THE PRESIDENT'S

The Echo of 1965 is one of many year books that have been published by the students of this College. The first year book was published in 1901. It was called the *Mnemeion*. In the following year, 1902, its name was changed to the Echo. This name has become familiar to thousands of students over a period of more than six decades.

The Echo this year will contain the records of our friends and classmates whom we have learned to know, cherish, and love. It will help us to remember activities and events and victories and defeats, all of which help to make

ECHO MESSAGE

our mental image of college days. No doubt the Echo of 1965 will be cherished by many, and as the years pass it will grow even dearer, for it will call back pleasant memories of yesteryear.

The Editor and his associates along with the faculty sponsor and the members of the Echo Board need our sincere congratulations for they have contributed much time, thought, and effort in making this Echo of 1965 a valuable one.

WHO'S WHO

Who's Who Among Students in American Universities and Colleges was first published for the school year 1934-35. The organization was established to recognize college students on a national basis.

Students recognized by Who's Who Among Students in American Universities and Colleges are officially recommended from their school and then accepted by the organization. Juniors, seniors, and graduate students are eligible for nomination. The method of selection and the committee remain anonymous unless the local school officials release this information.

Scholarship, leadership and co-operation in educational and extracurricular activities, general citizenship, and promise of future usefulness are the qualifications for selection.

A certificate of recognition is awarded to each student recognized, and his or her name and biographical information is included in the yearly edition of the book. Students recognized by Who's Who may also use the placement service offered by the organization.

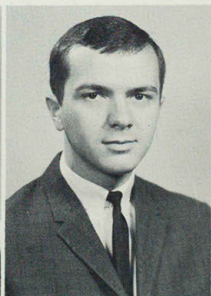

To be recognized by Who's Who Among Students in American Universities and Colleges is a great honor and a worthy goal for every college student.

STUDENT MENTORS

The Student Mentors are composed of students who have been successful in making their own college adjustments; and, consequently, they are prepared and willing to give the freshmen much helpful advice and assistance.

The purpose of the Student Mentors is to be of as much service as possible to new students, both through group meetings and personal contacts. Mentors also serve as ushers at the President's Reception and conduct campus tours on Parents' Day.

PANHELLENIC COUNCIL

The Panhellenic Council is composed of three members from each of the four national sororities on campus and a sponsor, Dean Ruth B. Beal. Officers serve in rotation from the sororities; Joyce Flowers is president. The Council strives to foster a spirit of co-operation and mutual respect among its member groups.

Each year the Council awards a scholarship covering room and board for an academic year to a foreign girl. This is made possible by the sale of College stickers and Christmas candles.

The Council helps with the registration of guests on Parents' Day and on Senior Day, and serves at the President's Reception and Garden Party.

The main social activities of Panhellenic are the Rush Tea for college women in the fall and the Scholarship Banquet held each spring. At this time the Scholarship Trophy is awarded to the sorority having the highest honor point ratio.

The Council also works in co-operation with the Interfraternity Council in sponsoring a Greek Week on campus.

INTERFRATERNITY COUNCIL

The Interfraternity Council is composed of three members from each fraternity and the sponsor, Dr. Gilbert Kohlenberg. These men act as the governing body for the fraternity system. The IFC rules the fraternities in their rush functions, as well.

The climax of each year is the presentation of the President's Scholarship cup which is presented to the fraternity with the highest honor point ratio. This award is presented at the annual spring banquet.

The Council works with the Panhellenic Council

in the presentation of Greek Week, the All-Greek Sing, and the All-Greek dances.

The members of the Interfraternity Council are Alpha Kappa Lambda, Kappa Alpha Psi, Phi Sigma Epsilon, Sigma Tau Gamma, and Tau Kappa Epsilon. Bob Lee, Phi Sigma Epsilon, is president.

The IFC feels very strongly that fraternities are an important part of college life; it tries to keep this the main goal.

Alpha Sigma Alpha

Founded at Virginia State Normal School in 1901

Alpha Beta Chapter founded in 1914

Alpha Sigma Alpha started the 1964-65 year right by ending the 1963-64 year perfectly. The Alpha Beta chapter of Alpha Sigma Alpha retired the President's Scholarship Cup by having the highest honor point ratio of the sororities for three consecutive years.

There were other honors and rewards—crowns went to Gayle Snyder and Lynda Jo Hutcherson, Student Mentors, class officers, Student Council Representatives, representatives and officers in many organizations—all add up to a wonderful year for the Alphas.

Alpha Sigma Alpha's philanthropic project included helping the mentally retarded children through weekly visitations and climaxing Christmas with a party and gifts for the children and the school.

Twenty-one girls were pledged following the two rush parties—"Alpha Round-up" and "Cape Cod Hide-away."

The Sweetheart Dance and Breakfast Dance, the Mother's Day tea, State Day, and plenty of sisterly fun are memories for Sisters of Alpha Sigma Alpha.

This year also marked the fiftieth anniversary of Alpha Beta chapter on campus. It was celebrated with a banquet for alumnae, activities, and pledges. From 1898 until 1914 the sorority was on campus as Kappa Theta Psi, and in 1914 was affiliated with the national organization of Alpha Sigma Alpha as Alpha Beta Chapter.

Delta Zeta

Founded at Miami University in 1902

Iota Chapter founded in 1929

DELTA ZETA

Working hard for service, scholarship, and activities, the Delta Zetas are once again joining actively in events on the campus.

After a humming rush season topped with the Hawaiian Luau and Rose Garden parties, Delta Zeta pledged 14 girls. Delta Zetas bubbled with excitement when their sister, Mitzi Hilsabeck, was crowned Homecoming Queen. To further the excitement during the homecoming activities, the float, "Proud of Victory," was named as a prize winner in the beauty division.

Campus leaders include Dolly Steinmetz, Student Council Representative; Mitzi Hilsabeck, cheerleader; Shirley Hays and Chris Carskadon, Echo Queen Candidates; Joyce Flowers, Panhellenic President; Kathy Dawkins, Joyce Flowers, Fran Tieman, Dolly Steinmetz, and Jean Traxler in Cardinal Key; Pat Dempsey, K-Dette President; and Mitzi Hilsabeck and Jean Traxler, class officers. Delta Zetas are also active in Student Mentors, College Ushers, and other campus organizations.

Delta Zetas kept on the go with activities such as Delta Dad Date Day, Founders Day Banquet, Mother's Day tea, Spring Formal, and money making and philanthropic projects. All this contributed to a memorable and active year for the girls who wear the green.

Spirit and "Kongeniality" are the passwords in the sisterhood of Sigma Kappa, and Sig Kaps showed their spirit and congeniality in the first event of the year, a successful rush.

Sigma Kappa first whisked the rushees to the Orient for an evening in a Japanese tea house. The second rush party, the traditional Violet-Pearl Party, was a breakfast at the Holiday Inn. The rushees heard a short talk from Mrs. Nell Clerisse, National Second Vice-President of Sigma Kappa.

After two successful parties, fall rush came to an end with thirteen girls pledging "One Heart, One Way," bringing the total membership to 52.

Sig Kaps also kept active by sponsoring two money-making projects. The new pledges were kept busy with preparations for their annual Pledge Tea for the pledges of other sororities.

Betty Lenzini represented Sigma Kappa as Homecoming Queen Attendant; Liz McKinley and Linda Good, Cheerleaders; Genanne and Marilyn Engle, and Liz Hug, K-Dettes; Linda Good and Kitty Schutz, College Ushers; twelve Student Mentors; Betty Lenzini, President of Cardinal Key; Lorna Johnson, President of Blanton-Nason Dorm; and Pat Carney, President of W.R.A. Liz McKinley was chosen as Secretary of the Sophomore Class; Betty Lenzini is Student Council Secretary; and Pat Carney is Senior Class Council-woman. Betty Kern was chosen to represent the Senior Class as ECHO royalty.

The annual spring formal concluded a fine year for the sisters of Sigma Kappa who live their motto: "One Heart, One Way."

Mu chapter of Sigma Sigma Sigma entertained alumnae, national officers, and visiting chapters two times during the year. In the fall, the Tri Sigmas were hostess for the central regional meet held in conjunction with the first year of their triennial plan. They entertained six chapters and many alumnae. The event was held at the Holiday Inn.

In the spring, the chapter celebrated its 50th anniversary on the Northeast Missouri State Teachers College campus. Again they were visited by national officers and returning alumnae. They were founded on the campus on November 26, 1915; and on the national level, Sigma Sigma Sigma was established on April 20, 1898 at Farmville, Virginia.

After a most successful rush, twenty-three girls pledged to Tri Sigma. They were entertained oriental style at the "Mai Kai," and at the second party they joined "Alice in Wonderland."

In the spirit of Christmas giving, the Tri Sigmas delivered baskets of food to the needy and went caroling.

Many of the members of Sigma Sigma Sigma were active in A.C.E., S.N.E.A., Panhellenic, Nemo Singers, Newman Club, Elementary Chorus, Student Council, Student Social Committee, Cardinal Key, and many other organizations and activities.

Throughout the year, the Tri Sigmas shared the fun and excitement, and the loyalty of sisterhood: "Faith Unto Death."

Epsilon Eta Chapter founded in 1963

The Epsilon Eta Chapter of Kappa Alpha Psi Fraternity, is the newest of the social-educational fraternities on our campus. Kappa Alpha Psi is an organization that was founded on the campus of the University of Indiana in Bloomington, Indiana. Kappa Alpha Psi was presented with the school charter on December 5, 1963, by Dr. Walter H. Ryle.

Kappa Alpha Psi currently on our campus has an honor point ratio of 2.5 before a pledge can become an active member of the fraternity. This is the highest honor point ratio than is required by any other organization of its kind on campus. The men of Kappa Alpha Psi represent one of the proudest and finest fraternities in existence. As part of the organization's contribution to the effective continuance of American ideals, every year there is an Undergraduate Leadership Conference which attempts to prepare young, intelligent, and promising men to take their places as leaders of their communities. This is a conference, the likes of which are not known to many social-educational fraternities. Realizing its obligation to society, Kappa Alpha Psi strives constantly to develop the calibre of men that will bring both merit to the organization and the country.

ALPHA KAPPA LAMBDA

Alpha Kappa Lambda for 1964-65 has been a fraternity of increased, integrative development. A returning membership of thirty-five has enabled the group to begin an effective strengthening period. At homecoming, AKL's prize winning float, designed by Bernie Thomas, reflected the efforts of the entire group. Under the leadership of David Norton, President, many additional facets necessary for a true fraternity life have been incorporated into the everyday life of an AKL.

In sports, the intramural program under the direction of Roger Dye has been consistently improving. Ken Wright, social chairman, has developed unique ideas in presenting many successful parties. Our rush program enabled AKL to select twelve pledges whose evident quality was seen in their tactical maneuver of stealing the AKL super paddle.

Spring quarter 1965 will mark AKL's twelfth year on this campus; and for those who are not superstitious, our thirteenth year will be the greatest ever.

The 1964-65 school year was another typical year for the Phi Sigs as they continued to accumulate various local and national awards.

The coveted President's Scholarship Cup, which was retired by Gamma Chapter last year, was again carried home for the fourth consecutive year with a chapter honor point ratio of 2.62. In national honors, the Phi Sigs received third place in scholarship and second place in chapter efficiency, missing first place by just 1/3 of a point.

A fraternity is only as good as its members, and over the years Gamma has placed top men in top student offices. Bob Lee not only served as President of Phi Sigma Epsilon, but was also President of Interfraternity Council. Nick Romanetz served as Vice-President of the Student Council, and Harry Libby was elected to the Council by the sophomore class. Moe Minervini served the junior class as President and candidate for Echo King.

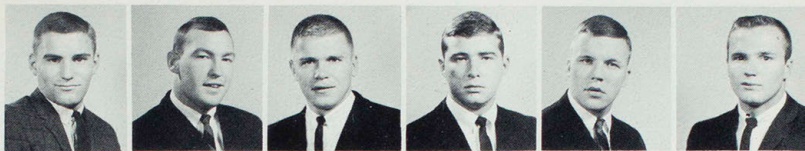

Once again Phi Sigma Epsilon is proud of its unique ability to excel in scholarship and athletics. The men of Gamma continued their dominance of the tug-of-war, pulling home the title for the sixth consecutive time, sweeping first, second, and third places in the spring classic.

The Phi Sigs also showed their leadership on the gridiron by placing six men on the MIAA championship team. Brothers Mike Ballard, Bruce Craddock, Jim Ferral, Mike Fitzpatrick, Moe Minervini, and Paul Oakley combined to give Kirksville that added incentive.

All in all, it was another Phi Sig year on the campus of Northeast Missouri State Teachers College.

Sigma Tau Gamma

Beta Chapter founded in 1921

The White Rose Banquet and Dance culminated another highly successful year for the brothers of Sigma Tau Gamma, the oldest social organization on the campus.

Beta chapter presented the first annual meeting of the fraternity's Missouri Province and held an Open House for returning alumni at Homecoming as the chapter displayed its newly-redecorated house.

A rollicking 49ers Dance concluded the fall rush activities as 31 men pledged Sigma Tau Gamma in December. The sixth annual initiation banquet marked the end of their pledgeship in February when 26 brothers received their traditional blue tie.

Nate Frazee served the campus as Student Council President and Bill Severson headed the senior class. Joe Galkowski was the Echo king candidate for the seniors. Barry Bloom and Bill Severson headed the college delegation to the Mock U.N., and John Beary served as assistant editor of the yearbook. Keith Dinsmore was selected sports director of the fraternity magazine, the Saga; Don Rankin edited the student directory for Blue Key.

Sigma Taus also lent their services to varsity athletic teams with Walt Olinger, Paul Comer, and Lou Coco in football; Danny Wright in basketball; Dan Menze in track; and Dennis Mueller in tennis.

An appreciation banquet in the spring honored Mr. John Goetze, who was retiring as sponsor after more than 20 years of service to the fraternity.

Reinstated, 1964

TAU KAPPA EPSILON

At a banquet held September 19, Dr. Walter H. Ryle returned the charter to John Connolly, fraternity president, thus officially reinstating Iota-Gamma Chapter of Tau Kappa Epsilon. Thirty-two men returned, eager with enthusiasm, to prove Teke's worth to community and campus. The spirit of these men was amply displayed by 100 per cent participation in the blood drive, for which Teke received the Red Cross Bloodmobile Plaque.

The Teke float, with the theme "Special K---Packed with Go Power" won second place in the spirit division at the Homecoming parade. Following the game, an open house for returning alumni and their dates made homecoming a memorable weekend for the Brotherhood.

In Intramurals, the TKE Knights won second place in fleetball. Dave Knes placed first in tennis singles, and he and Bob Baldes won second in doubles.

Tekes from Washington University helped make the Smoker a success. The second annual Trojan Dance, featuring Greek costumes, terminated ruel season. Fifty-two men pledged Teke, a very satisfying result of the hard work of the original thirty-two.

Teke campus leaders this year included organization presidents Bob Byg Kappa Delta Pi; Greg Halsey, Historical Society; Ron Berrey, S.N.E.A. and Inter-Faith Council; Skip Barns, College Players; Keith Thomas, Band; John Connolly, Pi Kappa Delta; and Bob Aird, English Club. Also, Tekes were vice-presidents of the following: Bob Byg, Senior Class; Dave Knes, Historical Society; John DeNicola, Alpha Phi Omega. Dave Knes was yearbook editor, and Bob Aird was Senior Class Councilman.

For Iota-Gamma, this was a year of hard work, fun, but above all, accomplishment.

STUDENT COUNCIL

The 1964-65 Student Council arrived in the fall ready to meet the challenges awaiting. Their functions began early in the quarter with the selection of a candidate for the American Royal Contest in Kansas City.

Then something new was added—an office! Campus problems were discussed and much planning was carried on within the walls of the newly established office in Kirk Building.

Ten student representatives joined the council after class elections, and a treasurer was elected.

Homecoming brought George Rank to the campus for the dance. His music provided the climax to a day when bands and colorful floats lined the streets, the Bulldogs achieved a victory, and a new queen reigned.

With everyone ready for more activity, the council started a series of student movies, including such films as *Wheeler-Dealers* and the *Nutty Professor*. The Christmas dance with Si Zentner's band, Christmas trees, crepe paper streamers, and dim lights was probably one of the most memorable events of the year.

With the beginning of a new year, the council embarked on more activity. The College Campus Bowl was reactivated, and Twirp Week, Campus Town Races, and Fun Festival were all worked into the school calendar. Student Council elections and the Echo Dance, at which the King and Queen were crowned, marked the end of the year for the 1964-65 Student Council.

STUDENT SOCIAL COMMITTEE

Soon after Northeast Missouri State Teachers College opened its doors for the 1964-65 school year, the Student Social Committee was planning its course of operations for the coming year.

The Committee is a group of students who are the secret behind the success of various social events. The members are selected by the Social Calendar Committee; three are members of the Student Council; and the chairman is the Student Council vice president, Nick Romanetz. The sponsor is Mrs. Ruth B. Beal, Dean of Women.

Parents' Day, the Faculty Christmas Party, and

Senior Day find these students serving refreshments at the events. The three big school dances—Homecoming, Christmas, and Echo—are planned by the Committee. This year's unique and beautiful decorations at the dances were the result of many hours of planning and decorating by the Committee.

Should each student prove to be a good Committee member during the year, he or she is presented with a citation of merit at the end of the year by the Student Council and Social Calendar Committee.

The Annual Garden Party is also sponsored by members of the Committee during the summer quarter.

BLUE KEY

"Serving, I Live" -- Blue Key Motto

Chapters of the Blue Key National Honorary Fraternity are found on over 120 college and university campuses today. The Kirksville chapter received its charter in April, 1926, and since that time has served as an honor fraternity on campus by offering membership to a limited number of students who are selected on the basis of character, scholarship, and service to the college.

In addition, Blue Key is a service organization with the motto, "Serving I Live." Each year, the Kirksville chapter publishes the Student Directory and directs the homecoming parade.

CARDINAL KEY

Cardinal Key is a national honorary service organization for college women, and is a sister organization to Blue Key. Membership is limited to 25 women chosen on the basis of service, scholarship, leadership, and character. The members are nominated by the chapter and are selected by a faculty committee.

Selling Homecoming buttons, doing welfare work, and providing a scholarship for a deserving girl are only a few of the many services and activities carried out by Cardinal Key. This year a large clock was donated for use in the reading room of Pickler Memorial Library.

STUDENT NATIONAL EDUCATION ASSOCIATION

The local Student National Education Association includes 405 prospective teachers who take part in the largest student organization on campus. The programs are planned by the students and help the members to prepare for their teaching careers. The outstanding program for the 1964-65 school year was the freshman assembly that was sponsored by S.N.E.A. and presented by the Oral Interpreters.

S.N.E.A. is the professional association for college and university students who are preparing for a teach-

ing career. All members are also members of the state education association. Each member has the rights, privileges, and responsibilities of associate membership in these professional organizations. Dr. Mittler and Dr. Lindsey are the sponsors of the S.N.E.A. chapter on campus.

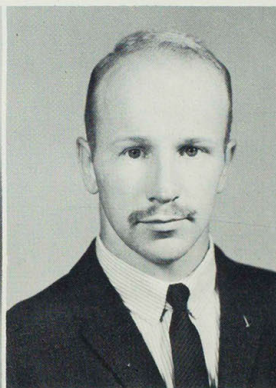

Many prospective teachers in the group attended the S.N.E.A. state meeting in Kansas City that was held in conjunction with the Missouri State Teachers Association annual convention.

KAPPA DELTA PI

Kappa Delta Pi is an honorary professional educational fraternity. Members are selected on the basis of character, scholarship, leadership, and service. To qualify for selection, a student must be at least a junior, must have an honor point ratio of 3.0, and have completed five hours of educational courses.

Kappa Delta Pi, under the sponsorship of Dr. Knobbs, seeks to recognize outstanding contributions to education. It encourages and rewards high profes-

sional, intellectual, and personal standards. One of the ways this is fulfilled is through a twenty-five dollar scholarship given to a sophomore student showing promise in the field of education.

Activities include an annual banquet to welcome new members, sending a Christmas gift box to Fulton State Hospital, participating in Campus Bowl, and the twice-monthly meetings.

ASSOCIATION FOR CHILDHOOD EDUCATION

ACE, the Association for Childhood Education, is an organization for all students who wish to promote the education of young children in the school, home, and community.

Programs at ACE meetings have included guest speakers discussing creativity in the classroom, con-

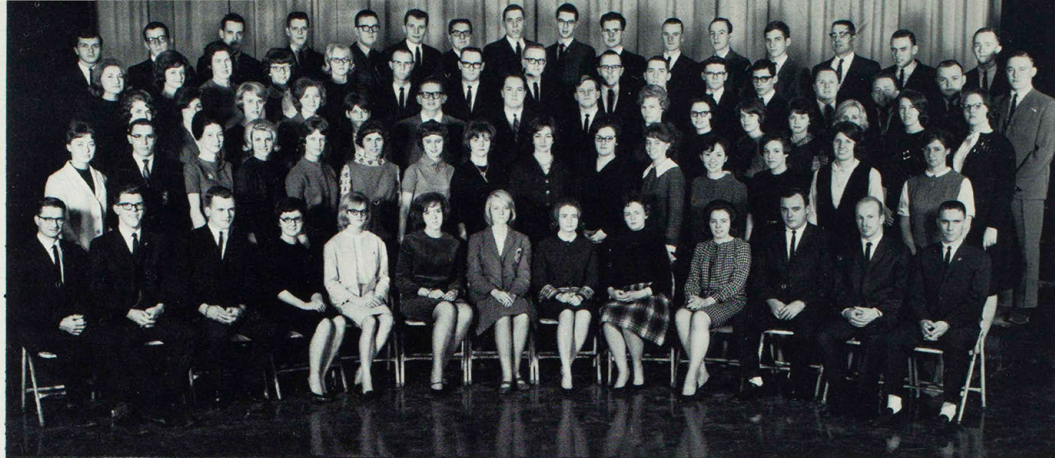

servation education, jobs for the beginning teacher, teaching underprivileged children, foreign language in the elementary school and helping beginners.

The primary effort of ACE members this year was the state convention of ACE held on our campus in May.

ALPHA PHI SIGMA

Professor Byron Cosby, college Business Administrator, founded Alpha Chapter of Alpha Phi Sigma on this campus February 26, 1930. The organization is "to give preferment and honor to those who have struggled and set up a high standard of scholarship,

fine thinking and ideals, and correct spiritual values."

High school salutatorians and valedictorians may become associate members their Freshman year. Maintaining a 3.0 or better average for three consecutive quarters is the requirement for master membership.

PHI DELTA KAPPA

Phi Delta Kappa is an International Professional Educational Honorary Fraternity for Men.

The chief purpose of Phi Delta Kappa is to promote free public education as an essential to the

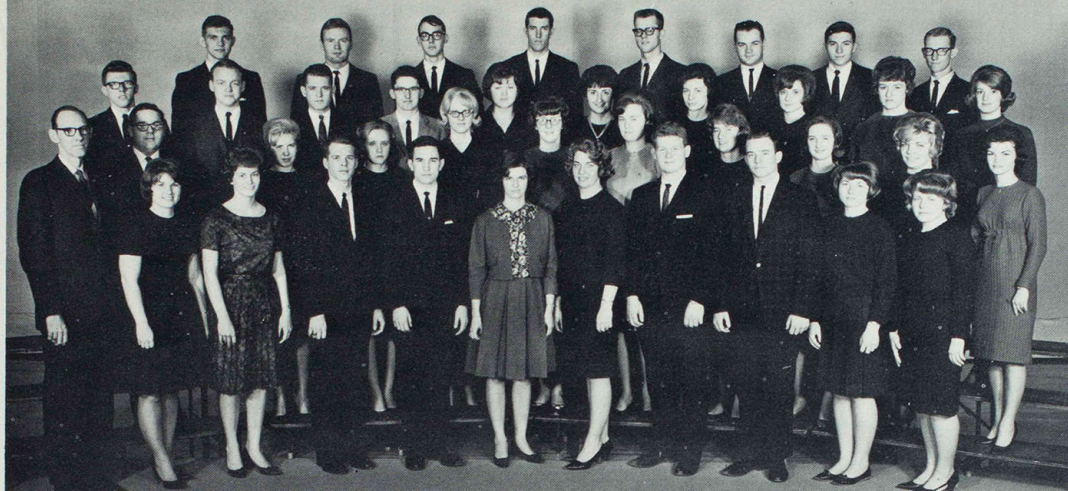

development and maintenance of a democracy. Its motto is "Leadership—Service—Research."

AEOLIAN CLUB

The Aeolian Club is a social-professional organization for students interested in music. A picnic in the fall, a banquet in the spring, the Missouri Music Education Association convention, and programs of musical

interest provide worthwhile activities for the members of the club. Aeolian Club members also help the Music Department at receptions and recitals.

ELEMENTARY MAJORS CHORUS

A new opportunity for future elementary school teachers is offered by the Elementary Majors Chorus. This group was formed this year, and is under the direction of Mrs. Claudine Triplett.

The chorus provides an opportunity to learn more about music on the elementary level and allows an informal exchange of ideas. The group did an excellent job of singing at the Christmas Tea.

PI OMEGA PI

Alpha Chapter of Pi Omega Pi was founded by Dr. P. O. Selby in 1923. Since that time, Pi Omega Pi has become a national organization for students and teachers in the business education profession, and is recognized as an outstanding honor society.

Six members of Alpha Chapter attended the Biennial Delegate Convention of Pi Omega Pi held

in Chicago December 28-30, 1964. Dr. Selby was an honored guest at the banquet and delivered a short message to the delegates.

Pi Omega Pi meetings give students and faculty members in the Business education Department an opportunity to get better acquainted and to enjoy the fellowship with others in their profession.

HONORARY ART CLUB

Besides working on floats, painting outside in sub-zero weather, doing stage design for Christmas programs, staying up until the wee hours of the morning putting finishing touches on an oil, or getting printing ink smeared on clothes, art majors do unite. The Honorary Art Club, under the sponsorship of Mr. William Unger, serves this purpose.

The Art Club attempts to help art majors and

minors to recognize the value of their field and to unite all the fine arts. The programs at the meetings promote this through lectures, discussion of pictures, painting with oil (everyone participating), and members and guest speakers sharing new ideas with the group.

The Honorary Art Club is open to art majors and minors who have attained an honor point ratio of 3.0 in art courses.

PI KAPPA DELTA

For an activity which stimulates the mind there is none more rewarding or challenging than debate. But, whether it be debate, oratory, or extemporaneous speaking the goal might well be Pi Kappa Delta.

Theta Chapter of Pi Kappa Delta is an Honorary Forensic Society. It holds as its purpose the hopes of stimulating progress in and to further the interest of intercollegiate speech activities and communication. It also provides a functional leadership training for life, encourages a spirit of fellowship, brotherly cooperation, and an incentive for achievement.

Besides traveling widely throughout the year, members of the chapter were host to the 25th annual NEMSTC midwest Speech Tournament, and sponsored the School's Regents Debate Award.

ENGLISH CLUB

The English Club was organized last year at Northeast Missouri State Teachers College by students interested in alerting themselves to current teaching

problems, fostering good English usage and creative writing, and encouraging the reading and interpretation of literature.

COLLEGE PLAYERS

The College Players are the center of live theatre on Campus. This organization creates the opportunity for interested students to learn and participate in all aspects of the live theatre. This includes acting, building sets, and the other important tasks that are part of a production.

The College Players have presented "The Twelfth

Night" and "No Exit" directed by Mr. J. G. Severns, and "The Room" directed by Mr. Vincent Stewart. The Players also received and accepted an invitation to present "No Exit" in St. Louis.

In an effort to promote culture on the college campus, the College Players sponsor the Film Club, which is the showing of some of the best foreign films.

ORAL INTERPRETERS

To read with greater understanding, the purpose of the Oral Interpreters, has been carried out by both public and private reading hours. Highlights of the year include a program given by Kenneth Janes, an Englishman, who is director of theatre for Barnard College in New York. Other programs were the annual Christmas reading hour entitled "Once a Year," "And Gladly Teach," and "Animals Can't Talk."

Row 1: Mary Westberg, treas.; Sue Davis, hist.; Cheryl Kincaid, Barbara Baldwin, Joyce Lohrman, Karen Douglas, Sandra Rule, Debbie Fortel. Row 2: Barbara Wright, Terry

Members of the group have matched their skill as oral interpreters against other interpreters in the Midwest Speech Tournament and the Hawthorn Interpretation Festival. The club was organized in 1958. Members must have had the oral interpretation class or be currently enrolled. Dr. Elizabeth Worrell is the sponsor of this organization.

HISTORICAL SOCIETY

Historical Society has the distinguished reputation of being the oldest organization on campus. Founded November, 1906, it has, since that time, provided fellowship for those who share a common interest in history.

Its purpose is to provide each member with stimulative, informative material designed to supplement his knowledge of history through programs

featuring speakers, pertinent films, and panel discussions. The Society also has an annual excursion to a location of historical interest which is both educational and enjoyable for all concerned.

The Historical Society welcomes any collegian or faculty member who is interested in history and desires to be associated with others who share his interest.

AGRICULTURE CLUB

The Agriculture Club was formally organized in the fall of 1935. The purpose of the club is to create interest in agriculture and in the teaching of agriculture as a vocation. In 1948, the Ag Club received a charter from the college to operate as a professional-social organization.

Many activities have been undertaken by this organization since it was founded; barnwarmings, Row 1: L. R. Kuhlman, adviser; Max Wolf, pres.; D. G. Ledford, v. pres.; Donald Lincoln, sec.-treas.; John Suchland, Olin Derry. Row 2: Jerry Cook, Lewis M. Carter, Herbert

picnics, and chili suppers were all on the calendar for many years.

Participation in Harvest Festivals and the Northeast Missouri Fair at Kirksville have also been part of the annual Ag Club program. The club has consistently participated in conducting F.F.A. contests for high school students of northeast Missouri.

PRE-LAW CLUB

The Pre-Law Club was founded in 1961 under the sponsorship of Professor William H. Hatcher and has developed into one of the finest organizations on campus. Its highly spirited discussions on a wide variety of topics have gained a high reputation among both faculty and students, and these discussions serve

to enrich the student's education and give him a chance to voice his opinions on important issues. The club has also invited guest speakers to the campus, and sponsors a delegation to the Missouri Intercollegiate State Legislature which is held in Jefferson City early in May.

YOUNG DEMOCRATS

The purpose of the Young Democrats Club is to provide support for the Democratic party and information for those seeking to enrich their lives as

citizens of America. This year debates were held, films shown, and speakers were presented at the meetings to stimulate the interest of members of the organization.

Row 1: Tom Motley, pres.; Rick Rabenau, v. pres.; Michaela Kilroy, sec.; Marcy Kaiser, treas.; Karen Huckabee, Wanda Blakemore, Linda Miller. Row 2: John Beary, Gina Vetter, Jeanne Bealmer, Marilyn Roudabush, Janet Flesch, Carole

YOUNG REPUBLICANS

"Goldwater in '68"? Who knows? In any event, NEMSTC's Young Republican support can be taken for granted. The Young Republican Club was organized to provide an outlet for students interested in good government under Republican principles and

who have lent their service to the party's candidates, both on the national and local levels. This work is carried on in order that the organization's members, as well as others, become better informed citizens.

INDUSTRIAL ARTS CLUB

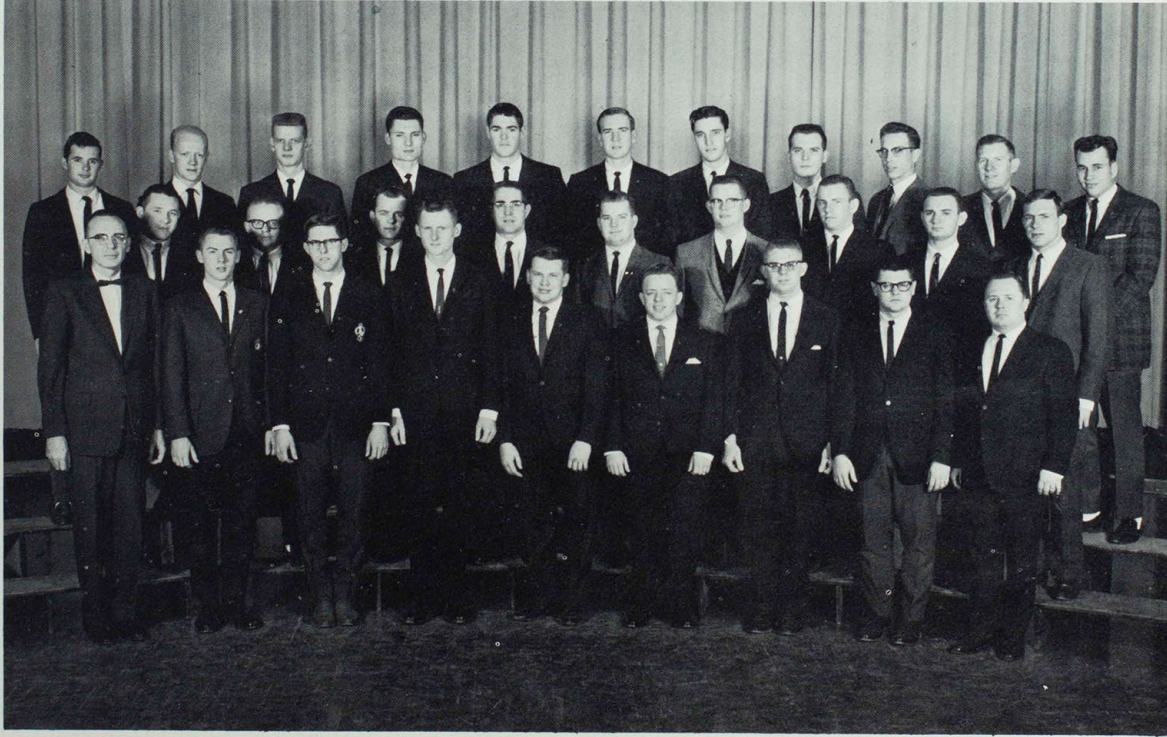

Handymen around the campus, the Industrial Arts Club performs numerous services for the college. These jacks-of-all trades assist with spring F.F.A. contests and parent's day activities, and are always on hand to help with work ranging from building new trophy cases to wiring public address systems.

Another prominent feature of the I.A. Club is taking first prize each year for their unique, mechanical float at the annual Homecoming parade. This year the

float also won the prize for the best over-all float.

Climaxing the year's work, each member looks forward to the annual spring trip to a large industrial center to tour diversified factories and plants.

The Industrial Arts Club, a social-professional organization, seeks to provide instructive programs and to encourage an advancement in the industrial education field.

STUDENT NURSES ASSOCIATION

Row 1: Linda Swailes, Margaret Biggs, Betty Conley. Row 2: Vivian Moots, Waynella Uhland, Janet Wood, Virginia Robinson.

The Northeast Missouri State Teachers College Nursing Program is accredited by the Missouri State Board of Nursing. The graduate will have a Bachelor of Science degree, nursing major, and will be permitted to take the state examination for registration, (R.N.). The college has complete jurisdiction of the program of education for professional nursing which includes methods and hours in instruction, clinical assignment, supervision and evaluation of the students by the nursing faculty. The affiliating institutions are Grim-Smith, Laughlin, and Kirksville Osteopathic Hospitals in Kirksville, and Still-Hildreth Osteopathic Hospital in Macon, Missouri. These hospitals, with a combined capacity of 350 beds, and associated clinics, provide experience in all institutional nursing services. Public Health Nursing experience is from the district office of the Missouri Division of Health at Macon and local clinics. The graduate of this program is prepared for staff nursing and is eligible for postgraduate study in any nursing area. Students must maintain a 2.2 honor point ratio.

The objectives of the Student Nursing Program are: to prepare professional nurses to serve the expanding needs of humanity in health and disease, and to Offer additional preparation in school nursing and techniques of health education.

COLHECON CLUB

The Colhecon Club membership consists of college students interested in professional home economics and homemaking. Along with social meetings, Colhecon strives to promote the professional benefits of a home economics career.

During the year, Colhecon sponsored such diverse activities as a get-acquainted picnic and was hostess at a State Colhecon Workshop in September; the initiation of forty-three new members in November; a Christmas Party featuring Dr. Flora MaGee giving the history of Colhecon; a special career night in

January with speakers from such fields as interior design, home economics, journalism, and institutional cooking. In February, Colhecon sponsors a formal tea with the home economics students of the local high school as guests of honor. April is the month for the annual spring banquet, when outstanding students in home economics are honored. The year's activities are concluded with a farewell party for the seniors in May.

Through the year Colhecon members work with the thought that "The reward for a job well done is having done it."

SIGMA ZETA

Sigma Zeta is the national honorary science society on campus. To be eligible for membership, a student must be majoring in natural sciences or mathematics and must maintain a high degree of scholarship in these fields.

A program is presented at each meeting by a

member of the science faculty. The group participates in the annual fair of the Missouri Academy of Science.

The aims of the organization are to encourage continuing advancement in the field of science, to promote and recognize scholastic achievement, and to foster friendly social activities.

PRE-OSTEOPATHIC CLUB

The Pre-Osteopathic club offers its members a program of professional and social structure.

The activities included in the club's program are: human anatomy demonstrations at KCOS, lectures and demonstrations by visiting professional men, professional movies, etc.

4-H CLUB

The 4-H'ers on the campus filled their year with speakers, slides, social hours, and business meetings. Through discussions of the various aspects of Missouri State Club Week, members shared ideas, problems, and experiences to help them become better citizens. Through these activities they fulfilled their purpose of developing individuality and initiative in the youth of

America as well as to promote and strengthen citizenship and leadership. Thus, they live up to their motto "To Make the Best Better."

The year's program was highlighted by a talk by the International Farm Youth Exchange delegate to New Zealand, career explorations, and safety, first aid, and fall-out shelter precautions.

K-CLUB

K-Club celebrates its fiftieth anniversary on the NEMSTC campus this year. It was founded in 1915 as a social-professional organization to establish and maintain good public relations between athletes of the college and the students, faculty, and people of Northeast Missouri and surrounding states. This is accomplished by united action toward healthy and enthusiastic promotion of worthy projects and activities.

K-Club gives the R. E. Valentine Memorial Scholarship to the member with the highest honor point ratio for each quarter. The money for the scholarship is raised by selling candy in the fall. K-Club annually presents Life-Time passes for all athletic contests to K-Club alumni. Proceeds from the 50th Anniversary Benefit Dance will be used for the R. E. Valentine Scholarship fund.

K-DETTES

Precision marching and dance steps marked the arrival of the first performance of the K-Dettes at a football half time last fall. As they strutted out in grand style onto the field, they helped perk up school spirit for the Bulldogs.

Homecoming found the K-Dettes setting a rhythmic pace as they and the college band led the festive parade. The performance of a "cowgirl" and a

"hillbilly" skit added much enthusiasm to two of this year's basketball games.

The tremendous success of their annual freshman assembly program made up for all the long and tiresome hours of practice that went into perfecting their performance.

Under the able direction of Mr. Al Srnka, an experienced dancer and performer himself, the K-Dettes enjoyed a very successful year.

PHYSICAL EDUCATION MAJORS CLUB

PEM Club has as its objective the professional growth of women majoring in physical education. It encourages high standards of leadership and scholarship.

The club had a variety of programs which included a program by the Clinton Tumble-Ettes gymnastics group, a picture slide program of Europe, the annual Olympic Holiday Christmas Party, movies on the Tokyo Olympics, and the annual chili supper.

Forty-eight girls joined the student section of the American Association for Health, Physical Education,

and Recreation and the Missouri Association for Health, Physical Education, and Recreation.

One project was compiling the Missouri Physical Educators Directory. Club members also took part in student teacher panel discussion groups, lectures, and attended the convention of A.A.H.P.E.R. held in St. Louis.

The year ended with the annual PEM Club picnic and the presentation of the Sheryl Fullerton Grim Memorial Scholarship.

WOMEN'S RECREATION ASSOCIATION

The Women's Recreation Association provides an opportunity for all women of the college to participate in a wide variety of sports, dance, and recreational activities. WRA sponsors school-wide team tournaments in softball, volleyball, basketball, and individual and dual sports.

In the spring, the association plays host to teams from several Missouri and Iowa schools at the annual Volleyball Sportsday.

The year's activities are climaxed with the spring banquet at which awards are presented and new officers are installed.

ALPHA PHI OMEGA

Alpha Phi Omega is a Greek Service Fraternity on the college campus dedicated to Leadership, Friendship, and Service.

Each year Epsilon chapter sponsors a spring and fall camporee for the Scouts of Thousand Hills District. The annual Ugly Man Contest and Benefit Dance highlights the social activities of A.P.O. on campus. This year the proceeds from the dance went to help

"CARE." A.P.O. also helps with registration in the fall.

This year the following members attended the 40th National Convention of A.P.O. at Denver, Colorado: Bill Boyle, Dusty Brown, Carl McKenzie, Jim Pound, and Jim Dunlap. These men learned new ideas on administration, personnel, and pledging of the Fraternity at this convention.

INTERNATIONAL CLUB

The International Club serves the students in that all international groups learn to get together, arrange for their social functions, and channel their school political problems.

This year has been one of the very best! Membership this year is high, the homecoming float won first place in the spirit division, and the banquets have been very successful.

BAPTIST STUDENT UNION

Daily periods of devotion find students gathering in the chapel at noon or evenings for student conducted worship Monday through Friday. A brass ensemble group and voice choir were new program items. Sunday worship in the local churches along with regular mission study and activity complete the spiritual program section.

Classes for college credit are offered each quarter. Informal discussion seminars are conducted weekly and special weekend emphases are held.

Recreation area and lounges are open daily to all students on campus. The bouncing ping-pong ball

provides a basement metronome for the lounge stereo. Intramural teams are entered in all events. BSU Saints, Sinners, Devils, and Angels (a woman's basketball team) placed high in volleyball and basketball. BSU holds the school championship in ping-pong singles and doubles and badminton doubles.

Special activities of BSU included the sale of UNICEF cards during the fall quarter to "help the children of the world"; collection of used clothing for distribution to refugees in Miami, Florida; and the annual chickenque the first week of fall quarter.

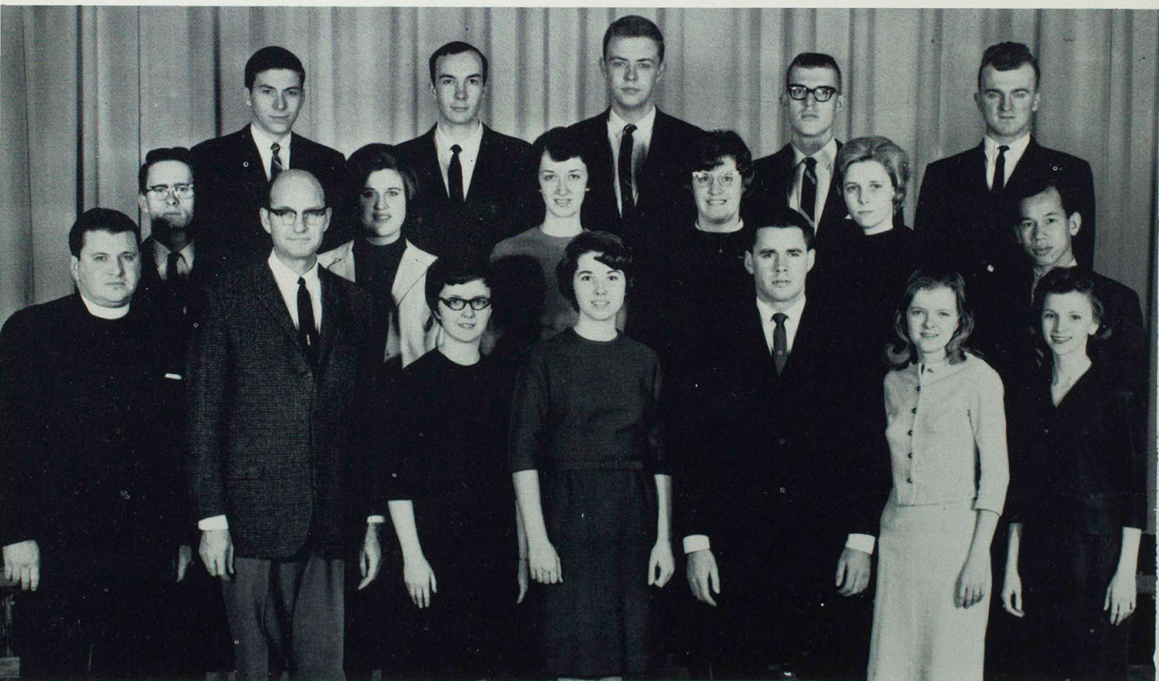

UNITED CAMPUS CHRISTIAN FELLOWSHIP

The UCCF is an Ecumenical campus movement. Just this year the organization adopted a constitution and became more firmly established.

Other developments during the year have included the acquisition of a house at the campus, and a choir which serves the churches of Kirksville and the surrounding community.

The Reverend William G. Rhoades, a Presbyterian minister, came as director of the UCCF this year, and is the first full time campus minister for the organization. National and local sponsoring denominations include the Evangelical United Brethren, United Church of Christ, Christian, Presbyterian, Moravian, and Episcopal churches.

WESLEY FOUNDATION

Wesley Foundation, the voice of the Methodist Church on state and Independent college and university campuses, has taken on a new look at Kirksville. A Friday-night Coffee House was established and the members acquired the full use of the student center.

This year, the foundation, under the direction of Reverend David Schadt, has presented programs in the

areas of civil rights, international relations, and the meaning of art, literature, and history in life.

Some of the highlights of the year have been the formation of encounter groups led by the student and the sharing of experiences by those who attended the conference at South Dakota and Nebraska.

NEWMAN CLUB

The Catholic Newman Club Federation strives to further the religious, intellectual, and social life of its members.

Guided by a chaplain, faculty sponsor, and officers, the members complete successfully a wide span of activities. With religion foremost in mind, the members participate in retreats, hold Patrician meetings, frequently enjoy speakers on some aspect of religion,

and annually hold a Cardinal Newman banquet.

This year the Newman Club completely revised their constitution and participated in the College Bowl. The social program and various projects include picnics, a hayride, a homecoming float, Halloween dance-party, pancake and sausage breakfast, Christmas card sale, newsletter, and sports night.

Bulldogs Regain MIAA

After two successive "almost" years, the 1964 Bulldog football squad lived up to their advance billing by going undefeated through their MIAA schedule to bring the conference title back to Kirksville. The Bulldogs combined a powerful forward wall with an explosive running attack to post a 7-2 season record. Parsons and Arkansas Tech were the only teams to down the NEMSTC gridders as the 'Dogs had little trouble against their MIAA foes.

All-american tackle Dave Grant and center John Glore co-captained the Kirksville eleven as they shook off injuries to key men early in the season to win the MIAA crown. An injury to Dave Carty, freshman half-back who was paralyzed by a spinal injury in scrimmage, dampened what was otherwise a rewarding season.

KIRKSVILLE 14—WESTERN ILLINOIS 10. The Bulldogs' powerful line paved the way to the first win of the year. T. J. Jackson scored the first NEMSTC touchdown of the season with only five minutes gone in the game as he followed a double block by John Gloré and Mo Minervini to cross the goal line. After a bad pass from center went over punter Mike Richardson's head for a safety, Sharron Washington went 24 yards on an end sweep to give the Bulldogs their winning margin. But the big credit went to the defensive line which held the Leatherneck backs to 49 yards on the ground.

KIRKSVILLE 12 — PARSONS 22. Wildcat quarterback Gary Gardner, one of the top passers in the country, threw for a total of 436 yards in leading his mates to a mud-splattered victory over the Bulldogs. Gardner and his crew of top-notch receivers overcame a slippery ball and the soggy turf to take a 22-0 lead before Kirksville could get on the scoreboard.

A pass over the middle to Steve Gilliatt put the Iowans in front in the first quarter before another bad center snap on a punt, the second against Kirksville in as many weeks, made it 8-0 in favor of the Wildcats. Parsons, with nearly 300 hometown raincoat-clad supporters in the stands, added two more touchdowns to virtually wrap up the decision.

The Bulldogs saved face in the final period when Paul Comer came in to throw a pair of touchdown passes to Lou Coco and Walt Olinger.

KIRKSVILLE 40—PITTSBURG 16. Six intercepted passes and several long gainers paced the Bulldogs to their second win of the year at Stokes Stadium. Speedy T. J. Jackson went 95 yards on an inside reverse early in the game for a 7-0 Kirksville lead. Mike Richardson set up the second TD with a 59 yard jaunt and helped the 'Dogs to a 21-0 halftime lead.

Clifton Ray and Willie Jones each picked off two Pittsburg passes which led to Kirksville tallies while fullback Ron Villars rambled 54 and 62 yards to twice put the ball deep in Gorilla territory. Jackson and Sharon Washington each crossed paydirt twice before the afternoon had ended.

KIRKSVILLE 35—ROLLA 12. Piling up over 400 yards in the opening half, the Bulldog gridmen ruined Rolla's Homecoming festivities with an easy victory. Kirksville passed their first conference test with flying colors as the entire Bulldog squad got into the game. Mike Richardson put the 'Dogs ahead in the first quarter with a 31 yard TD run. Ron Villars scored the second touchdown from five yards out after T. J. Jackson had set it up with a 52-yard jaunt.

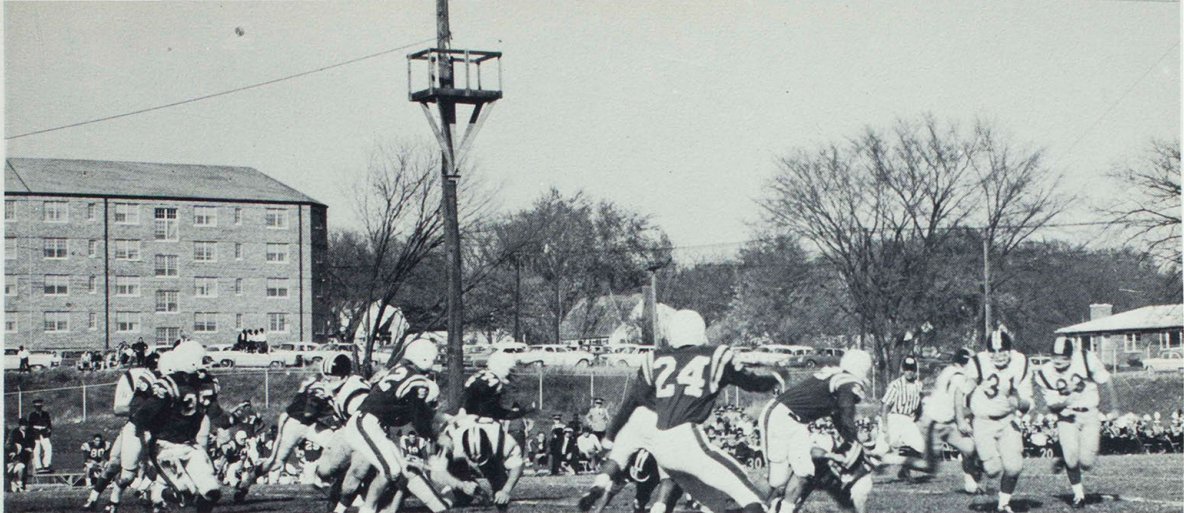

A 63-yard scoring pass by Rolla gave the Miner alumni one of their few opportunities to cheer as Sharon Washington came back to make it 20-6. Paul Comer hit Richardson with a 39 yard scoring pass and Jim Dattilo ran the final Bulldog TD across before reserves finished the contest for Coach "Red" Wade's club.

Coco Stars In Crucial Homecoming Victory

KIRKSVILLE 12 — CAPE GIRARDEAU 3 Lou Coco was in the right place at the right time as the sophomore end came up with two timely pass interceptions and went 20 yards with a Paul Comer pass for the winning touchdown. A capacity Homecoming crowd sat through a hard-fought first half which ended in a scoreless deadlock.

Irvin Whitehead's 21 yard field goal with seven seconds left in the third period gave the Indians what appeared to be a decisive 3-0 margin. With less than two minutes gone in the final quarter, Coco grabbed a Whitehead pass on his own 10 and ran it out 32 yards. Comer hit Coco three plays later to put the Bulldogs in front 6-3.

With time running out in the last period, Coco made a diving catch of another Whitehead pass to end the final Cape threat. Another pass interception, this time Sharron Washington, added the final touchdown to preserve the Homecoming victory and keep the Bulldogs' title hopes alive.

KIRKSVILLE 20—MARYVILLE 8. The Bulldogs took another giant step toward the MIAA championship as they downed a previously undefeated Maryville team before over 11,000 embittered Bearcat fans. Another outstanding defensive performance, led by Don Rowden, was instrumental in the NEMSTC victory as the Maryville backs were held to 80 yards rushing.

After a scoreless first period, Sharron Washington struck twice in the second quarter to make it 14-0 at halftime. The swift sophomore halfback went 54 yards over tackle for the first TD before choosing the same spot three minutes later for an eight-yard score. The fourth quarter was marred by numerous unsportsmanlike conduct penalties against the Bearcats which helped the Bulldogs to their final touchdown.

KIRKSVILLE 14—SPRINGFIELD 0. Gaining revenge for a costly defeat at Springfield last season, the Bulldogs clinched at least a share of the MIAA football championship. The victory was the fourth straight conference win for the 'Dogs as they held the highly-touted Bears to only 85 yards rushing.

The Bulldogs took advantage of a costly Springfield mistake late in the first half as the Bears fumbled a Kirksville punt on their own 19 yard line. Fullback Walt Olinger went over from one yard out a few minutes later for the TD and a pass from Paul Comer to Marty Rue on the PAT made it 8-0 at halftime. A 62 yard pass play from Comer to Willie Jones for the final Bulldog tally.

KIRKSVILLE 38—WARRENSBURG 7. A fired-up NEMSTC club assured themselves of a clear-cut MIAA football crown as they raced to a decisive victory over the Mules to close out the 1964 conference schedule with a perfect record. Mike Richardson tallied four of the winners' touchdowns. After Adolphus Mooney went 46 yards for the Mules' first MIAA touchdown of the season, Paul Comer put the icing on the victory cake for Kirksville with a 64 yard scoring pass to Clifton Ray.

KIRKSVILLE 32 — ARKANSAS TECH 34. A late Arkansas touchdown spoiled a tremendous effort by the Bulldogs' T. J. Jackson as Kirksville closed out the season with a 7-2 record. The Wonder Boyd held a 21-13 margin at intermission but Jackson erupted for two quick touchdowns in the third period to put the Bulldogs in front 26-21. After stealing a pass deep in NEMSTC territory late in the game, the Bulldogs gave up the ball on a fumble and saw Tech push over the winning touchdown.

Three Bulldogs On All-Conference Team

A trio of Kirksville standouts were honored with first team berths on the 1964 MIAA All-Conference football teams while four more Bulldogs were chosen to the second unit. Dave Grant, a first team pick for the past four years, was a unanimous selection while end Rich Rhodes and halfback Mike Richardson were also named to the No. 1 unit. Grant, a 240 pound senior tackle, was also honored on several All-America squads during his collegiate career to earn recognition

as one of the top linemen in NEMSTC history.

Rhodes, a 220 pound junior, was switched from tackle to end early in the season and was one of the key performers in the Bulldogs' title drive. Richardson was chosen on the all-star eleven for the third straight year as he averaged 5.6 yards per carry and led the league in punt returns. Chosen to the second team were tackle John Chargois, guard John Kennedy, and backs Sharron Washington and Dave Martin.

Bulldog Cindermen Extend Winning Streak

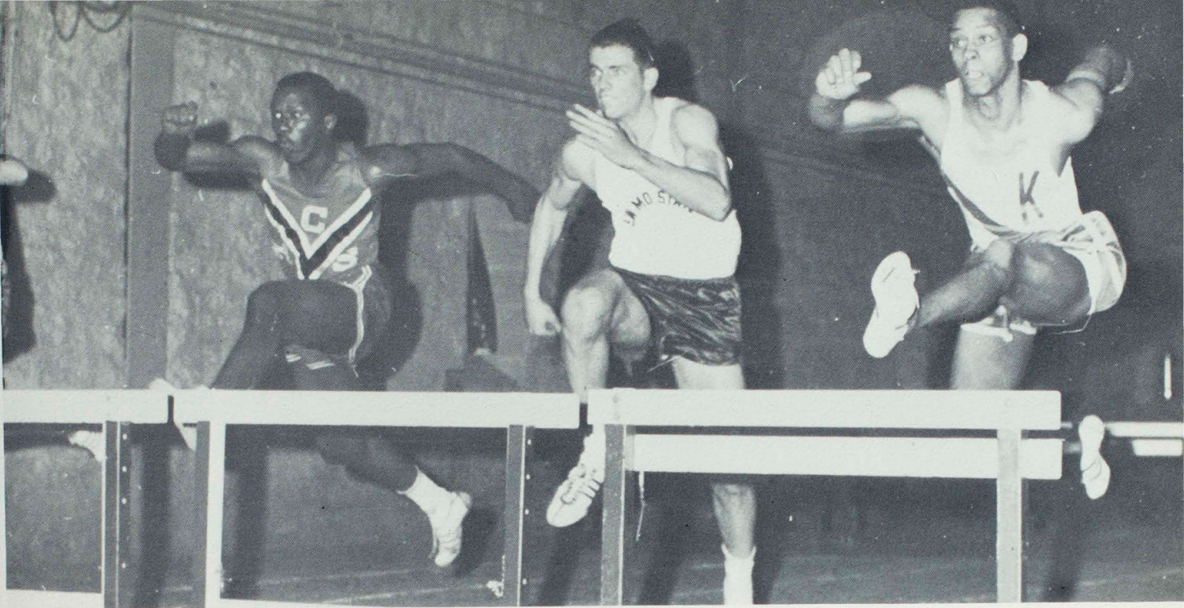

As the 1965 track season opened for the Kirksville cindermen, the question was not whether they would win their seventh straight MIAA championship, but by how much. The competing conference schools were simply shooting for second place as Coach Kenneth Gardner's thinclads raced to their seventh straight indoor crown at Columbia.

Sporting a pair of Little All-America track stars in high jumper Dave Taylor and distance runner Ed Schneider the Bulldogs continued to bring prestige to their school by holding their own against the best collegiate competition in the nation. After grabbing the MIAA title in March, the purple-and-white thinclads made excellent showings in the relays at Memphis, Emporia, Kansas and Drake.

Schneider closed his career owning all three distance records at the conference indoor and, along with several teammates, carried the Bulldog banner high at the NCAA regional meet held at Kirksville in May.

SEVEN STRAIGHT MIAA CONFERENCE INDOOR TITLES

Bulldogs' champion two-mile relay team consists of Terry McDonald, Ron and Bob Frost, and Eddie Schneider. This quartet placed in several national meets across the country.

Bulldog Harriers Place Second In National Meet

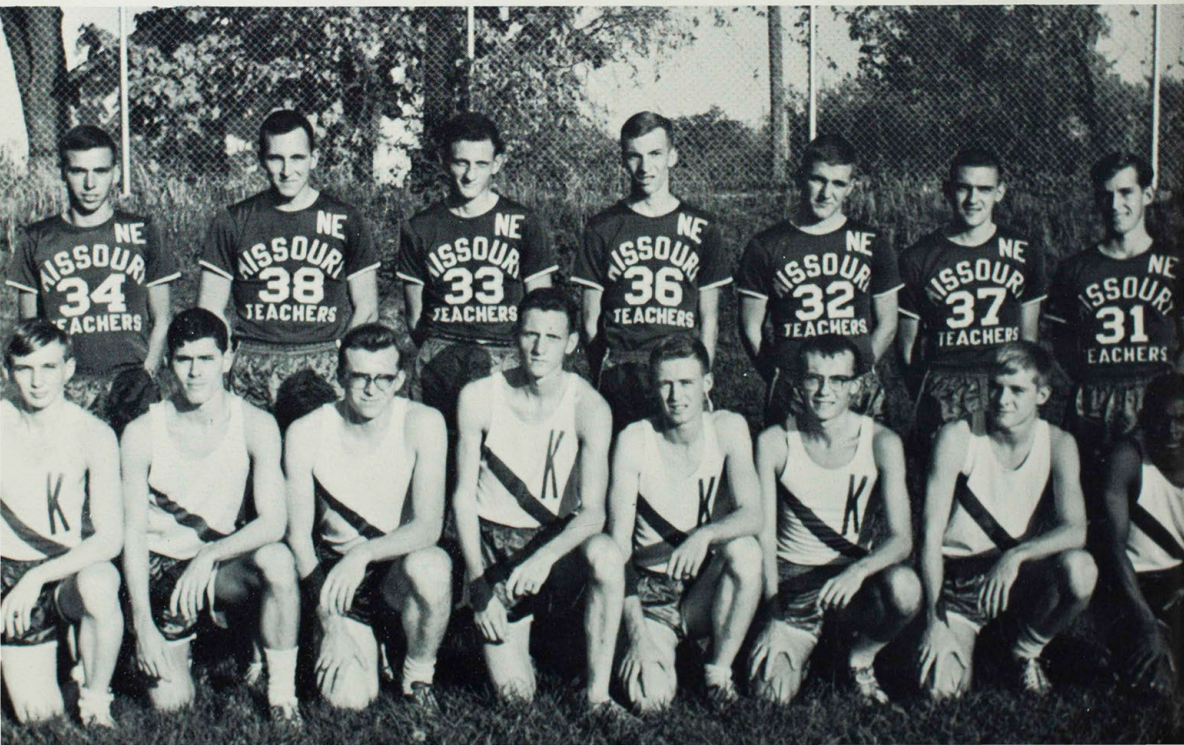

Coach George Hermann's Bulldog cross country team topped off the best season in NEMSTC history by winning second place in the national NCAA College meet in November. It was a fitting climax to the 1964 season as the Bulldogs had copped their sixth straight MIAA title a week earlier.

Led by St. Louis ace Eddie Schneider, the purple-and-white harriers swept through their eight game schedule undefeated setting numerous records on the

way. Schneider finished his cross country career for the Bulldogs by winning top individual honors at the national meet after successfully defending his MIAA title.

Terry McDonald joined Schneider on the all-America cross country team by finishing in fourteenth place at the NCAA finals. McDonald also was fourth at the conference meet while teammates Jerry Kusek, Ron Werling, and Craig Guinn were right behind.

Back Row: Schneider, McDonald, Frost, Werling, Tiernan, Guinn, Kusek. Front Row: Kobel, Closson, reiters, Frost, Nagel, Rice, Reiter, Walker.

One of the all-time great athletes at NEMSTC, Ed Schneider, closed his collegiate track career this year. During his illustrious four year career, he distinguished himself as one of the most outstanding individuals ever to represent the purple-and-white in varsity athletics.

Schneider capped his cross country career last November by winning first place in the national NCAA meet at Wheaton, Illinois. By winning this race, the senior from Jennings was automatically named captain of the 1964 all-America cross country team.

Eddie became one of the few collegians ever to gain all-America recognition in two sports as he was chosen to the all-America College track team the previous June. He also became the first individual ever to hold three MIAA indoor track records when he set the two-mile mark at Columbia in March.

After finishing fifth in the conference cross country meet his freshman year, he went on to win top honors the next three seasons. Schneider paced the harriers to 14 consecutive dual meet victories during the past two years. He played a major role in the NEMSTC track team's success during the past four years, and placed second in the mile run at the NCAA meet in 1964.

President Ryle headed the list of accolades after his victory at the national cross country meet last fall: "Mr. Ed Schneider through his untiring and persistent work has brought honor to himself and distinction to his College. Much of his success is due to his sincere dedication to the task to which he is devoted."

Although the records he set may some day be broken, few will soon forget this soft-spoken young man who brought so much honor to his school.

Tennis Team Defends MIAA Title

Coach Ralph Pink's NEMSTC Bulldogs opened their 1965 season with an unprecedented southern tour to Kentucky, Mississippi and Florida. Although the defending, MIAA titlists dropped all five matches on their trip, they gained valuable experience which helped them to return home and win their next five encounters.

Four lettermen returned from the Bulldogs' 1964 championship club which compiled their best record in

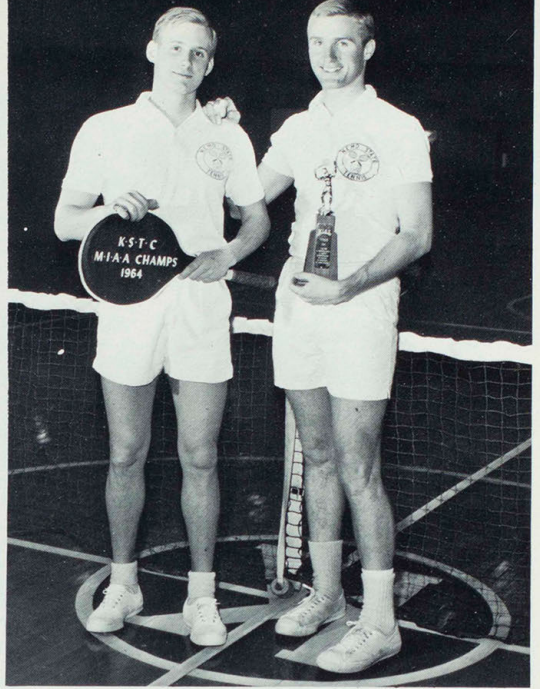

history. Conference champions Frank Gantt, Dennis Mueller, Wendell Kilian and Hank Kaufmann were expected to carry the load while Ron Thomas and transfer Dave Elmore completed the Bulldogs' lineup.

Rebuilding Year for Bulldog Golfers

Golf coach Bill Richerson, with four veterans back from a 2-6 season in 1964, was pessimistic as the season opened. The Bulldogs lost three mainstays from their previous campaign and had difficulty finding replacements for the departed veterans.

Senior Terry Sheesley was counted upon to handle the No. 1 position for the NEMSTC linkmen while a pair of Oskaloosa, Ia. teammates, Don Barnes and Dick Patchett, were also expected to carry major loads.

Sophomore Jeff Revier was the other returning veteran as the Bulldogs opened the season.

Other returnees included Bill McCormick, Paul Comer and Bill Hersh while Richerson was hoping other candidates would report after the snow had melted.

The stiff Bulldog schedule included Drake, Parsons and Western Illinois before they ended the season with the MIAA tourney.

Intramural Athletics Keep Students Physically Fit

Directed by Ralph Pink and ably assisted by John Rushing, men's intramurals at NEMSTC reached new heights this year as what appeared to be the entire male enrollment participated in the well-organized program.

The Menehunes, in quest of their second straight all-sports championship, claimed the fleetball crown to open the year. Dave Knes outlasted all others to win the individual honors in tennis.

An aging but agile Faculty team ran away with their fifth consecutive volleyball title before over 700 men turned out to play in the favorite intramural sport, basketball. The Sports Imperials downed the Big Reds in the final game to cap another highly successful hard-

court season. Steve Honowitz edged Ron Clawson in a shoot-off for the basketball free throw title.

Softball took over as the No. 1 attraction in the spring as 36 teams began competing for the all-school championship. Even the most serious introverts set aside their books to lend their talents to activities including badminton, table tennis, tug-of-war, horseshoes and the Turkey Day run.

The annual track and field meet closed the slate of activities as former high school athletes came out to test their unused leg muscles, vowing never to do it again—until next year.
