Future issues will be available through TruView, and printed copies will be posted across campus. In addition, the first 10 issues will be distributed in residence hall mailboxes.

Truman Today Provides Students with University's Weekly Source of Campus News, Announcements

Truman's Public Relations Office provides the University community with a weekly newsletter during the academic year titled *Truman Today*.

Each online issue of the *Truman Today* is sent via e-mail Monday afternoons during the academic year to all students, faculty and staff. *Truman Today* serves as the University's information newsletter announcing various financial aid updates, campus events, scholarship opportunities, internship opportunities and University deadlines. In addition to the online

version, printed copies of the *Truman Today* are dispersed across campus on Tuesdays.

Truman Today is a useful source for first-year students to find information. Students, faculty and staff can also access *Truman Today* articles and announcements by clicking on *Truman Today* headlines in TruView. Parents can subscribe to receive the online version each week.

Numerous Volunteer Opportunities Available to Students Through the SERVE Center

First-year students who are interested in volunteering on campus or in the Kirksville community should go to the SERVE Center to become acquainted with the opportunities available.

The SERVE Center, currently located in the Student Union office, assists and promotes student involvement in community service.

The SERVE Center provides information about organizations that are looking for volunteers and assists volunteers in contacting someone involved in a particular project. Students can fill out an information sheet at the SERVE Center, on the Web site at <http://serve.truman.edu/>, by e-mail at serve@truman.edu or by phone at 785.7222. This allows the Center to notify a volunteer of an opportunity that appeals to their interests.

SERVE Center Adviser Amy Carrier said she estimates that at least half of Truman students participate in some form of service for various reasons. They may serve for the opportunity to get involved, for the chance to help and interact with community members, or simply to continue the volunteering they began in high school.

The SERVE Center on Truman's campus is a big help to these students and to community members seeking volunteers. The Center matches students' individual tastes with agencies in the community and on campus. Their motto "Helping You Help Others" reflects this purpose.

In addition to the many ongoing service projects in which students and groups participate, numerous unique opportunities and events are planned each year.

The SERVE Center coordinates a citywide service

project called the Big Event. Each spring, Truman students say a big thank you to the people of Kirksville for their support of the University. This gathering of volunteers is the largest event sponsored by Truman's SERVE Center each year.

In the fall, students help set up, clean up and direct runners at the NEMO triathlon. They also raise money for the Northeast Missouri Special Olympics during the annual "Bowl for Gold" event. This fall the SERVE Center will host the second annual Big Week of Giving, a weeklong service event. During The Big Week of Giving, The SERVE Center teams up with other organizations on campus to host different service events each day. In addition, students are encouraged to donate canned foods, clothing, and toys all week.

Fifty volunteers lead games and entertain children at the Thompson Center Halloween Carnival, and students interact with the elderly at the St. Andrews Holiday Tea party. Student groups organize the Ryle Holiday Market each winter to raise money for Victim Support Services.

Spring events include organizing and visiting schools for a tribute to Martin Luther King Jr. In addition, each spring students join The SERVE Center in raising awareness for heart disease by wearing red on Wear Red Day and raising money for The American Heart Association's Heart Walk.

Many organizations also sponsor blood drives and run/walk fund-raisers for various community philanthropies throughout the year.

For more information about the mentioned volunteer opportunities, contact the SERVE Center at 785.7222.

Kirk-Tran is the public transit service administered by the City of Kirksville. Kirk-Tran operates a new fixed route service that stops at assigned destinations around town Monday through Friday from 7 a.m. to 6 p.m. Kirk-Tran costs \$2 for each time a passenger boards the vehicle.

A bus stop is located near Centennial Hall at

Franklin and Randolph Streets. Students will be able to travel to destinations such as Hy-Vee and Wal-Mart. The bus schedule is available on the City's Web site at http://www.kirksvillecity.com/Kirk-Tran_Bus_Schedule.htm.

Plan Ahead for Internship Opportunities

Tremendous opportunities are available to students through internships. Truman sponsors the Missouri Government Internship Program and the Harry S. Truman Presidential Museum and Library Internships. Truman State University also is an affiliate of The Washington Center (TWC) internship program.

The Missouri Government Internship Program offers a unique opportunity for juniors or seniors to intern at the Capitol in Jefferson City, Mo., with a public official, legislator or state agency during the spring semester. The internship, which is open to all majors, provides an inside look at state government.

The interns live in Jefferson City during the spring semester and receive a stipend of \$2,200. Interns may earn up to 15 hours of credit.

Truman students interested in spending a summer in Washington, D.C., are given that opportunity through the Truman in Washington internship program affiliated with The Washington Center for Internships and Academic Seminars (TWC).

To be eligible for the Truman in Washington Internship Program, students must have a 3.25 grade point average. Selection for the program is competitive, with the University sponsoring only

five students during each summer semester to participate. The annual program awards participants credit hours for their internship work and an independent study project.

The Harry S. Truman Presidential Museum and Library Internship provides an opportunity for a student to spend a summer at the Truman Library, located in Independence, Mo.

The internship is open to all Truman juniors and seniors who meet University requirements for an internship. Students can earn up to 10 hours of credit for this full-time internship. This is an eight-week unpaid internship. After being selected by a University committee and the Truman Library staff, the intern may work in a variety of areas of the Library including archives, public relations, marketing, educational programming, museum development or visitor services. Assignments are based on the interns' abilities and interests along with the Library's needs. The internship offers a five-hour (in-state) tuition scholarship.

When thinking about an internship, it is important to plan ahead for living arrangements. The University allows students who are accepted into a University-sponsored internship to be relieved of their residence hall contract without being charged a termination fee.

Kohlenberg Lyceum Series Brings Cultural Performances to Campus

Since the Kohlenberg Lyceum Series began in 1899 as a lecture course, its aim has been to broaden the cultural experience of students, faculty, staff and the community through speakers, music and drama.

Each year the Series brings a wide selection of attractions to the Truman campus that include

Tonic Sol-fa

professional musicians and dance troupes.

The performances scheduled for the 2007-2008 season include Tonic Sol-fa, Ballet Grand Folklorico de México, "The Nutcracker," the Peking Acrobats and "Twelfth Night."

Tickets for Truman students are free and available one week prior to each performance in the Student Activities Board Office located in the Student Union Building Governors Room.

Call 660.785.4016 for more information.

Center Recycles Materials to Reduce Waste

Wondering what to do with your empty aluminum cans, used paper and rinsed glass items? Recycle them.

Recycle bins are available to the University community in all buildings on campus. These bins help the Recycling Center with its goal to reduce solid waste quantities as much as possible.

The University began its recycling program in October 2001 and purchased a cardboard baler to use in the Center. The University recycles 1,000 pounds of cardboard each day with the baler. Cardboard material bins are located outside of most buildings.

Truman's Recycling Center is located in

Building No. 4 in the Dulaney/Baldwin Complex at the south end of campus.

Students are encouraged to volunteer to assist the Recycling Center at the center or in the residence halls.

In addition, Student Senate will be providing recycling bins to all first-year students living in the residence halls to promote recycling as an integrated daily activity. The students will be able to keep them when the move out of the residence halls.

For more information about recycling at Truman or to volunteer, contact Recycle Coordinator Howard Worcester at 785.7672 or howard@truman.edu.

T Truman encourages students, faculty and staff to ride their bikes to and from campus. First-year students who live on campus may enjoy having a bike in order to make trips around the Kirksville community.

Bike racks are available around the perimeter of the campus. For the safety of pedestrians, people are encouraged not to ride their bike in the interior of campus on the walkways. Maps with designated bike paths can be picked up at the Public Safety office.

For safe riding, if students do bring a bike to campus, they should remember to also bring along a bike helmet and a proper bike light for night riding.

Students are also encouraged to voluntarily register their bike with the Department of Public Safety (DPS). For more information about bike safety, call 660.785.4176.
