Elsberry Commit \$30,000 to Establish Business Administration Scholarship

Howard and Anne Elsberry of Leawood, Kan., both 1964 graduates of Truman, have established an annual scholarship program at the University.

The Howard and Anne Elsberry Opportunity Scholarship in Business will award \$6,000 annually in scholarship resources during the next five years to students studying business administration.

Two \$3,000 scholarships will be presented, starting with the spring 2007 semester, to Missouri natives with financial need, leadership potential and demonstrated community and campus service. Preference will be given for dependents or employees of Westlake Hardware.

Howard Elsberry is the president and chief

executive officer of Westlake Hardware, the nation's largest Ace Hardware dealer with 83 stores in a seven state region of Missouri, Kansas, Nebraska, Iowa, Oklahoma, Texas and New Mexico. The company, formed in 1905, celebrated its centennial last year.

Anne Elsberry is senior vice president and general counsel for Westlake Hardware, and is a member of the Truman State University Foundation Board of Directors.

For information on how to apply for the Elsberry Scholarship, please contact Becky Pike at Truman's Office of Advancement, 785.4133 or you may e-mail her at bpike@truman.edu.

Truman in the News

Truman has been recognized by three publications recently.

Ashley Rufus, a sophomore chemistry major from Chillicothe, Ill., was recently featured in *Time* magazine's article "Who Needs Harvard?" in the Aug. 21 issue. Rufus was spotlighted for giving up her coveted spot on Harvard's waiting list to attend Truman instead. Rufus, who received a full-ride to Truman, made her decision to attend Truman to avoid eight years of debt for both undergraduate and graduate studies. She was also impressed with the small student-faculty ratio and the "very impressive" rate of acceptance to medical schools.

For the 10th year in a row, Truman State University has been recognized as the No. 1 Public University in the Midwest Region—Master's Category by *U.S. News & World Report's* "America's Best Colleges 2007." Truman also was ranked No. 8 overall in the Midwest region among both private and public institutions. Truman is the only public university in Missouri to be included in the top 10 public university-master's ranking. The Midwest region category includes Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota and Wisconsin.

Truman was also highlighted as having two programs, The Senior Capstone and Undergraduate

Research, which are considered outstanding academic programs that lead to student success.

U.S. News & World Report based its regional master's rankings on graduation and retention rates, faculty resources, student selectivity, financial resources, alumni giving, and peer assessments among those institutions whose focus is mainly undergraduate and master's-level programs.

Truman State University offers students an outstanding undergraduate education, according to The Princeton Review College Guide's 2007 edition of "The Best 361 Colleges." Truman is among a select group of schools featured in the latest edition that looked at academic programs, institutional data, feedback from students at the schools, and visits to schools during the years. Opinions of independent college counselors, students and parents were also considered. Efforts were made to have a wide representation of colleges in the book by region, size, selectivity and character. Truman also ranked No. 5 in the category "Students Happy With Financial Aid." More than 97 percent of incoming freshmen receive a University scholarship and/or federal financial aid.

Only about 15 percent of the four-year colleges in America and two Canadian colleges are in the book. The book contains two-page profiles on each University listed.

Important Information from the Registrar's Office

Free add/drop for full-term and first block courses ends at 11:59 p.m. on Friday, Sept. 1. Students may add and drop courses via TruView, or make changes in person in the Registrar's Office between 8 a.m.-5 p.m. New students must obtain a Registration Access Code from their academic advisor to add/drop via the Web. A \$50 add/drop fee will be assessed for any schedule change made after the free add/drop period ends, regardless of the reason for the change.

Students living off-campus should update their local mailing address with the University via TruView. Address changes can also be made in the Registrar's Office, McClain Hall 104. Students are responsible for all information sent to their local mailing address from University offices and personnel conducting University business.

Returning students who completed courses at other colleges or universities during the summer semester need to send official transcripts for this work to the Registrar's Office by Sept. 29. If you have already sent a transcript to Truman, check your transcript on TruView to be sure that this credit appears correctly on your records.

The tentative spring 2007 schedule is now available via TruView. To view the schedules, select "search open course list" from either the student or the faculty tab.

Graduation applications for undergraduates who entered Truman before the fall 2004 semester and who plan to graduate in May 2007 are due in the Registrar's Office by Sept. 8. Applications and degree worksheets are available at <http://registrar.truman.edu>. The tentative spring 2007 schedule is available via the TruView open course list to help you complete your application.

Graduation applications for undergraduates who entered Truman during or after the fall 2004 semester and who plan to graduate in May 2007 will be processed using the degree audit system. Applications for these students may be submitted between Oct. 24 and Dec. 1.

December 2006 Undergraduate Degree Candidates If you have made any changes in your course schedule(s) since you submitted your graduation application and have not yet updated your application with the Registrar's Office, you need to do so immediately. Updates can be made in the Registrar's Office, McClain Hall 104, Monday through Friday between 8 a.m.-5 p.m. You do not need to complete a new application. To remain on the graduation list, all changes to your degree plan and all required substitutions must be on file in the Registrar's Office no later than Sept. 29.

City Offers Transit Service

Bus stop located near Centennial Hall

Students who do not have a car can use Kirk-Tran for transportation.

Kirk-Tran is the public transit service administered by the City of Kirksville. Kirk-Tran operates a new fixed route service that stops at assigned destinations around town Monday through Friday from 7 a.m. to 6 p.m. Kirk-Tran costs \$2 for each time a passenger boards the vehicle.

A bus stop is located near Centennial Hall at Franklin and Randolph Streets. Students will be able to travel to destinations such as Hy-Vee and Wal-Mart. The bus schedule is available on the City's Web site at <http://www.kirksvillecity.com> and will be available at each of the stops.

To serve those who are not able to utilize the fixed route, there is a demand-response service available. Reservations may be made by calling 665.8404 in Kirksville, and toll-free 1.877.666.KIRK (5475) outside of Kirksville, Monday through Friday from 8 a.m. to noon and from 1 p.m. to 3 p.m.

Truman's Chapter of Sigma Delta Pi Earns Top Honor

Truman State University's chapter of the National Collegiate Hispanic Honor Society has been chosen for the prestigious Ignacio and Sophie Galbis Award, presented annually to the most outstanding chapter nationwide for activities realized during the academic year.

Each May, all 540 chapters of Sigma Delta Pi are asked to submit an annual report detailing their numerous activities and projects from the academic year. Based on these reports, the National Executive Committee chooses approximately 15 "Honor Chapters" annually. This recognition is based upon the caliber of chapter projects that reflect the Sigma Delta Pi

mission of honoring excellence in the study of the Spanish language, contributing to cultural understanding and upholding the goals of the Society.

Lucy F. Lee, Truman's chapter adviser and 2004 recipient of the José Martel Award for the most exceptional chapter adviser for the 2001-04 triennium, was instrumental in earning this highest chapter-honor of Sigma Delta Pi. With its national office at The Citadel in Charleston, S.C., Sigma Delta Pi is a member of the Association of College Honor Societies, the nation's only certifying agency for college and university honor societies.

International Friends Families Sought for Truman International Students

One of the biggest challenges for international students in the U.S. is homesickness.

That pervading sense of loss of family support combined with the overwhelming cultural and educational differences makes it very difficult for new international students to adjust and focus on their academic success. The International Student Affairs Office is seeking families to match with international students for friendship and mentorship. This is not a homestay program. Families are encouraged to include their

international student friend in facets of their everyday life and fun activities with a minimum of one interaction per month. Families of all shapes and sizes are encouraged to participate.

People may take advantage of this great opportunity to learn about another culture and make a real difference in the life of a future ambassador of goodwill for America.

For more information, call Melanee, Reon, Jenny or Kate at the International Student Affairs Office at 785.4215 or e-mail intladmit@truman.edu.

Breuning Attends U.S. Institute of Peace Seminar

Marijke Breuning, associate professor of political science, (pictured front row, third from right) participated in the United States Institute of Peace 2006 Faculty Seminar "Global Peace and Security from Multiple Perspectives." This seminar focused on the new international security environment, approaches to managing conflict and new ways of teaching global peace and security at the undergraduate level. It took place at the U.S. Institute of Peace July 25-30 in Washington, D.C.

NOTABLES

Erin Clark, a senior major from Lincoln, Ill., earned a first-place award in the 2006 Illinois Associated Press Editors Association Editorial Excellence contest for entertainment writing. Clark was an intern for the *Lincoln Courier*, which competes with daily newspapers in Illinois that have a circulation of 15,000 or less.

Matthew Datum, a senior business administration major from Joplin, Mo., has passed the Japanese Language Proficiency Test Level 2.

Taner Edis, associate professor of physics, presented a lecture titled "An Accidental World," at the Summer Institute of the Jefferson Center for Religion and Philosophy in Ashland, Ore. The Summer Institute was titled "Exploring the Borderlands: Science and Religion in the 21st Century."

Masahiro Hara, associate professor of Japanese, presented a paper titled "Transfer in Parsing Strategies" at the International Conference on Japanese Language Education 2006 located at Columbia University in New York City on Aug. 5-6.

John Ishiyama, professor of political science, and **Krystal Fox, a senior political science and economics double major from Bellevue, Neb.,** had their article "What Affects the Strength of Partisan Identity in Sub-Saharan Africa?" accepted for publication in the journal *Politics and Policy*. The article will appear in the December 2006

issue of the journal.

John Ishiyama, professor of political science, **Marijke Breuning, associate professor of political science,** and **Linda Lopez of the National Science Foundation** had their article "A Century of Continuity and (Little) Change in the Structure of the Undergraduate Political Science Curriculum" accepted for publication in the *American Political Science Review*.

Daniel Mandell, associate professor of history, organized a session on "Race, Landlessness, and The Question of Dependence in the Early Republic" for the 2006 meeting of the Society for Historians of the Early Republic, and in the session presented a paper on "Race, Landlessness, and Class: Farm Workers in Stonington, Connecticut, 1780-1830."

Thomas Trimborn, professor of music, recently presented a lecture "Encounters With Lincoln" at the Lincoln Museum in Fort Wayne, Ind. Based on his book of the same title published by the Truman Press, he concluded with a PowerPoint presentation of his Lincoln portraits accompanied by a recording of the "Battle Hymn of the Republic," the music most associated with the martyred president. Trimborn also had an exhibition of his book's original art in the Old State Capitol Building in Springfield, Ill. Officials state that 40,000 visitors toured the exhibit from late April through the closing on July 1, 2006.

UHY Creates Accounting Scholarship

UHY Advisors has established an annual scholarship program at Truman State University, starting with the 2006-07 academic year.

A \$1,000 scholarship will be awarded to a student admitted to the master of accountancy program with financial need, a cumulative grade point average of 3.2 or higher, and active

involvement and leadership in extra-curricular activities.

UHY Advisors delivers professional financial, tax and business services to mid-size and larger companies. A global company, the firm has 20 offices in the United States, including St. Louis. The managing director of the firm's St. Louis office is Rod Cooper, a 1988 Truman graduate.

Tel Alumni Seeks Help

Students interested in a part-time job this semester are encouraged to apply to work with the Tel Alumni campaign. Tel Alumni is hiring between 20-30 students to work for 12 weeks.

No experience is necessary, but they are looking for students who have good communication skills, an outgoing personality, a strong work ethic, and a willingness to ask parents and alumni for financial support.

Students must be available to work at least two of the following shifts each week: Sunday, 4-7 p.m.; Monday, 6-9 p.m.; Tuesday, 6-9 p.m.; Wednesday, 6-9 p.m.; or Thursday, 6-9 p.m.

Tel Alumni offers nightly prizes including items such as gift certificates, clothing and food; a relaxed, fun environment; paid training; a flexible schedule and an hourly wage of \$5.30. Scholarship and work study positions are also available. Tel Alumni is an excellent resumé builder for students majoring in fields such as business and/or communication.

Students may pick up an application in the Advancement Office, McClain Hall 100. The application deadline is Sept. 5.

TruFit Faculty and Staff Wellness Group to Begin in September - Sign Up Today

"I want to start exercising and changing my diet, BUT..." Many people want to make changes in their exercise and diet behavior and just have a difficult time getting started or getting anything to stick. Not enough time; not enough will power; just no motivation.

This September a new program is being offered for people who would like to become more regularly active and eat healthier, BUT! TruFit Wellness Group is a 12 week education program focused on teaching group members skills needed to empower lifetime health behavior changes.

Group members will learn: planning strategies for change, goal setting for success, nutrition tips and concerns, physical activity benefits and options, overcoming obstacles, using social support, combating negative thoughts, and creating their own motivation.

Any Truman faculty and staff who are at least 20 pounds overweight and not currently engaging in regular physical activity is encouraged to join. Meetings will occur in a group format and will be offered on Tuesday evenings starting Sept. 12. This is a cost-free group being offered as a service to the faculty and staff of Truman State University. If you are interested in learning more about the group or would like to sign up, contact Jennifer Hurst by phone at 785.4464 or e-mail jhurst@truman.edu.

College Colors Day Sept. 1

Wear your purple and white in honor of College Colors Day.

Gov. Matt Blunt has proclaimed Sept. 1, 2006, as College Colors Day, which coincides with "back to school" and the kick-off of fall intercollegiate activities on college and university campuses.

College Colors Day seeks to celebrate and promote the traditions and spirit that make a great college experience by encouraging fans, alumni and students to wear apparel of their favorite college throughout the day of Sept. 1, 2006.
