Registered to Vote

The Rock the Vote organization continues its "Bite the Ballot" campaign this week with several activities.

Starting Monday and continuing throughout the week, groups of volunteers will go into classes for five minutes to discuss the importance of voting as well as registering students to vote. These "class raps" also will encourage students to get involved, whether it is volunteering with "Bite the Ballot" or getting their friends registered to vote.

Sept. 23 will be the "Day of Action." Rock the Vote has reserved nearly all the tables on campus for voter registration. Other campus

organizations are helping out by supplying volunteers to staff the tables and help get students registered. Banners also will be hanging from Pickler Memorial Library to show that organizations are "biting the ballot" and how registering to vote is a campus effort.

A stage will be set up on the Quadrangle from 12:30-2 p.m. for professors and students to speak. The prompt is "I'm voting because..."

Some organizations participating in the "Day of Action" are Amnesty International, Bulldog Party, College Democrats, Ecology Club, FEMLA, National Panhellenic Council, Phi Lambda Phi and PRISM.

Students Participate in Truman's Prairie Day

Second graders at the Kirksville Primary School had an educational experience at the prairie site located near the Kirksville Primary School.

During their visit to the prairie site, the second graders worked with Truman students from NASC 331, philosophy of science, class. This class is taken by pre-MAE elementary education majors and has the goal of making them comfortable teaching science.

Each Truman student worked with small groups of second graders to help them make observations about the prairie. The goal was to have the second graders realize that the prairie is biologically more diverse, and

therefore, is a habitat that supports a greater variety of organisms. The second graders observed a marked portion of the prairie, delineated by a hula-hoop, and counted how many kinds of grasses, forbs, and animals were present.

The Truman students recorded the data and helped them graph the data.

Students from Karen Keck's environmental science class at

the Kirksville high school provided support.

Karen Armstrong from the Department of Conservation helped the Truman students design the prairie exercise.

Grades for the fall 2004 Truman Week courses are now available via Truview.

Advisers are needed for active student organizations. Any faculty or staff member interested in supporting student activities may contact Robin Taylor in the Center for Student Involvement at 785.4222. robint@truman.edu.
