Alumni to be Honored at Homecoming Events

Calvin Roebuck, a 1957 graduate of Truman with a Bachelor of Science in business administration, is Truman's 2003 Alumnus of the Year. Roebuck retired from State Farm Insurance in 2000 after almost 40 years of outstanding service. He is involved in numerous civic, church and community affairs and is a member of Truman's Joseph Baldwin Society, and served as a member of the Magruder Hall Committee. Roebuck and his wife, Lydia Ann Evans, live in Newark, Ohio.

Dr. Delbert Maddox will serve as the 2003 Parade Grand Marshal. Maddox earned his Bachelor of Science in education from Truman in 1937 and his master's degree in education from the University of Missouri-Columbia in 1939. Maddox began a career in teaching, then enlisted in the Navy in 1942, and was promoted to the rank of lieutenant. He returned to Kirksville in 1945 and taught physical education at Truman, eventually serving as athletic director. He was accepted into medical school at KCOM in 1951 and graduated in 1955. Maddox served the community as a general practitioner physician for more than 30 years while also teaching at KCOM. In 1984, he was inducted into the Truman Sports Hall of Fame. Maddox played football, basketball and baseball for the University, earning 10 varsity college letters. Maddox resides in Kirksville.

The recipient of this year's Young Alumna award is DeAnn Malone. Malone received her Bachelor of Arts in political science from Truman in 1993 and her Juris Doctorate from George Mason University School of Law in 1999. She is an attorney/adviser for the Office of Chief Counsel, Internal Revenue Service. She has served as a member of the Washington, D.C., Truman Alumni Chapter, currently serving as the chair of the Washington, D.C., Truman Alumni Club and has been active in mentoring Truman students serving as leg-

islative interns in Washington, D.C.

This year's Alumni Distinguished Service Awards go to Dr. Maria Evans, Larry Lunsford, Steve Rose and Judge Mary Rhodes Russell. Evans lives in Greentop, Mo., and is a pathologist at Chariton Labs, Inc. and a member of the faculty at KCOM. She earned her Bachelor of Science in Education in biology from Truman in 1981 and her Doctorate of Medicine in 1991 from the University of Missouri-Columbia. Evans is a past member of the Truman State University Board of Governors, as well as past president of the Board.

Lunsford is the vice president of finance for Bernstein-Rein Advertising, Inc. in Kansas City, Mo. Lunsford earned a Bachelor of Science in accounting from Truman in 1981 and a Master of Accountancy from Truman in 1983. Lunsford is currently serving as a member of the Truman State University Foundation Board and was the founding president of the National Alumni Association Board.

Rose resides in Potomac, Md., and is an agent for State Farm Insurance. He earned his Bachelor of Science in business administration from Truman in 1969. Rose funds an annual performing arts scholarship. He is a member of the Truman State University Foundation Board and a past member of the National Alumni Association Board.

Russell has served as the chief judge of the Missouri Court of Appeals for the Eastern District and is the youngest person in the court's history to hold the position. Russell earned a Bachelor of Science in home economics communications and a Bachelor of Arts in mass communications in 1980 from Truman. She earned her Juris Doctorate from the University of Missouri-Columbia in 1983. Russell is past member of the Truman State University Board of Governors and served as president of the Board.

Athletes to be Inducted into Hall of Fame

Five former Truman student-athletes will be inducted into the Truman State University Athletics Hall of Fame. The inductees will be recognized during homecoming festivities Oct. 17-18.

They will be formally inducted at the Alumni and Friends Celebration Banquet at 6:30 p.m., Oct. 17, in the Student Union Building Georgian Room, and will take part in the Homecoming parade Oct. 18. They also will be recognized during half-time of the football game Oct. 18.

Reservations may be made by calling the Advancement Office at 785.4133 or on the internet at <http://store.truman.edu/alumni>.

The first of the new inductees is the late Don Allbritton. He competed on the track squad from 1969-72 and received eight NCAA Division II all-America honors, the most by any Truman track athlete. All of his all-America honors were at the outdoor championships since the NCAA did not hold indoor meets for Division II at that time. He died in 2002 in Los Angeles.

Bob Atherton (Tampa, Fla.) was a sweeper on the Bulldog soccer team from 1985-88 and is the only member of the men's soccer team to be named first-team

all-MIAA four consecutive years. Atherton also was a member of the National Soccer Coaches Association of America all-region teams in 1985, 1987 and 1988. He also served as captain for a season. He is currently director of sales and marketing for Image One Corporation, an information systems software developer.

The late Bill Bowles (Veradale, Wash.) was a three-time letter winner as a tackle on the football squad from 1952-54. Bowles attended the University of Missouri in 1951 and lettered in football as a tackle before transferring to Truman. He passed away due to coronary thrombosis in 1991 at the age of 58.

Eric Holm (Liberty, Mo.) spent 17 years in the Bulldog football program, starting out as a player and finally becoming the head coach from 1990-94. He is currently the director of the Paul Henson Family YMCA in Prairie Village, Kan.

Stacy (Roberts) Schroeder (Columbia, Mo.), a native of Columbia, Mo., was a two-time all-America while performing on some of the top track teams in school history from 1988-91. She currently serves as the assistant executive director for the Missouri State High School Athletics Association.

Trinity Academy Irish Dancers to 'Shake' the Stage for Lyceum Series

The Trinity Academy Irish Dancers will live up the stage with their flair for dancing at 7:30 p.m., Oct. 25, in Baldwin Auditorium. The dancers are the second performance of the Kohlenberg Lyceum Series this season.

Trinity has significantly changed the direction and scope of Irish dance, re-introducing the art form as the phenomenon it is today. Founded in 1990 by artistic director Mark Howard, this uniquely Irish American company was the birthplace of progressive Irish dance, opening up artistic pathways that led to productions such as "Rivdance."

The company's repertoire is cutting-edge, and many of its members enjoy international acclaim. A majority of the dancers came

through the ranks of the prestigious Trinity Academy of Irish Dance, the Chicago/ Milwaukee-based school that has seized an unprecedented number of gold members for the U.S. at the World Championship of Irish

Dance held annually in Ireland.

Preferred Family Healthcare is a gold level corporate sponsor of the series and a special guest at this performance.

Tickets for the performance can be picked up at the Student Activities Board window and the Center for Student Involvement both located on the lower level of the Student Union Building beginning Oct. 17. There is no charge for students, faculty and staff with a Truman ID. Call 785.4016 for more information about the performance.

MIDTERM GRADES WILL BE AVAILABLE VIA BANNER WEB AT 5 P.M. OCT. 20.

Notables

Joe Benevento, professor of English, had his letterpress book of poems, "Willing to Believe," published by Timberline Press of Fulton, Mo.

Mark Spitzer, assistant professor of English, will have his translation of the Blaise Cendrars book "Films without

Images: Three Historic Radio Plays" published by Green Integer Books, Los Angeles.

Members of the Truman Forensic Union brought home 21 individual and team awards from their competition in the "Red Hot Swing," Oct. 3-5, in Bowling Green, Ky.

Scholarship Opportunities Available

Scholarship opportunities continue this fall with the numerous foundation scholarships, including the Knights Templar Education Foundation, Division of the Grand Commandry of Missouri, which offers student loans to residents of the State of Missouri who are currently enrolled as a junior or senior in a Missouri college or university.

Student loans of up to \$3,000 per year, or \$6,000 total, may be issued pending student application and approval by the foundation board. Loans are not due until 90 days after student graduation and do not start accruing interest until date of graduation. The current interest rate is 5 percent.

For more information and loan applications, visit the Financial Aid Office in McClain Hall 103.

The National Science Foundation (NSF) will award approximately 900 new Graduate Research Fellowships, including

awards offered for women in engineering and computer and information science. Fellowships are awarded for graduate study leading to research-based master's or doctoral degrees in the fields of science, mathematics, and engineering supported by the NSF. Applicants must be citizens, nationals or permanent resident aliens of the United States at the time of application.

The NSF welcomes applications from all qualified science, mathematics, or engineering students and strongly encourages women, minorities, and people with disabilities to compete fully in this program. Application deadlines are Nov. 4-6, depending on proposed field of study. Awards will be announced in late March 2004.

Contact the NSF Graduate Research Fellowship Program for more information by e-mail at nsgrfp@ora.u.gov or on their Web page at <http://www.ora.u.gov/nsf/nsffel.htm>.

University Swingers to Compete in National Competition

Fourteen members of the University Swingers from Truman State University will advance to the American Lindy Hop Championships Oct. 22-26, in Stamford, Conn. This is the first time the University Swingers will compete in the national championship.

The University Swingers is a local swing dance club that offers dance lessons for Truman students and performs routines at various campus events. The 14 competitors in the ALHC belong to the Competitive Team, a group of University Swingers that take part in competitive dancing.

The University Swingers need to raise \$5,000 to cover fees, food and lodging at the tournament. The club has raised \$4,000

to date through fund raising and donations.

In order to raise the additional money needed, the University Swingers will sponsor an all-you-can-eat spaghetti dinner at 6 p.m., Oct. 19, at Rehoboth Baptist Church. This meal includes salad, bread and drinks. The price for students is \$5, \$6 for non-students, and \$3 for children 12 and under.

The University Swingers offer open swing dance lessons once a week for students from 8-9 p.m., Wednesdays, in the Pershing Small Gym. The cost is \$1 per practice, \$10 per semester and \$15 per year. The first lesson is free.

For more information, contact Hilary Wright at 665.4131.

Penrose to Assist Faculty with Development of Hybrid Courses

David Penrose began working as Truman's instructional designer Oct. 1. He will be assisting faculty develop hybrid courses for the Summer 2004 session and working on building a "learning objects" repository. The Instructional Design Services Web site (<http://ids.truman.edu>) includes information and links to sites explaining those efforts.

Penrose will be working to ensure all content developed be useable and accessible to all students, faculty and staff. He will be working with TextAloud MP3 and Natural Reader to convert text to audio and make it available online.

One area Penrose is interested in is having learning objects (text) translated to Spanish, Russian, French, German, Chinese, Japanese, Portuguese and Italian. This means that by translating one learning object you have created as many as 10.

Penrose can be reached at the Center for Teaching and Learning Office in Pickler Memorial Library Room 203 or at 785.4046.

The Residential Living Office is Moving

The new Residential Living Office will be located in Baldwin Hall 110.

The move should be completed by the end of the week.

Notes

The Student Health Center will be offering flu vaccinations for two hours every weekday Oct. 13-24. Scheduled times for flu vaccines will vary each day. Watch for posters announcing the schedules. All influenza vaccines are on a first-come, first-served basis. The vaccines will be provided free of charge to faculty, staff and spouses covered by the University insurance and for \$10 to all students. Call Brenda Higgins at 785.4562 for more information.

The \$60 down-payment for students to pre-enroll is no longer required by the Business Office. Students with a hold affecting registration will be prevented from enrolling.
