The Power of U

Six to Join Athletic Hall of Fame

On Nov. 7, six former Truman athletes will be inducted into the University's Athletic Hall of Fame. The athletes will be recognized and introduced during halftime of the football game against Northwest Missouri State that begins at 1 p.m. A pre-banquet reception in their honor will begin at 6 p.m. in the SUB Quiet Lounge. Following the reception, the banquet and induction ceremony will begin at 7:30 p.m. in the SUB Georgian Room. Banquet tickets are \$12 each and are available at the Athletics Office, Pershing Building 213, 785.4235.

This year, the featured guest speaker will be Truman's only Olympic Gold Medalist, Ray Armstead. Armstead was a member of the 1984 world champion 1,600-meter relay team at the summer Olympics in Los Angeles. The St. Louis native (Northwest High School) completed his collegiate track career in 1984 at Truman and is a 1994 inductee in the Truman Athletic Hall of Fame.

Since the inception of the Truman Hall of Fame in 1983, 166 persons have been inducted. This year, the following athletes will be honored.

LEROY BERRY (Town and Country, Mo.), a Bulldog track member from 1960-63, shares the school record of 9.6 for the 100-yard dash with two other Bulldogs. He was on the 1963 440-yard relay team that had the fourth fastest time among all NCAA Divisions (40.9). Berry won the Mid-America Intercollegiate Athletics Association 60-yard dash four consecutive years and was the conference high-point performer twice during that time. In summer 1963 at an AAU meet in Kansas City, he ran the 100-yard dash in an unofficial time of 9.4, one-tenth of a second off the world record at that time. Berry is currently on the board of directors of the I Have a Dream Founda-

tion and Kingdom House in St. Louis. For the past 15 years, he has been an agent and owner of a State Farm insurance agency branch in St. Louis.

BRIAN CAMPBELL (Encino, Calif.), was a tennis player for the University from 1981-83. As a junior, Campbell had a 24-4 record at No. 2 singles. The 1982 'Dogs compiled a 16-4 dual meet record and finished in a tie for 14th at the NCAA Division II Championships. As a senior, Campbell was nationally ranked seventh in doubles and 19th in singles. His No. 1 doubles team ended the season with a 24-2 record. He also earned all-America honors twice, only the fourth Bulldog tennis player to receive the honor. Recently, he was ranked second nationally for 30 and over players in USTA men's doubles and won five national doubles titles from 1991-98. Campbell has spent the past 14 years in commercial insurance and brokerage and currently works for Marcus and Millichap in Encino. CHRIS HEGG (Overland Park, Kansas), a football standout at Truman, played for the Bulldogs during the 1984-85 seasons. As a junior, he completed 126 of 268 passes for 3,741 yards and 32 touchdowns. That year, he was named to the Associated Press, American Football Coaches Association and Football News all-America teams. Hegg was also selected as *Football News'* Division II Player of the Year, to the 1985 all-MIAA first team and was the Truman and MIAA MVP. Hegg still owns six Bulldog single-game and six single-season records, a Truman career mark and two NCAA single season records. Currently he is a sales representative for Goodheart-Wilcox Publisher.
