The Department of Public Safety will be re-striping most of the parking lots this summer.

The lots will be posted 2-3 days in advance so you will be able to plan for an alternate parking location. For large lots such as those north of Baldwin and east of Pershing, Public Safety will do those lots in sections to alleviate some of the problems. If the lot is posted as closed, please do not park in that lot even if it is not barricaded.

During the summer, the *Truman Today* is a biweekly publication. The next issue will be June 21. Deadline for entries is 5 p.m., the Wednesday preceding Monday's publication. Entries should be submitted by sending an e-mail to kbest@truman.edu or by completing a *Truman Today* form available in the Public Relations Office, McClain Hall 101. The form also may be accessed online at <http://trumantoday.truman.edu/submissionform.pdf>. All submissions are subject to editing for clarity, style and space.
