Numerous Volunteer Opportunities Available to Students Through the SERVE Center

First-year students who are interested in volunteering on campus or in the Kirksville community should go to the SERVE Center to become acquainted with the opportunities available.

The SERVE Center, located on the main floor of the Student Union Building, assists and promotes student involvement in community service.

The SERVE Center provides information about organizations that are looking for volunteers and assists volunteers in contacting someone involved in a particular project. Students can fill out an information sheet at the SERVE Center, on the Web site at <http://serve.truman.edu/>, by e-mail at serve@truman.edu or by phone at 785.7222. This allows the Center to notify a volunteer of an opportunity that appeals to their interests.

SERVE Center Advisor Amy Carrier said she estimates that at least half of Truman students participate in some form of service for various reasons. They may serve for the opportunity to get involved, for the chance to help and interact with community members, or simply to continue the volunteering they began in high school.

The SERVE Center on Truman's campus is a big help to these students and to community members seeking volunteers. The Center matches students' individual tastes with agencies in the community and on campus. Their motto "Helping You Help Others" reflects this purpose.

In addition to the many ongoing service projects in which students and groups participate, numerous unique opportunities and events are planned each year.

The SERVE Center coordinates a citywide service project called the Big Event. Each spring, Truman students say a big thank you to the people of Kirksville

for their support of the University. This gathering of volunteers is the largest event sponsored by Truman's SERVE Center each year.

In the fall, students help set up, clean up and direct runners at the NEMO triathlon. They also raise money for the Northeast Missouri Special Olympics during the annual "Bowl for Gold" event. This year's Bowl for Gold event will kick off a new weeklong service event, "The BIG Week of Giving." The SERVE Center, with the help of other service organizations, will be coordinating a daily service opportunity throughout the week of Nov. 11-17.

Fifty volunteers lead games and entertain children at the Thompson Center Halloween Carnival, and students interact with the elderly at the St. Andrews Holiday Tea party. Student groups organize the Ryle Holiday Market each winter to raise money for Victim Support Services.

Spring events include dancing with the elderly at the Day in May Dance and organizing and visiting schools for a tribute to Martin Luther King Jr. Additionally, students provide free tax e-filing as a service to the community.

Many organizations also sponsor blood drives and run/walk fund-raisers for various community philanthropies throughout the year.

A unique service that Truman music students provide to the community is the Ray Miller Strings Program. Students visit the elementary school twice a week to give lessons to these children who otherwise would not have the opportunity to learn orchestral instruments at a young age.

For more information about the mentioned volunteer opportunities, contact the SERVE Center at 785.7222.

City Offers Transit Service

Students who do not have a car can use Kirk-Tran for transportation.

Kirk-Tran is the public transit service administered by the City of Kirksville. Kirk-Tran operates a new fixed route service that stops at assigned destinations around town Monday through Friday from 7 a.m. to 6 p.m. Kirk-Tran costs \$2 for each time a passenger boards the vehicle.

Plan Ahead for Internship Opportunities

Tremendous opportunities are available to students through internships. Truman sponsors the Missouri Government Internship Program and the Harry S. Truman Library and Museum Internships. Truman State University also is an affiliate of The Washington Center (TWC) internship program.

The Missouri Government Internship Program offers a unique opportunity for juniors or seniors to intern at the Capitol in Jefferson City, Mo., with a public official, legislator or state agency during the spring semester. The internship, which is open to all majors, provides an inside look at state government.

The interns live in Jefferson City during the spring semester and receive a stipend of \$2,200. Interns may earn up to 15 hours of credit.

Truman students interested in spending a summer in Washington, D.C., are given that opportunity through the Truman in Washington Program affiliated with The Washington Center for Internships and Academic Seminars (TWC). The annual program awards up to five Truman participants 15 credit hours for their internship work and an independent study project.

This program has opportunities for students

A bus stop is located near Centennial Hall at Franklin and Randolph Streets. Students will be able to travel to destinations such as Hy-Vee and Wal-Mart. The bus schedule is available on the City's Web site at <http://www.kirksvilletcity.com> and will be available at each of the stops.

To serve those who are not able to utilize the fixed route, there is a demand-response service available. Reservations may be made by calling 665.8404 in Kirksville, and toll-free 1.877.666.KIRK (5475) outside of Kirksville, Monday through Friday from 8 a.m. to noon and from 1 p.m. to 3 p.m.

with a 3.25 grade point average or higher who are interested in applying to intern in Washington during the summer.

The Harry S. Truman Presidential Museum and Library Internship provides an opportunity for a student to spend a summer at the Truman Library, located in Independence, Mo.

The internship is open to all Truman juniors and seniors who meet University requirements for an internship. Students can earn up to 10 hours of credit for this full-time internship and they receive a stipend. After being selected by a University committee and the Truman Library staff, the interns may work in a variety of areas of the Library including archives, public relations, marketing, educational programming, museum development or visitor services. Assignments are based on the interns' abilities and interests along with the Library's needs.

When thinking about an internship, it is important to plan ahead for living arrangements. The University allows students who are accepted into a University-sponsored internship to be relieved of their residence hall contract without being charged a termination fee.

Kohlenberg Lyceum Series Brings Cultural Performances to Campus

Since the Kohlenberg Lyceum Series began in 1899 as a lecture course, its aim has been to broaden the cultural experience of students, faculty, staff and the community through speakers, music and drama. Each year the Series brings a wide selection of attractions to the Truman campus that include professional musicians and dance troupes.

Vienna Choir Boys

The performances scheduled for the 2006-2007 season include The Preservation Hall Jazz Band, the Vienna Choir Boys, "Amahl and the Night Visitors," the Elders, "Some Enchanted Evening" and the Truman Showcase.

Tickets for Truman students are free and available one week prior to each performance in the Student Activities Board Office located in the Student Union Building Governors Room.

Call 660.785.4016 for more information.

Center Recycles Materials to Reduce Waste

Wondering what to do with your empty aluminum cans and used paper? Recycle them.

Recycle bins are available to the University community in all buildings on campus. These bins help the Recycling Center with its goal to reduce solid waste quantities as much as possible. In addition, the Recycling Center has a drop-off pad which allows members of the community to drop off recyclables when the Center is closed.

The University began its recycling program in October 2001 and purchased a cardboard baler to use in the Center. The University recycles 1,000

pounds of cardboard each day with the baler. Cardboard material bins are located outside of most buildings.

Truman's Recycling Center is located in Building No. 4 in the Dulaney/Baldwin Complex at the south end of campus.

Students can volunteer to assist the Recycling Center at the center or in the residence halls.

For more information about recycling at Truman or to volunteer, contact Recycle Coordinator Howard Worcester at 785.7672 or howard@truman.edu.
