Re: Top Ten Name
Options

The name Missouri State University was accidentally omitted from the list of Top Ten name options included in this week's *Northeast Today*. We apologize for any confusion this may have caused. A complete list of the Top Ten name options is listed in the box to the right.

Top Ten Name Options

Baldwin State University
Baldwin University
Hawthorn University
Jefferson University
Joseph Baldwin
University
Missouri State University
Missouri University of
Arts and Sciences
Northeast Missouri State
University
Truman State University
Truman University

The 10 names listed above in alphabetical order were determined through polling sessions recently held on campus.

To reduce the top ten list down to the top three to five most favored names, the University has sent out a random survey to alumni, faculty, staff, students, friends of the University and neutral third parties. The top three to five names will be presented to the Board of Governors at their June 18 meeting.

At some later date, the Board will decide whether or not to proceed with a name change effort, which would involve presenting a bill to the Missouri General Assembly for approval. □
