THE 1985 ECHO will be mailed by the publisher to individual students, faculty and staff. Students should stop by the ECHO table between 1:30 and 4:30 p.m. today and Tuesday, near the mall-side entrance of the Administration/Humanities Building to fill out a mailing label. There is no charge for the ECHO to students who were full-time during the fall and spring semesters. The charge is \$6.25 for each semester students were not enrolled full time. Faculty and staff should contact their division or office secretary for information.

ALLAN OSTAR, president of the American Association of State Colleges and Universities, will address the Spring Division of the class of 1985 during commencement ceremonies at 10 a.m. Friday, at Stokes Stadium. Ostar's organization, AASCU, has published a book about Northeast's Value-Added Program. AASCU awarded the University the G. Theodore Mitau Award for Innovation and Change in Higher Education in 1983.

THE BOARD OF REGENTS will meet at 2:15 p.m. Friday, in the Conference Room of the Student Union Building.

ITEMS OF INTEREST...

SUMMER NATIONAL DIRECT Student Loans and Work-Study award letters should be ready this week. Students should stop by the Financial Aids Office, 100 Administration/Humanities Building, to sign their award letter before leaving school.

GUARANTEED STUDENT LOAN applications were mailed to a number of NMSU students last week, by United Postal Savings of St. Louis. This was done by the lending institution as a means of advertising, not by the Financial Aids Office. You are not required to complete and return the form. The GSL is only one method of meeting college expenses and United Postal Savings is only one of several lending institutions. If you have taken out education loans previously, you should borrow through the same lending agency so you only have to repay one agency.

A "PINK" ROAST will be held at 6 p.m., June 29, at the Travelers Hotel in honor of the retirement of Ralph Pink, professor of physical education. Tickets are available for \$12.50 from H.A. Walmsly, 314A Pershing Building, 785-4461.
