Gilchrist Appointed as Truman's Acting Dean of Student Affairs

Lou Ann Gilchrist, director of Truman's University Counseling Services, has accepted the appointment as Acting Dean of Student Affairs for the upcoming school term. She succeeds Diane Pfeifer who has accepted a position as Interim Associate Vice President for Student Affairs at Fort Hays State University, in Hays, Kan. Fort Hays is Pfeifer's alma mater and her family resides in the Hays area.

Gilchrist has served as director of Counseling Services at Truman since 1993. From 1984-1993 she was an associate professor of counseling at Truman and worked in the counselor preparation program.

"I have great confidence in Dr. Gilchrist's ability to lead the student affairs dimension of the University," Jack Magru-

der, president, commented.

Gilchrist received her bachelor's degree from Brigham Young University in Provo, Utah, with a major in psychology and a minor in child development and family relationships. She earned her masters in counseling and her educational doctorate degrees from Idaho State University in Pocatello.

She has served on a number of task forces and committees while at Truman and most recently chaired the Task Force on Diversity. She also served as chairperson for the last two visiting review teams for the Council for Accreditation of Counseling and Related Educational Programs.

She is a member of several professional associations, including the American College Personnel Association, Association of Counselor Educators and Supervisors, American Mental Health Counselors Association and the Missouri Counseling Association.

Gilchrist is also a member of the Phi Kappa Phi Honor Society, has been listed in *Who's Who* for human service professionals, has been active with the Boy Scouts of America, and serves as a board member of Transitional Care Center, Inc., in Kirksville.

Parking Questions Answered

Q: Can I park in a fire lane only for a few minutes?

A: NO! Fire trucks need to have adequate access to buildings in an emergency and since we can't predict when emergencies will occur, parking is not allowed at any time.

Q: Can I park in a handicapped parking space if it is open?

A: NO! It is only legal with a State issued placard or temporary permit from Parking Services. Citations are also issued to vehicles parked on sidewalks, grass, yellow lines, at yellow curbs, and reserved spaces for faculty and staff. Leaving your hazard lights on does not make it legal.

More questions will be addressed next week. For additional answers to parking questions, contact the Department of Public Safety at 785.4176.
